The British Study Edition of the Urantia Papers Book [A4 PDF] , [The Harvest is Plentiful: When "It's Not Enough" Becomes Our Call to Action**](#) Stanley Scott Jr.,2025-06-27 In a world saturated with noise distraction and endless entertainment the voice of authentic faith often gets drowned out Yet in this cacophony of modern life there are still voices that cut through the static voices that challenge us to look beyond our comfort zones and answer the call that Jesus placed before His disciples two thousand years ago This book emerged from a sermon that refused to stay within the walls of a single Sunday morning service The message contained within these pages has been burning in my heart for months demanding to be shared beyond the confines of one congregation It s a message that speaks to the gap between the overwhelming needs in our communities and the often inadequate response of the modern church The phrase it s not enough may seem harsh or discouraging at first glance but it s meant to serve as a clarion call a wake up alarm for believers who have settled into comfortable patterns of faith that don t match the urgency of the harvest field around us This isn t a message of condemnation it s a message of activation As you read these pages you ll be challenged to examine your own life your own faith your own response to God s call You ll be asked to consider what distractions might be keeping you from fully engaging with the work God has prepared for you Most importantly you ll be invited to move from passive observation to active participation in the greatest mission on earth This book is for every believer who has ever felt that nagging sensation that there must be more to the Christian life than what they re currently experiencing It s for anyone who has looked at the pain and brokenness around them and wondered what difference they could possibly make It s for those who are tired of mediocre faith and ready for something that actually transforms lives starting with their own The harvest truly is plentiful The question is are we ready to be the laborers
