**Sex and Sexuality in China** Elaine Jeffreys, 2007-01-24 Elaine Jeffreys explores the issues of sex and sexuality in a non Western context by examining debates surrounding the emergence of new sexual behaviours and the appropriate nature of their regulation in the People's Republic of China Commissioned from Western and mainland Chinese scholars of sex and sexuality in China the chapters in this volume are marked by a diversity of subject material and theoretical perspectives but turn on three related concerns First the book situates China's changing sexual culture and the nature of its governance in the socio political history of the PRC Second it shows how China's shift to a rule of law has generated conflicting conceptions of citizenship and the associated rights of individuals as sexual citizens Finally the book demonstrates that the Chinese state does not operate strictly to repress sex it also is implicated in the creation of new spaces for sexual entrepreneurship expertise and consumption This comprehensive study is a valuable resource for scholars in the fields of sexuality studies and post socialist societies and culture directly appealing to both East Asia and China specialists The Single-child Family Toni Falbo, 1984-05-30 *Family Constellation* Walter Toman, 1993 The Newest edition of this classic work is presented in an updated format Dr Toman's revisions to the text include new interpretations of statistical data a questionnaire for reader use and a fully updated bibliography *Sex Selection of Children* Neil G. Bennett, 2012-12-02 Sex Selection of Children explores the strategies used to control the sex of children the conditions under which a couple would employ a given technique and the technology to achieve their desired family composition It also considers the social consequences of sex selection techniques the legal factors that might impinge on the use of such a technology and the ethical considerations associated with its use Organized into 10 chapters this book begins with an overview of some of the more humorous past approaches to sex selection It then discusses the effects of sex selection on fertility sex selection by means of amniocentesis and selective abortion and the theorized link between the timing of fertilization and the sex ratio of offspring A chapter considers a decision making model that describes the use of sex selection techniques by couples who wish to have a specific number of children over their entire childbearing period while another chapter analyzes the economics of sex preference and selection The remaining chapters address the parental preferences about the sexes of their offspring in different societies the legal aspects of prenatal sex selection a moral policy for sex choice and the ethics and public policy on sex choice This book is a valuable resource for specialists involved in fields ranging from sociology and economics to biology public health law and ethics Sex Industry Slavery Robert Christmas, 2020-11-03 Sexual exploitation and human sex trafficking is a multi billion dollar international industry that preys on youth Written by veteran police officer Robert Christmas Sex Industry Slavery is an impactful read for anyone who wants to know more about this serious Canadian problem Many young women are coerced into oppressive relationships in the sex industry often starting in childhood There are numerous barriers and challenges for children who are vulnerable to exploitation as well as for survivors striving to leave the sex industry however there are also

many opportunities to help them Based on Christmas s award winning research in Manitoba this book includes gut wrenching stories from survivors social workers police officers lawmakers and activists Representing decades of collective knowledge Sex Industry Slavery presents first hand perspectives on the problem and proposes practical solutions **China's One-Child Family Policy** E. Croll,1985-07-22 **Sex and the Single Child** Sam Levenson,1969 *The Sex Effect* Ross Benes,2017-04-04 A gripping exploration of the relationship between sex and our society with a foreword by bestselling author A J Jacobs Why do political leaders become entangled in so many sex scandals How did the U S military inadvertently help make San Francisco a mecca of gay culture And what was the original purpose of vibrators Find out the answers to all these questions and more as journalist Ross Benes delves into the complicated relationship between everyday human life including religion politics and technology and our sexuality Drawing on history psychology sociology and more The Sex Effect combines innovative research and analysis with captivating anecdotes to reveal just how much sex shapes our society and what it means for us as humans as we continue to struggle with the wide ranging effects our sexuality has on the world around us **Sex, Sexuality, Law, and (In)justice** Henry F. Fradella,Jennifer M. Sumner,2016-02-26 Sex Sexuality Law and In Justice covers a wide range of legal issues associated with sexuality gender reproduction and identity These are critical and sensitive issues that law enforcement and other criminal justice professionals need to understand The book synthesizes the literature across a wide breadth of perspectives exposing students to law psychology criminal justice sociology philosophy history and where relevant biology to critically examine the social control of sex gender and sexuality across history Specific federal and state case law and statutes are integrated throughout the book but the text moves beyond the intersection between law and sexuality to focus just as much on social science as it does on law This book will be useful in teaching courses in a range of disciplines especially criminology and criminal justice history political science sociology women and gender studies and law **From One Child to Two Children** Shibe Ni,2023-12-30 This book dissects the reproductive intentions and behaviours of the one child generation cohort in China situated in the wider context of changing family life patterns and gendered lenses Demonstrating that the one child family is still favoured by the one child generation this book uncovers the socioeconomic dimensions and mechanisms of family relations underlying young people s decision making processes It also incorporates individual considerations and experiences of childbearing from over 50 interviews to contribute to the development of China s social policy Whereas men s childbearing beliefs were relatively unexplored in the literature the author included male interviewees to better reflect gender differences in relation to childbearing employment and family Analysing the relationship between life routine and the desire or lack thereof to increase China s population the author argues that the current childbearing policy fails to accommodate the needs and demands of young people thus limiting the uptake of China s new policy *The Registrar General's Statistical Review of England and Wales for the Year ...* ,1940 *An Introduction to Psychoanalytic Theory of Motivation* Walter Toman,2013-10-22 An Introduction to Psychoanalytic

Theory of Motivation details the fundamental concepts in applying the psychoanalytic theory in understanding motivation The title addresses the shortcomings of the psychoanalytic theory particularly the lack of scientific literature The first part of the text covers the critical concepts in psychoanalytic theory such as the psychological forces defense mechanisms superego and primal desires In the second part the selection details the theory at work this part discusses the major stages of life from a psychoanalytic perspective The text also talks about a system of psychopathology along with the consideration to take in psychotherapy The book will be of great interest to students researchers and practitioners of behavioral science

**Gender-Biased Sex Selection in South Korea, India and Vietnam** Laura Rahm,2019-07-18 This book provides an in depth analysis of the influence of public policy on sex selection Three Asian countries were chosen for the comparative policy analysis namely South Korea India and Vietnam that share in common a historical legacy of son preference high levels of sex imbalances and active policy response to curbing the growing demographic masculinization of their nations The research based on the data collected from field work in the three countries shows that despite the adoption of very similar anti sex selection policies the outcomes have been markedly different for each of the three countries These unexpected diverse outcomes are explained partly by their different historical and cultural contexts and partly to the different social political and economic institutions and dynamics This monograph offers careful and detailed explanations of both within and across country diversities in policy outcomes pointing to the importance and the limits of cross national policylearning and adoption and raising questions about the efficacy of international organizations current approaches to global policy and knowledge transfer

Sex And The Single Child: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have captivated audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
