Sex Laws Stereotypes

Chris Ashford, Alexander Maine

Sex Laws Stereotypes:

Gender Stereotyping Rebecca J. Cook, Simone Cusack, 2011-07-19 Drawing on domestic and international law as well as on judgments given by courts and human rights treaty bodies *Gender Stereotyping* offers perspectives on ways gender stereotypes might be eliminated through the transnational legal process in order to ensure women's equality and the full exercise of their human rights A leading international framework for debates on the subject of stereotypes the Convention on the Elimination of All Forms of Discrimination against Women was adopted in 1979 by the UN General Assembly and defines what constitutes discrimination against women It also establishes an agenda to eliminate discrimination in all its forms in order to ensure substantive equality for women Applying the Convention as the primary framework for analysis this book provides essential strategies for eradicating gender stereotyping Its proposed methodology requires naming operative gender stereotypes identifying how they violate the human rights of women and articulating states obligations to eliminate and remedy these violations According to Rebecca J Cook and Simone Cusack in order to abolish all forms of discrimination against women priority needs to be given to the elimination of gender stereotypes While stereotypes affect both men and women they can have particularly egregious effects on women often devaluing them and assigning them to subservient roles in society As the legal perspectives offered in *Gender Stereotyping* demonstrate treating women according to restrictive generalizations instead of their individual needs abilities and circumstances denies women their human rights and fundamental freedoms

Sexual Harassment in the Workplace: Law & Practice, 5th Edition Conte, 2019-11-13 *Sexual Harassment in the Workplace Law and Practice*

The Oxford Handbook of Feminism and Law in the United States Deborah L. Brake, Martha Chamallas, Verna L. Williams, 2023-07-11 Combining analyses of feminist legal theory legal doctrine and feminist social movements *The Oxford Handbook of Feminism and Law in the United States* offers a comprehensive overview of U S legal feminism Contributions by leading feminist thinkers trace the impacts of legal feminism on legal claims and defenses and demonstrate how feminism has altered and transformed understandings of basic legal concepts from sexual harassment and gender equity in sports to new conceptions of consent and motherhood Its chapters connect legal feminism to adjacent intellectual discourses such as masculinities theory and queer theory and scrutinize criticisms and backlash to feminism from all sides of the political spectrum Its examination of the prominent brands of feminist legal theory shows the links and divergences among feminist scholars highlighting the continued relevance of established theories liberal dominance and relational feminism and the increased importance of new intersectional sex positive and postmodern approaches Unique in its triple focus on theory doctrine and social movements the Handbook recounts the history of activist struggles to pass the Equal Right Amendment the Anti Rape and Battered Movements of the 1970s the contemporary movements for reproductive justice and against campus sexual assault as well as the MeToo movement The emphasis on theory and feminist practice animates discussions of feminist legal pedagogy and feminist influences on judges and judicial decision making Chapters on

