Seven Days to a Brand-New Me Ellen Conford, 1982-07 Maddy purchases a self help book to help her become exciting witty and ravishing in seven days *Seven Days to a Brand-New Me* , *Becoming a Woman Through Romance* Linda K. Christian-Smith, 2019-10-01 A woman is incomplete without a man motherhood is a woman's destiny and a woman's place is in the home These conservative political themes are woven throughout teen romance fiction's sagas of hearts and flowers Using the theory and interpretive methods of feminism and cultural studies Christian Smith explores the contradictory role that popular culture plays in constructing gender class race age and sexual meanings Originally published in 1990 *Becoming a Woman through Romance* combines close textual analyses of thirty four teen romance novels written in the United States from 1942 1982 with a school study in three midwestern American schools Christian Smith situates teen romance fiction within the rapidly changing publishing industry and the important political and economic changes in the United States surrounding the rise of the New Right By analysing the structure of the novels in terms of the themes of romance sexuality and beautification and the Good Bad and Strong Weak dichotomies she demonstrates how each has shaped the novels versions of femininity over forty years She also shows that although romance fiction is presented as a universal model it is actually an expression of white middle class gender ideology and tension within this class This high readable comprehensive and coherent work was the first to combine in one volume three vital areas of cultural studies research the political economy of publishing textual analysis and a study of readers The first full scale study of teen romance fiction *Becoming a Woman through Romance* establishes the importance of the study of popular culture forms found in school for understanding the process of school materials in identity formation **The Best in Children's Books** University of Chicago. Tarbert, 1983-05 **Texts Of Desire** Linda Christian-Smith, 2014-01-14 Popular fiction continues to be the object of both academic and political Interest as educators seek to understand the role literacy plays in constructing gender class race ethnic sexual age and national subjectivities of young women Popular fiction represents both Ideological closure and utopian possibilities Nowhere are these double edged qualities more evident than In popular teen romance fiction *Texts of Desire* examines stories in which desire fantasy politics and economics are intertwined with literacy femininities and schooling It focuses on the role of teen romance and other popular fiction in the construction and re construction of femininities Internationally These texts many of which focus on girls first love experiences have stunned the publishing world with their record sales and international readership in
