Inhorn, Wendy Chavkin, José-Alberto Navarro, 2014-10-01 Using an entirely new conceptual vocabulary through which to understand men's experiences and expectations at the dawn of the twenty first century this path breaking volume focuses on fatherhood around the globe including transformations in fathering fatherhood and family life It includes new work by anthropologists sociologists and cultural geographers working in settings from Peru to India to Vietnam Each chapter suggests that men are responding to globalization as fathers in creative and unprecedented ways not only in the West but also in numerous global locations **Redeeming Gender** Adrian Thatcher, 2016-06-27 *Redeeming Gender* argues that the problems about sexuality which continue to sap the churches energies are really about gender The dominant understanding of women's bodies in the

Christian West has been that they are inferior versions of the superior male body This one sex model of the human body was replaced during the Enlightenment with a model of two opposite sexes However both models are inadequate for a theological or a secular understanding of the sexed body In this innovative work Adrian Thatcher envisages relations between women and men no longer blighted by long term patriarchy androcentrism and sexism in church and world but redeemed from these structural sins by the grace of Jesus Christ Dissected into two parts Part One explains the legacy of both the one sex and two sex theories It uncovers the one sex theory and its assumptions and indicates its presence in early Christian thought It then describes what happened in our social intellectual and theological history which leaves us thinking that there are two sexes In Part Two Thatcher contributes to an emerging theology of gender in which women and men are fully and equally valued and in which sexual difference insofar as it exists at all is capable of transformation into joyful communion reflecting the very life of God the Holy Trinity He exposes the reliance of much Church and theological teaching about sex and gender either on biblical proof texts or upon the language and nomenclature of late modernity rather than upon considerations of Theology and Christology Thatcher also indicates how Theology and Christology in the area of gender envisions the redemption of human relationships
