

SEVEN PAULINE LETTERS

Peter F. Ellis

Seven Pauline Letters

Gary Habermas

Seven Pauline Letters:

Seven Pauline Letters Peter F. Ellis, 1982 These insights on the literary structure and theological argumentation of Paul's letters lead to a deeper and more unified understanding of Paul's message and spirituality Explanations of apocalyptic literature eschatology and the kenotic hymn Phil 2 6 11 contribute to this thorough study of Paul's mind and theology

NIVAC Bundle 7: Pauline Epistles Douglas J. Moo, Craig L. Blomberg, Scott J. Hafemann, Scot McKnight, Klyne Snodgrass, Frank S. Thielman, Daniel Garland, Michael W. Holmes, Walter L. Liefeld, 2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context To bring the ancient messages of the Bible into today's world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today's preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written

The Oxford Handbook of Pauline Studies Matthew V. Novenson, R. Barry Matlock, 2022-04-08 The Oxford Handbook of Pauline Studies brings together a diverse international group of experts on the apostle Paul It examines the authentic texts from his own hand other ancient texts falsely attributed to him the numerous early Christian legends about him and the many meanings that have been and still are made of these texts to give a twenty first century snapshot of Pauline Studies Divided into five key sections the Handbook begins by examining Paul the person a largely biographical sketching of the life of Paul himself to the limited extent that it is possible to do so It moves on to explore Paul in context and Pauline Literature looking in detail at the letters manuscripts and canons that constitute most of our extant evidence for the apostle Part Four uses a number of classic motifs to describe what modern experts describe as Pauline Theology and Part Five considers the many productive reading strategies with which recent interpreters have made meaning of the letters of Paul It is demonstrated that reading Paul is not and never has been just one thing It has always been a matter of the particular questions and interests that the reader brings to these very generative texts The Oxford Handbook of Pauline Studies thoroughly surveys the state of Pauline studies today paying particular attention to theory and method in interpretation It considers traditional approaches alongside recent approaches to Paul including gender race and ethnicity and material culture Brought together the chapters are an ideal resource for teachers and students of Paul and his letters

On the Resurrection, Volume 3 Gary Habermas, 2025-05-15 In the third volume of his magnum opus Gary R Habermas identifies collects and summarizes hundreds of scholarly

treatments related to the resurrection On the Resurrection Volume 3 Scholarly Perspectives offers a thorough lay of the land for anyone wanting to pursue an in depth study of Jesus of Nazareth s resurrection **Text and Paratext** Gregory Goswell,2023-01-25 The neglected contexts for biblical interpretation Context is king so the maxim goes Sensitivity to context of a verse chapter or book is essential for proper biblical interpretation Yet the Bible contains another set of key clues that readers rarely consider In Text and Paratext Gregory Goswell explores paratext and its implications for biblical interpretation Paratextual features are the parts of a text that surround the main text itself such as a book s canonical location title and internal divisions These features have been intentionally added to support the text and direct readers Different arrangements of the Old and New Testaments reveal connections and associations A book s title announces the focus of its content Book divisions create breaks and form units of text Commentary is baked into paratextual features making every Bible a study Bible Rather than veiling the text s meaning paratext highlights interpretive possibilities both ancient and fresh While often overlooked paratextual features guided interpretation throughout church history and should inform our study of Scripture today With the help of glossaries and study questions Goswell s study equips readers to understand paratext and its implications and become better interpreters of the Bible **The Pauline Letters** David Oliver Smith,2022-06-17 In The Pauline Letters A Rhetorical Analysis David Oliver Smith unveils his revolutionary discovery that the apostle Paul divided his letters into structured literary units as he wrote them These literary units are based upon repeated words phrases and abstract concepts and are invariably patterned into chiasmic parallel or hybrid structures Using his technique of rhetorical analysis Smith sets out each literary unit in the seven undisputed letters of Paul After the structures of the literary units have been exposed the units reveal interpolations that disrupt Paul s original structure When the interpolations revealed by this technique are compared with interpolations heretofore proposed by Pauline scholars there are some surprising results Smith also uses his technique to analyze the Deutero Pauline letters to determine whether any of those letters exhibit the same literary attributes as the undisputed letters **New Testament Theology** Jon Isaak,2011-01-01 New Testament theology ought to be both descriptive and constructive this is the argument of New Testament Theology Extending the Table According to Isaak New Testament theology is descriptive in that it deals with the accounts that people narrate of their experience with Yahweh the God of Israel in the light of Easter It is constructive in that it joins the diverse testimonies of the New Testament writers into a textured and thick space within which contemporary followers of Jesus continue to be shaped by the ancient yet living Spirit of God Isaak s approach is historical thematic and theological in orientation It explores the conversation taking place around the table where the writers of the NT share their guiding vision of God s saving work among them and their passion for the Christian church engaged in God s mission The differing perspectives of the New Testament authors are held together without reduction forming a deep and rich space within which ongoing community reflection and praxis can take place **Dictionary of New Testament Background**

