Percy H. Boynton,2020-08-02 Reproduction of the original A History of American Literature by Percy H Boynton      The Continuum Encyclopedia of American Literature Steven R. Serafin,Alfred Bendixen,2005-09-01 More than ten years in the making this comprehensive single volume literary survey is for the student scholar and general reader The Continuum Encyclopedia of American Literature represents a collaborative effort involving 300 contributors from across the US and Canada Composed of more than 1 100 signed biographical critical entries this Encyclopedia serves as both guide and companion to the study and appreciation of American literature A special feature is the topical article of which there are 70

**A History of American Literature 1900 - 1950** Christopher MacGowan,2024-05-13 A look at the first five decades of 20th century American literature covering a wide range of literary works figures and influences A History of American Literature 1900 1950 is a current and well balanced account of the main literary figures connections and ideas that characterized the first half of the twentieth century In this readable highly informative book the author explores significant developments in American drama fiction and poetry and discusses how the literature of the period influenced and was influenced by cultural trends in both the United States and abroad Considering works produced during America s rise to prominence on the world stage from both regional and international perspectives MacGowan provides readers with keen insights into the literature of the period in relation to America s transition from an agrarian nation to an industrial power the

racial and economic discrimination of Black and Native American populations the greater financial and social independence of women the economic boom of the 1920s the Depression of the 1930s the impact of world wars massive immigration political and ideological clashes and more Encompassing five decades of literary and cultural diversity in one volume A History of American Literature 1900 1950 Covers American theater poetry fiction non fiction memoirs magazines and literary publications and popular media Discusses the ways writers dramatized the immense social economic cultural and political changes in America throughout the first half of the twentieth century Explores themes and influences of Modernist poets expatriate novelists and literary publications founded by women and African Americans Features the work of Black writers Native Americans Asian Americans and Jewish Americans A History of American Literature 1900 1950 is essential reading for all students in upper level American literature courses as well as general readers looking to better understand the literary tradition of the United States

Outlines of English and American Literature William J. Long, 2022-08-01 In Outlines of English and American Literature William J Long presents a comprehensive survey that explores the evolution of literary forms and themes from the early works of Chaucer to the contemporary landscape of American literature Long adopts a clear and engaging prose style imbuing his discourse with critical analysis and historical context The book is structured thematically enabling readers to appreciate the interconnections between literature and its sociopolitical environments Through well chosen excerpts and discussions of seminal works the author provides a rich context for understanding the artistic movements that defined both British and American literary traditions An educator and literary critic William J Long s extensive background in the field informs this scholarly endeavor His work not only reflects a deep appreciation for literature but also his commitment to making literature accessible and relevant to students and general readers alike Long s passion for teaching and a keen awareness of the cultural significance of literature subtly permeate his writing making it both informative and inspiring This book is highly recommended for anyone looking to delve into the complexities of English and American literature Whether you are a student a teacher or merely a lover of literature Long s insightful analysis serves as an invaluable resource guiding readers through the rich tapestry of literary history

**Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1979
