Freedom in Christ Course Leader's Guide Neil T Anderson, Steve Goss, 2017-09-22 Churches have made many converts but far too few real disciples. Many Christians struggle to take hold of basic biblical truth and live it out. We often take a painfully long time to mature. This is not because we lack resources or teaching but because we struggle to connect with truth. This is where the Freedom in Christ course comes in. It is specifically designed to help Christians take hold of who they are in Christ, resolve personal and spiritual conflicts through genuine repentance, and move on to maturity. This revised and updated edition of the popular course takes into account comments from the many who have used and reused it and is accompanied by a completely new 3 disk DVD set. PRICE INCLUDES VAT.

**Episodes In Visions** Zebron Ncube, D. Min., 2018-04-30 In his book Dr Zebron Ncube argues that in spite of socio-political chaos and pessimistic and secular thinking that dominate human society, the Book of Revelation tells us that God is still in control. This is the prism through which the Book of Revelation should be read. In *Episodes in Visions*, each episode has its own full Bible text, key thought, major objective, overview, and discussion with practical implications. The preacher will find this book to be a tremendous resource for a preaching series. Individuals and study groups will benefit from the easy-to-use outlines of the book. The book is written from a preacher's perspective to give hope to a cringing spirit because the foundations of human society are crumbling. God is in control. Dr Zebron Ncube explains the mysteries of symbols and numbers to connect the contemporary mind with John and his first-century audience. No other book has so much relevance to the contemporary church and world as does the Book of Revelation that Dr Ncube writes about.

*Divine Providence in the Bible* John H. Wright, 2010-11 Presents a thoughtful, masterly, well-organized investigation of Divine Providence as seen by the authors of the New Testament. Advances the claim that the NT authors do not support Augustine's highly influential predestinarian view of Providence.