Craig A. Evans, Stanley E. Porter, 2010-05-11 Written by known experts and edited by Craig A Evans and Stanley E Porter this reference work with its full bibliographies and cross references to other volumes in the series is the best for researching the New Testament in its ancient setting *Neotestamentica et Patristica* W.C. van Unnik, 2014-04-09 **Biblical Theology**

Andreas J. Köstenberger, Gregory Goswell, 2023-02-23 A Clear Careful Textbook to Help Bible Students Interpret Scripture Pastors thoughtful Christians and students of Scripture must learn how to carefully read and understand the Bible but it can be difficult to know where to start In this clear logical guide Andreas J K stenberger and Gregory Goswell explain how to interpret Scripture from three effective viewpoints canonical thematic and ethical Biblical Theology is arranged book by book from the Old Testament using the Hebrew order through the New Testament For each text K stenberger and Goswell analyze key biblical theological themes discussing the book s place in the overall storyline of Scripture Next they focus on the ethical component showing how God seeks to transform the lives of his people through the inspired text Following this technique readers will better understand the theology of each book and its author A Clearly Written Guide on Biblical Theology Analyzes all 66 books of the Bible with emphasis on the coherent unified framework of Scripture Helps Readers Thoughtfully Interpret Scripture Provides an essential foundation for a valid theological understanding of Scripture that informs Christian doctrine and ethics Ideal for Pastors Academics and Other Serious Students of Scripture This clear thoroughly researched guide can be used as a textbook in seminary classes studying biblical theology or the Old and New Testaments Exploring the Origins of the Bible (Acadia Studies in Bible and Theology) Craig A. Evans, Emanuel Tov, 2008-10-01 How did the Bible we have come to be What do biblical scholars mean when they talk about canon the Septuagint the Apocrypha or the Masoretic Text All this biblical study is interesting but does it really matter Leading international scholars explain that it does This thought provoking and cutting edge collection will help you go deeper in your understanding of the biblical writings how those writings became canonical Scripture and why canon matters Beginning with an explanation of the different versions of the Hebrew Bible scholars in different areas of expertise explore the complexities and issues related to the Old and New Testament canons why different Jewish and Christian communities have different collections and the importance of canon to theology **Dictionary of Paul and his letters** GERALD F HAWTHORNE, RALPH P MARTIN, DANIEL G REID, 2020-05-21 The Dictionary of Paul and his letters is a one of a kind reference work Following the format of its highly successful companion volume the Dictionary of Jesus and the Gospels this Dictionary is designed to bring students teachers ministers and laypeople abreast of the established conclusions and significant recent developments in Pauline scholarship No other single reference work presents as much information focused exclusively on Pauline theology literature background and scholarship In a field that recently has undergone significant shifts in perspective the Dictionary of Paul and His Letters offers a summa of Paul and Pauline studies In depth articles focus on individual theological themes such as law resurrection and Son of God broad theological topics such as Christology eschatology and the death of Christ methods of interpretation

such as rhetorical criticism and social scientific approaches background topics such as apocalypticism Hellenism and Qumran and various other subjects specifically related to the scholarly study of Pauline theology and literature such as early catholicism the centre of Paul's theology and Paul and his interpreters since F C Baur Separate articles are also devoted to each of the Pauline letters to hermeneutics and to preaching Paul today The Dictionary of Paul and His Letters takes its place alongside the Dictionary of Jesus and the Gospels in presenting the fruit of evangelical New Testament scholarship at the end of the twentieth century committed to the authority of Scripture utilising the best of critical methods and maintaining dialogue with contemporary scholarship and challenges facing the church

