Easy Amigurumi amigurumi dolls to do ,2023-08-18 Hello dear crochet friend and welcome to the world of Crochet Little Heroes In the pages of this book you will find everything you need to recreate twenty iconic heroes with colorful yarns and a crochet hook In the Projects section you will meet the twenty incredible women and men who have been chosen from the many contemporary and present day heroes I admire During the process of creating these dolls I got to know every one of them on a deeper level I became familiar not only with their art inspiration or creativity but also their struggles in life and the hard work it has taken to overcome them I've had my personal favorites my own heroes among them long before writing this book but during the months I focused on these amazing artists athletes activists and public figures I managed to fall in love with each and every one of them as I always found something that took my breath away From Josephine Baker's unwavering bravery during World War II and the persistence of Rosa Parks and Malala to the pure inevitable talent of Prince Frida Kahlo and Audrey Hepburn most of these heroes were innovators and revolutionists in their field They were ahead of their time in so many ways But what makes them special for me and perhaps for most of us is that they all made a lasting difference

My Fair Ladies Julie Wosk,2015-07-28 The fantasy of a male creator constructing his perfect woman dates back to the Greek myth of Pygmalion and Galatea Yet as technology has advanced over the past century the figure of the lifelike manmade woman has become nearly ubiquitous popping up in everything from Bride of Frankenstein to Weird Science to

The Stepford Wives Now Julie Wosk takes us on a fascinating tour through this bevy of artificial women revealing the array of cultural fantasies and fears they embody My Fair Ladies considers how female automatons have been represented as objects of desire in fiction and how living dolls have been manufactured as real world fetish objects But it also examines the many works in which the perfect woman turns out to be artificial a robot or doll and thus becomes a source of uncanny horror Finally Wosk introduces us to a variety of female artists writers and filmmakers from Cindy Sherman to Shelley Jackson to Zoe Kazan who have cleverly crafted their own images of simulated women Anything but dry My Fair Ladies draws upon Wosk s own experiences as a young female Playboy copywriter and as a child of the feminine mystique era to show how images of the artificial woman have loomed large over real women s lives Lavishly illustrated with film stills artwork and vintage advertisements this book offers a fresh look at familiar myths about gender technology and artistic creation
