Seven Songs about Armenia Gevorg Ėmin,1983 **Seven Songs of Armenia** Gevorg Ėmin,1970 Seven Songs about Armenia Gevorg Ėmin,1981 *A Reference Guide to Modern Armenian Literature, 1500-1920* Kevork B. Bardakjian,2000 A comprehensive guide to Armenian writers and literature spanning five centuries Combining features of a reference work bibliographic guide and literary history it records the output of almost 400 authors who wrote both in Armenia and in the communities of the Armenian diaspora Presents a general history of the literature with chapters devoted to a single century and prefaced by information on the era s social cultural and religious milieus followed by a section of biobibliographical entries for Armenian authors a section of bibliographies and reference works and a listing of anthologies of literature both in Armenian and in translation Includes references to earlier authors and to sources of influence both Armenian and non Armenian A final section contains bibliographies devoted to particular genres and periods such as minstrels folklore and prosody A thematic discussion of the works of more than 150 poets historians monks and others highlights the themes that captured the imagination of Armenian authors From publisher description **The Armenians** Razmik Panossian,2006-05-27 *The Armenians* traces the evolution of Armenia and Armenian collective identity from its beginnings to the Armenian nationalist movement over Gharabagh in 1988 Applying theories of national identity formation and nationalism Razmik Panossian analyzes different elements of Armenian identity construction and argues that national identity is modern predominantly subjective and based on a political sense of belonging Yet he also acknowledges the crucial role of history art literature religious practice and commerce in preserving the national memory and shaping the cultural identity of the Armenian people Panossian explores a series of landmark events among them Armenians first attempts at liberation the Armenian renaissance of the nineteenth century the 1915 genocide of the Ottoman Armenians and Soviet occupation He shows how these influences led to a multilocal evolution of Armenian identity in various places in and outside of Armenia notably in diasporan communities from India to Venice Today these numerous identities contribute to deep divisions and tensions within the Armenian nation the most profound of which is the cultural divide between Armenians residing in their homeland and those who live in the United States Canada the Middle East and elsewhere Considering the diversity of this single nation Panossian questions the theoretical assumption that nationalism must be homogenizing Based on extensive research conducted in Armenia and the diaspora including interviews and translation of Armenian language sources *The Armenians* is an engaging history and an invaluable comparative study **Caucasus Chronicles** Leonidas Themistocles Chrysanthopoulos,2002 The Armenians Hamo B. Vassilian,1993 *Fiction, Memory, and Ethnic Politics in the South Caucasus* Mikail Mamedov,Peter Orte,Nona Shahnazarian,Ulvi Ismayil,2025-09-30 The book explores the aftermath of the disintegration of the Soviet Union and the effects of war and nationalism in the South Caucasus While the Soviet Union s dissolution seemed to promise democracy and liberalization the rise of nationalist movements in Armenia and

Azerbaijan led to those countries becoming undemocratic monoethnic states which ethnically cleansed their largest minorities During the violence of the first stage of the Karabakh War 1992-1994 Armenians were expelled from Azerbaijan and Azerbaijanis were expelled from Armenia The persistence of this violent conflict through the second 2020 and third 2023 stages has led to competing incompatible national narratives and an entrenched imagination of the other as the enemy Explaining these events historical context by tracing them back to specific Soviet and Tsarist policies the contributors of this volume examine the impact of the Karabakh conflict on ordinary people's lives in Armenia and Azerbaijan by analyzing fiction film and other forms of public memory Ultimately they show how eternal enmity is a myth and point to potential solutions to the conflict This study will be useful to students and scholars of Soviet and Post Soviet History Nationalism Empire and Conflict Studies *Library of Congress Subject Headings* Library of Congress, 2003 99 - All you should know about the Genocide, The book 99 is part of the Recognize 1915 project dedicated to the 100th anniversary of the Armenian Genocide due in 2015 We believe that every person irrespective of nationality must recognize and condemn such crimes against humanity Only by spreading awareness we may achieve a day when all genocides are only in past *Library of Congress Subject Headings* Library of Congress. Cataloging Policy and Support Office, 2004 Modern Hatreds Stuart J. Kaufman, 2015-05-26 Ethnic conflict has been the driving force of wars all over the world yet it remains an enigma What is it about ethnicity that breaks countries apart and drives people to acts of savage violence against their lifelong neighbors Stuart Kaufman rejects the notion of permanent ancient hatreds as the answer Dissatisfied as well with a purely rationalist explanation he finds the roots of ethnic violence in myths and symbols the stories ethnic groups tell about who they are Ethnic wars Kaufman argues result from the politics of these myths and symbols appeals to flags and faded glories that aim to stir emotions rather than to address interests Popular hostility based on these myths impels groups to follow extremist leaders invoking such emotion laden ethnic symbols If ethnic domination becomes their goal ethnic war is the likely result Kaufman examines contemporary ethnic wars in the Caucasus and southeastern Europe Drawing on information from a variety of sources including visits to the regions and dozens of personal interviews he demonstrates that diplomacy and economic incentives are not enough to prevent or end ethnic wars The key to real conflict resolution is peacebuilding the often overlooked effort by nongovernmental organizations to change hostile attitudes at both the elite and the grassroots levels Music and Coexistence Osseily Hanna, 2014-12-11 Music and Coexistence A Journey across the World in Search of Musicians Making a Difference is both study and travelogue as author Osseily Hanna explores the courageous work of musicians who compose and perform with their ostensible enemies or in extraordinary social situations He documents the political and economic constraints faced by musicians from the wall that encloses a refugee camp in Jerusalem to the tensions among KFOR and Carabinieri peacekeepers who keep Serbs and Kosovar Albanians apart to the cultural and linguistic suppression that afflicts minority communities in Turkey A multilingual musician Hanna examines the lives of the

individuals and groups at the forefront of the effort to bridge ethnic cultural and religious divisions Featuring musicians from thirteen different countries and territories across five continents Hanna s story includes a remarkable cadre of performers such as the musicians who comprise Heartbeat a group of Israeli and Palestinian youth who compose record and perform music together the Albino musicians of Tanzania who regularly combat persecution by local shamans the multiracial and thriving samba musicians in Sao Paulo and a former child soldier from Cambodia who seeks to revive traditional music following the genocide in the 1970s With photos taken by the author during his travels this work is a unique contribution for those interested in world music and peace studies This unique and remarkable work will open the eyes and the hearts of every musician and music lover who recognizes music as a universal language Armenian Folklore Bibliography Anne M.
