**Bristol to Knoxville** Elena Irish Zimmerman,1996-10-01 Bristol to Knoxville A Postcard Tour takes us on a journey back to a simpler time 1939 and invites us to tour the towns of East Tennessee by means of the picture postcard The 1930s were fascinating years in America It was a time of struggle and yet of hope of hardship and yet of optimism America fought her way through the Depression to emerge the better for it and those who came through were determined to live the American dream In 1939 as in previous decades the postcard was a supremely popular means of fast and easy communication Postcard companies sent their photographers all over America to cities and crossroads alike These photographers captured on film scenes that would prove popular commercially but in doing so they were unknowingly creating a tremendous archive of historical images that are of great value today for the insights they offer into the way life was lived in the early twentieth century     *Sevierville, Gatlinburg, and Maryville* Elena Irish Zimmerman,1996     Images of America Anne W. In some sort of consumed by displays and the ceaseless chatter of immediate connection, the melodic elegance and psychological symphony created by the written term frequently fade into the backdrop, eclipsed by the persistent noise and disturbances that permeate our lives. However, set within the pages of **Sevierville Gatlinburg And Maryville Tennessee A Postcard Tour Images Of America Series** a stunning fictional value full of organic emotions, lies an immersive symphony waiting to be embraced.
