**The Letter of Love and Concord** Zara Pogossian, 2010-12-20. The Letter of Love and Concord is a unique source which allows us a glimpse into the political and religious aspirations of the Armenian Cilician elite at the end of the twelfth century, alluding to its hopes and expectations from the Crusades and the Church of Rome as well as its uneasy relationship with the Byzantine Empire. The Letter is especially valuable for the wealth of information it contains on the royal ideology nurtured within the highest circles of the ruling Rubenid dynasty. The study provides an analysis of the sources used by its anonymous author, placing them within a historical context. Moreover, this marks the first time that a text based on the study of surviving sixty-nine manuscripts, along with its English translation, has been made available for scholars.

**Romantic Love and Sexual Behavior** Victor C. de Munck, 1998-04-16. Westerners believe that love makes life worth living; that sex is a natural desire, different in kind from love; and that only cynics reduce our love life to a calculation of economic or genetic factors. In this volume, essays explore these and other assumptions about the relationship between romantic love and sex. This represents the first interdisciplinary social science study of love and sex. Contributors ask and answer questions such as: Is love just sex idealized, or is it a transcendent and divine emotion? Is love a cultural construct that is shared by members of the same culture, or is it a matter of personal taste? What keeps promiscuous people from using condoms even when they know they are at risk? Are black professional men so rare that their conceptions of love and sex differ from those of white professional men? Are brutal sexual fantasies an exclusively male domain, and are they always excluded from love fantasies among normal adolescents? Is divorce a culturally induced response to evolutionary reproductive strategies that compel individuals to maximize their genetic legacy? Are marriages or relationships less satisfying or stable when an actual mate falls short of the fantasy of the ideal mate? Is there a universal core to love and sex that is camouflaged by other cultural norms such as modesty and sexual segregation? Is rape perceived as more acceptable when the rapist says he was motivated by love? What do cult movements and romantic love have in common? As they attempt to answer these and other questions, the authors extend our understanding of the variety of ways that love and sex are conceptualized, connected or separated.

**The Christ of the Apocalypse: Contemplating the Faces of Jesus in the Book of Revelation** Msgr. A. Robert Nusca, 2018-06-30. That the Apocalypse of John is a Revelation of Jesus Christ, Rev 1:1, is a fact too often overlooked by interpreters of this last book of the Bible. As Msgr. A. Robert Nusca's *The Christ of the Apocalypse: Contemplating the Faces of Jesus in the Book of Revelation* proposes, beyond predictions of earthquakes and falling stars, St. John articulates from start to finish a multifaceted and compelling portrait of Jesus Christ. Nusca offers an exegetical reading of selected verses of the Book of Revelation, incorporating rich spiritual and pastoral reflections. The Christ of the Apocalypse, above all, affirms that St. John's

God and Christ centered symbolic universe offers our contemporary world a spiritual place to stand amid the shifting sands of postmodernity As Cardinal Thomas Collins Archbishop of Toronto writes in his Foreword Now as in the first century Christians face martyrdom and those who are not called to die for Christ are called to live for Christ in a world which in many ways rejects the Gospel More than ever we need the apocalyptic vision to have our own vision of reality clarified and to be strengthened in our evangelical witness      **The Power of Intention (EasyRead Large Bold Edition)** Wayne W.

Dyer, 2004 Intentions generally viewed as a pit bull kind of determination propelling one to succeed at all costs by never giving up on an inner picture In this view and attitude that combines hard work with an indefatigable drive toward excellence is the way to succeed However intention is viewed very differently in this book The author has researched intention as a force in the universe that allows the act to creation to take place This book explores intention not as something you do but as an energy you are a part of We are all intended here through the invisible power of intention Dust jacket
