## **Seven Rays:**

Introduction to the Seven Rays Kurt Abraham,1986      *The Seven Rays of Life* Alice A. Bailey,1995 The teaching on the seven rays can enable all true servers to work with greater skill and effectiveness in their chosen field of activity As Alice Bailey wrote a study of the rays will mean that we shall have a practical method of analysis whereby we can arrive at a right understanding of ourselves as ensouling entities and at a wiser comprehension of our fellow men We can then deal more intelligently with ourselves with our children and with our friends and associates We shall find ourselves able to co operate more wisely with the Plan as it is seeking expression at any particular time      *The Seven Rays* Ernest Wood,1989-01-01 Wood examines the intriguing esoteric idea that humanity is divided into seven spiritual groups according to our fundamental drives and aspirations      **Psychological Types and the Seven Rays** Kurt Abraham,1983      *Esoteric Psychology - The Seven Rays* Dr. Douglas M. Baker,2014-04-09 Esoteric Psychology The Seven Rays The knowledge of the Seven Rays provided by this book will prove of immense value to all who seek to understand human nature and to achieve enhanced self awareness and integration of personality in themselves and others This masterly written and illustrated manual is an absolutely essential starting and reference work for all those who finally respond in this lifetime to their Purpose and Inner Voice This book emphasises that all is energy and that Man is an energy unit affected from both without and within It demonstrates that Ray Psychology is essentially practical and shows how the qualities of these energies may be understood and embraced in human behaviour and today s language It is plain that psychology will play an ever increasing role in the development of new age consciousness Already today millions of people who would be regarded as laymen practise their own psychology in everyday life This tendency has been boosted by the general interest in astrology A glimpse into the future will show that the new psychology will be based on many emerging astrological factors Esoteric psychology takes into account not only hereditary and environment but draws also upon that massive third factor which is the psychic and spiritual nature of Mankind The effect of karma the influence of previous lives etc are major contributions to the behaviour of those who seek to tread the path towards spiritual enlightenment Esoteric Psychology is based on two major precepts Firstly there is a cosmic force conveying seven streams of energy into our solar system that affect the nature behaviour and evolution of all forms within the ring pass not of this system These streams are termed the Seven Rays Secondly spiritual qualities emerging from the immortal component of Man s structure affect his behaviour and modify the contributing factors of his hereditary equipment and the environment into which it is thrust      A Treatise on the Seven Rays Bailey, Alice A,Djwhal Khul,2012-11-01 Healing is an exact and an exacting science Esoteric healing is equally scientific based on a number of requirements including knowledge of the constitution of man as a spiritual being and of the biology and anatomy of his physical form In this book the seven ray techniques of healing are described the laws and rules of healing are discussed basic causes of disease are shown and requirements for healing are given in detail      **Balancing the Pairs of Opposites; The**

[The Seventh Ray: Revealers of the New Age](#) Alice A. Bailey,1995-05-14 Today two rays of great potency are functioning simultaneously The Sixth Ray of Idealism and Devotion is slowly passing out and the Seventh Ray of Ceremonial Order or Ritual is coming into manifestation This is bringing about a situation which is described in ancient archives in the following terms A time of rending when the mountains which have sheltered fall from their high places and the voices of men are lost in the crash and thunder of the fall Such periods come only rarely and each time they come a peculiarly significant period of divine activity is ushered in old things pass away yet the ancient landmarks are restored
