Seven Spirits Of God Leaders Guide:

Genesis to Revelation: Revelation Leader Guide C. M. Kempton Hewitt, 2018-09-18 Study the entire Book of Revelation starting with John's theology that teaches that Jesus the exalted Christ is the center of faith. Some of the major ideas explored are personal religious experience, the living voice of God in the church today, advocating for what is right, distinguishing between good and evil. God's grace seeks to redeem and covenant with God. Leader Guide includes A verse by verse in depth look at the Scriptures. Background material including word studies and history of the biblical setting. Answers to questions asked in the Participant Book. Application of the Scripture to daily life situations. Discussion suggestions. A variety of study options. Practical tips for leaders to use. More than 3.5 million copies of the series have been sold. This revision of the Abingdon classic Genesis to Revelation Series is a comprehensive verse by verse book by book study of the Bible based on the NIV. These studies help readers strengthen their understanding and appreciation of the Bible by enabling them to engage the Scripture on three levels. What does the Bible say? Questions to consider while reading the passage for each session. What does the passage mean? Unpacks key verses in the selected passage. How does the Scripture relate to my life? Provides three major ideas that have meaning for our lives today. The meaning of the selected passages are made clear by considering such aspects as ancient customs, locations of places and the meanings of words. The simple format makes the study easy to use. Updates will include New cover designs, New interior designs, Leader Guide per matching Participant Book rather than multiple volumes in one book. Updated to 2011 revision of the New International Version Translation NIV. Updated references to New Interpreters Dictionary of the Bible. Include biblical chapters on the contents page beside session lesson titles for at a glance overview of biblical structure. Include larger divisions within the contents page to reflect macro structure of each biblical book. Ex Genesis 1-11, Genesis 12-50, Exodus 1-15, Exodus 16-40, Isaiah 1-39, Isaiah 40-66. The simple format makes the study easy to use. Each volume is 13 sessions. **Breaking the Code with Leaders Guide** Bruce M Metzger, Donn

Downall, 2014-02 The book of Revelation contains passages of great beauty and comfort as well as passages that strike the casual reader as bizarre, bewildering and sometimes frightening. The book includes a list of resources for further study, a study guide for 8-13 sessions and can be used in personal or group study. Separate video set 762421. Introducing the Book of Revelation. Churches have made many converts but far too few real disciples. Many Christians struggle to take hold of basic biblical truth and live it out. We often take a painfully long time to mature. This is not because we lack resources or teaching but because we struggle to connect with truth. This is where the Freedom in Christ course comes in. It is specifically designed to help Christians take hold of who they are in Christ, resolve personal and spiritual conflicts through genuine repentance and move on to maturity. This revised and updated edition of the popular course takes into account comments from the many who have used and reused it and is accompanied by a completely new 3 disk DVD set. PRICE INCLUDES VAT.

Episodes In Visions Zebron Ncube, D. Min., 2018-04-30. In his book Dr Zebron Ncube argues that in spite of socio political chaos and pessimistic and secular thinking that dominate human society the Book of Revelation tells us that God is still in control. This is the prism through which the Book of Revelation should be read. In Episodes in Visions each episode has its own full Bible text, key thought, major objective overview and discussion with practical implications. The preacher will find this book to be a tremendous resource for a preaching series. Individuals and study groups will benefit from the easy to use outlines of the book. The book is written from a preacher's perspective to give hope to a cringing spirit because the foundations of human society are crumbling. God is in control. Dr Zebron Ncube explains the mysteries of symbols and numbers to connect the contemporary mind with John and his first century audience. No other book has so much relevance to the contemporary church and world as does the Book of Revelation that Dr Ncube writes about.