Sammlung Nils Alstrup Dahl, 2000 This volume of collected essays on Ephesians is divided into three sections The first part deals thoroughly with introductory questions such as composition and style the relationship to other Early Christian literature and Qumran authorship with a new suggestion addressees and social setting In the second part the extensive history of Early Christian texts and editions in the Muratorian canon the Marcionite prologues and the Euthalian apparatus with special regard to Ephesians is investigated The third part is dedicated to the interpretation of texts and themes of special importance for the understanding of this pseudo pauline letter by one of Paul's younger disciples and co workers Here the theological and liturgical setting is reflected upon Through all the detailed scrutiny of the history and the semantics of the epistle to the Ephesians the question of its illocutionary function remains in focus Not only what the auctor of Ephesians says in his letter but what he does by saying it is the central issue in Nils Alstrup Dahl's life long interest in this intriguing letter More than half of these essays have never been published before and one essay is translated from Norwegian into English for the first time

Canon Formation W. Edward Glenny, Darian Lockett, 2023-01-12 Contributors to this volume examine the various collections of canonical sub units in the canon considering the state of the question regarding each particular collection The chapters introduce the issues involved in sub collections being accepted in the canon summarize the historical evidence of the acceptance of these collections and discuss the compositional evidence of canonical consciousness in the various collections The contributors consider paratextual evidence for example the arrangement of the books in various manuscripts the titles of the books and also include evidence such as the presence of catchwords framing devices and themes The book begins with a consideration of the two overarching collections the Old and New Testaments Next several sub collections within the Hebrew Bible OT are considered including the Torah Prophets the Megilloth the Twelve both in their Masoretic Text and Septuagint forms and the Psalter In addition sub collections in the New Testament include the four fold Gospel the Pauline Collection usually with Hebrews in the early manuscripts the function of Acts within the New Testament the Praxapostolos Acts along with the Catholic Epistles and the function of Revelation as the end of the canon

The Oxford Handbook of Hebrews and the Catholic Epistles Patrick Gray, Professor of Religious Studies Patrick Gray, 2024-07-05 The study of Hebrews and the Catholic Epistles was never truly confined to their place in fraught ecclesiastical disputes Recent decades have witnessed a

resurgence of interest in these writings The present volume seeks to assess the relevance of these works to various questions that are often posed to other parts of the New Testament canon to report on the current state of scholarship devoted to the interpretive issues they raise and to survey their rich and often overlooked afterlives

The Key to Ephesians Edgar J. Goodspeed, 2020-02-03

The Oxford Encyclopedia of the Books of the Bible Michael D. Coogan, 2011-12-08 This is the first in this series of specialised reference works each addressing a specific subfield within biblical studies Books of the Bible is in depth with articles on all of the canonical books major apocryphal books of the New and Old Testaments important noncanonical texts and some thematic essays

1 & 2 Thessalonians Ernest Best, 2003-10-02 The 1974 estimate by Interpretation that Ernest Best's volume on 1 & 2 Thessalonians is probably the best exegetical study of 1 and 2 Thessalonians available a superb commentary continues to ring true forty years later This is indeed one of the finest commentaries on 1 & 2 Thessalonians available in any language The Journal of Theological Studies called it exhaustive and concluded that the commentary is reliable judicious and nearly always lucid He Best takes us as far as we can reasonably go in understanding the mind of Paul as it expressed itself in these writings

Models for Interpretation of Scripture John Goldingay, 2024-09-30 This definitive study looks at the task of interpreting Scripture by exploring four broad models for understanding Scripture namely witnessing tradition authoritative canon inspired word and experienced revelation The diversity of interpretive approaches implied by the use of these four models is carried further by a methodological openness within each of the four major divisions of the book For instance in dealing with the interpretation of scriptural narrative Goldingay carefully explains how literary approaches to Scripture and a concern for the history in the Bible's stories can be held together with other interpretive focuses In his discussion of differing approaches and focuses in interpretation Goldingay is impressively clear and informative and demonstrates a sophisticated ability to respond to and challenge what other scholars have written Throughout this volume Goldingay continually moves toward the interpreter's final task communication to others of what has been gained in interpretation He asks for example what are the implications of the different interpretive strategies for Christian life human liberation preaching and Christian community life He demonstrates his conclusions with numerous examples of interpretation his own and others of specific Bible passages
