

Honeymoon Prep Guide

Marriage is more than the honeymoon and the honeymoon is more than sex...but all the talk and anticipation surrounding it tend to make that the focus. It can definitely feel overwhelming. Rest assured that it's perfectly normal to be nervous about it. There's a lot of new things happening all of a sudden! And there's a lot of pressure to know everything and to "do it right."

But do you really have to know it all? No! Your honeymoon is just the beginning of your marriage. It's just the start of the most sacred and precious experiences of your life. Remember that intimacy isn't just sex. It's so much more than a bodily exchange. It is spiritual, emotional, and physical. It's a unique oneness that only marriage can bring. And it's beautiful.

Also know that this is entirely between you and your husband. Don't compare yourself to other couples, or to what you've heard or seen in movies. Every couple is different, so every honeymoon will look different. And that's ok. You're supposed to make it yours and enjoy all the new things together!

All that being said, there are plenty of things you can do to prepare for your honeymoon to help make it go smoothly and fun! And it's definitely ok to prepare! You can read through this guide as soon as you get engaged, but most of the preparations would be best done about 1-2 months before your wedding. This gives you ample time to complete it, but also helps you be careful to not go too deeply too soon.

So, without further ado, here is how to best prepare for your honeymoon!

Prepare on Your Own

frustrated with their love lives and their sex lives The authors of this book claim that Christian men should be the greatest lovers in the world and then work to show men how to do it They help men learn what the Bible says about a healthy sex life discover how to relate to women as men instead of as boys address psychological and spiritual issues that interfere with healthy sexuality learn specific techniques that create a strong relationship great foreplay and passionate sex Solidly based in Scripture and informed by the experiences of the authors all respected sex therapists What Wives Wish Their Husbands Knew about Sex dispels the myths that keep good Christian men from experiencing sex as God meant it to be Perfect for any man it is also a great book for counselors and pastors who work with men **A Healthy Christian That Pleases God** Elder William D.
