**Routledge Library Editions: Women and Crime** Various Authors, 2022-07-30 This set reissues five books on the subject of women and crime The titles which were originally published between 1930 and 1996 include a book of case studies of female criminals a comprehensive annotated bibliography on the social conflict and change of women in crime and essays which examine the construction of women in criminology This set will be of particular interest to students of both criminology and women s studies      *Erotics and Politics* Tim Edwards, 2012-11-12 *Erotics and Politics* provides an interface between the study of sexuality particularly gay male studies and gender primarily feminism In doing so it covers a wide range of issues of concern to gay and feminist movements over the past twenty five years including gay liberational sexuality sado masochism pornography promiscuity personal relationships AIDS and postmodernity The central focus of attention throughout is the nature development and consequence of gay male sexuality and masculinity This book is unique in its coverage of a wide range of issues and connecting subjects which are typically examined separately      **Female Psychology** Eleanor Schuker, Nadine A. Levinson, 2020-09-23 This book provides a psychoanalytic perspective on female psychology and includes articles with divergent theoretical viewpoints It is useful for both research and clinical study and may also provide a bridge to scholars teachers and clinicians outside of psychoanalysis itself      The New Soviet Man and Woman Lynne Attwood, 1990-10-12 An analysis of Soviet writings on sex and gender the climate and thought around them and their implications for the development of male and female personality differences Aspects covered include the sociological and demographic approaches to sex differences      The Language of Love and Guilt Ruth Wodak, Muriel Schulz, 1986-01-01 Although mother and daughter are two central female roles they have rarely been investigated The relationship is specific certainly different than the mother son or father daughter relationships And this difference manifests itself in sex specific language behavior Despite eternal features of the mother daughter relationship its quality is affected by individual psychological and by sociocultural variables Thus investigations took place in two big cities with very different structures and traditions Vienna and Los Angeles This is the first cross cultural study which reflects and combines multiple linguistic socio psycholinguistic and text linguistic categories approaches and methods to be able to investigate such an important topic as family relationships and the place of women nowadays in our societies      **Crossing the Barriers : A Study of Shashi**

**Deshpande's Fiction** Dr. Sunita Goyal, 2021-11-25 About the book The book is a compact and authoritative study of the female characters in Deshpande's novels from psychoanalytical point of view using mainly Karen Horney's theory of neurosis and the theories of a few other Western feminist theorists and feminist psychoanalysts such as Carol Gilligan Virginia Woolf Nancy Chodorow Sandra Gilbert and Susan Gubar Juliet Mitchell Luce Irigaray Helene Cixous and Julia Kristeva These theories attempt to trace the causes of conflicts and neuroses in women their coping strategies their self analyses and their journey towards reconciliation when they start articulating their individual urge and asserting their selves not only as daughters wives and mothers but also as autonomous and self actualized women Thorough in content stimulating in approach here is an invaluable companion to Deshpande's texts Key Variables in Social Investigation Robert Burgess, 2018-05-11 Key Variables in Social Investigation encourages sociologists and other social scientists to think about the conceptual and empirical problems of using and evaluating key variables in social research The book contains reviews of ten major variables age gender race and ethnicity health and illness education social class and occupation work employment and unemployment and unemployment leisure politics and voluntary ways in which concepts can be specified and translated into variables and indicators **Current Catalog** National Library of Medicine (U.S.), First multi year cumulation covers six years 1965-70 **On the Way to Self** Johanna Krout Tabin, 1985 Traces the psychological development of young children during the first two years discusses the psychological roots of anorexia nervosa and suggests a new theory of personality **Routledge Library Editions: Women and Politics** Various, 2021-06-23 Routledge Library Editions Women and Politics 9 Volume set presents titles originally published between 1981 and 1993 The set draws attention to the importance of women and how their presence and active involvement in politics and related fields during the twentieth century has been crucial throughout the world **Fabian Couples, Feminist Issues** Reva Pollack Greenburg, 2019-01-15 In the three decades before the First World War the relationship between socialism and feminism was both curious and convoluted Despite strong theoretical links between these ideologies class and sex seem to have inspired conflicting loyalties and opposing demands In Britain the uniquely middle class reform minded Fabian Society might have been expected to bridge the gap between these movements Yet between 1884 and 1914 the Fabian Society's record on the woman question was highly inconsistent and at times overtly regressive Originally published in 1987 this title looks at three of the most influential members Sidney Webb George Bernard Shaw and Hubert Bland and the women they were married to who were also active in the Society **The Development of Personality, Self, and Ego in Adolescence** Richard M. Lerner, Laura E. Hess, 1999 First published in 1999 Routledge is an imprint of Taylor Francis an informal company **Handbook of Child Psychology and Developmental Science, Socioemotional Processes**, 2015-03-31 The essential reference for human development theory updated and reconceptualized The Handbook of Child Psychology and Developmental Science a four volume reference is the field defining work to which all others are compared First published in 1946 and now in its Seventh Edition the Handbook

has long been considered the definitive guide to the field of developmental science Volume 3 Social Emotional and Personality Development presents up to date knowledge and theoretical understanding of the several facets of social emotional and personality processes The volume emphasizes that any specific processes function or behavior discussed in the volume co occurs alongside and is inextricably affected by the dozens of other processes functions or behaviors that are the focus of other researchers work As a result the volume underscores the importance of a focus on the whole developing child and his or her sociocultural and historical environment Understand the multiple processes that are interrelated in personality development Discover the individual cultural social and economic processes that contribute to the social emotional and personality development of individuals Learn about the several individual and contextual contributions to the development of such facets of the individual as morality spirituality or aggressive violent behavior Study the processes that contribute to the development of gender sexuality motivation and social engagement The scholarship within this volume and as well across the four volumes of this edition illustrate that developmental science is in the midst of a very exciting period There is a paradigm shift that involves increasingly greater understanding of how to describe explain and optimize the course of human life for diverse individuals living within diverse contexts This Handbook is the definitive reference for educators policy makers researchers students and practitioners in human development psychology sociology anthropology and neuroscience

Feminist Thought Rosemarie Putnam Tong, 2013-07-09 A classic resource on feminist theory Feminist Thought offers a clear comprehensive and incisive introduction to the major traditions of feminist theory from liberal feminism radical feminism and Marxist and socialist feminism to care focused feminism psychoanalytic feminism and ecofeminism The fifth edition has been thoroughly revised and now includes a new chapter on Third Wave and Third Space Feminism Also added to this edition are significantly expanded discussions on women of color feminisms psychoanalytic and care feminisms as well as new examinations of queer theory LGBTQ and trans feminism Learning tools like end of chapter discussion questions and the bibliography make Feminist Thought an essential resource for students and thinkers who want to understand the theoretical origins and complexities of contemporary feminist debates

**Advances in Psychological Science: Social, personal, and cultural aspects** John G. Adair, David Bélanger, Kenneth L. Dion, Michel Sabourin, 1998 The volumes Advances in Psychological Science are the most timely reviews for a person who wants an up to date state of the art description of selected topics in psychology These volumes will be useful for the graduate student to get a perspective on the latest developments in psychology today The chapters are written in a non technical manner i e not for the specialist but for the educated psychologist who wishes to see developments across the spectrum of psychology They may be used for teaching or by experts who wish an overview of recent advances in their science The chapters uniquely reflect the international or global character of psychology both in the authors selected to write them and in their coverage of research from around the world Volume 1 contains original contributions to the social personal and cultural aspects of the discipline