emerging areas of law ripe for feminist analysis explore foundational subjects such as contracts tax and tort law and imagine feminist and social justice approaches to digital privacy and intellectual property law environmental law and immigration law The Handbook provides a broad picture of the intellectual landscape and allows both new and established scholars to gain an in depth understanding of the full range of feminist influence on U S law *Gender Justice and the Law* Elaine Wood,2020-11-16 *Gender Justice and the Law* presents a collection of essays that examines how gender as a category of identity must continually be understood in relation to how structures of inequality define and shape its meaning It asks how notions of justice shape gender identity and whether the legal justice system itself privileges notions of gender or is itself gendered Shaped by politics and policy *Gender Justice* essays contribute to understanding how theoretical practices of intersectionality relate to structures of inequality and relations formed as a result of their interaction Given its theme the collection s essays examine theoretical practices of intersectional identity at the nexus of gender and justice that might also relate to issues of sexuality race class age and ability *Gender-Sensitive Norm Interpretation by Regional Human Rights Law Systems* Maria Sjöholm,2017-09-25 In *Gender Sensitive Norm Interpretation by Regional Human Rights Law Systems* Maria Sjöholm examines the jurisprudence on gender based harm in the European Inter American and African regional human rights law systems from the viewpoint of feminist legal methods and theories By offering indicators relevant for gender sensitive norm interpretation Maria Sjöholm identifies inconsistencies in the current regional legal frameworks with regard to the protection of women concerning such violations as domestic violence human trafficking sexual violence forced sterilization and restrictions on other reproductive rights The book offers an in depth account not only of the manner in which such harm has been recognized through integration in general human rights law treaties but also the categorization of such as particular human rights norms by regional human rights courts and commissions *Employee Dismissal Law and Practice, 6th Edition* Perritt,2018-01-01 Whether your case involves a public or private sector job a downsizing or termination for cause *Employee Dismissal Law and Practice* provides the guidance you need in this rapidly evolving area of employment law Providing in depth analysis of the common law and statutory wrongful dismissal doctrines as well as practical guidance on all aspects of employee dismissal litigation from complaints through jury instructions *Employee Dismissal Law and Practice* is an invaluable resource for evaluating and litigating a wrongful discharge case *Employee Dismissal Law and Practice* brings you up to date on the latest cases statutes and developments including New cases on implied contract for Alaska Colorado and Montana New cases on public policy tort for Indiana Iowa Kansas Maryland Missouri Montana Ohio South Carolina Tennessee and Washington New cases on implied covenant of good faith and fair dealing for Alaska Massachusetts and Montana Discussion of a new case on union fair representation A new case on special consideration requirement for oral promises New cases on what constitutes a breach of the implied covenant New cases on clarity element of public policy tort New cases on jeopardy element of public policy tort A new case explaining that a public policy tort

liability for refusing to participate in illegal conduct does not require proof of a report to an outside agency A new case discussing what constitutes improper interference with contract New cases on what constitutes a constitutionally protected property interest New cases on preclusive effect of administrative agency determinations New cases on standards for punitive damages A new case on statutory whistleblower protection for internal complaints about fellow employees Sex, Morality, and the Law Lori Gruen, George E. Panichas, 1997 First Published in 1997 Routledge is an imprint of Taylor Francis an informa company The Law of Sexual Harassment Mane Hajdin, 2002 No previous familiarity with the law of sexual harassment is assumed other than the general knowledge that any casual reader of newspapers is bound to have The book is devoted to arguments that are addressed to all open minded readers who wish to think about the topic critically BOOK JACKET *Law and Gender in Modern Ireland* Lynsey Black, Peter Dunne, 2019-02-21 Law and Gender in Modern Ireland Critique and Reform is the first generalist text to tackle the intersection of law and gender in this jurisdiction for over two decades As such it could hardly have come at a more opportune moment The topic of law and gender perhaps more so than at any other time in Irish history has assumed a dominant place in political and academic debate Among scholars and policy makers alike the regulation of gendered bodies and the legal status of sexual and gendered identities is now a highly visible fault line in public discourse Debates over reproductive justice exemplified by the recent referendum to remove the 8th Amendment increased rights for lesbian gay bisexual and transgender persons including the public sanctioned introduction of same sex marriage and the historic mistreatment of women and young girls have re shaped Irish public and political life and encouraged Irish society to re examine long unchallenged gender norms While many traditional flashpoints remain such as abortion and prostitution sex work there are also new questions including surrogacy and the gendered experience of asylum frameworks which have emerged As policy makers seek to enact reforms they face a population with increasingly polarised perceptions of gender and a legal structure ill equipped for modern realities This edited volume directly addresses modern Irish debates on law and gender Providing an overview of the existing rules and standards as well as exploring possible options for reform the collection stands as an important statement on the law in this jurisdiction and as an invaluable resource for pursuing gendered social change While the edited collection applies a doctrinal methodology to explain current statutes case law and administrative practices the contributors also invoke critical gender queer and race perspectives to identify and problematise existing and potential challenges This edited collection is essential reading for all who are interested in law gender and processes of social change in modern Ireland **Contemporary Challenges to Human Rights Law** Richard Lang, Jack Clayton Thompson, Claire-Michelle Smyth, 2020-04-30 This collection of essays highlights the many problems and challenges facing human rights law today Bringing together academics practitioners and NGOs it examines some of the contemporary challenges facing human rights law and practice in England Northern Ireland the Republic of Ireland France and America It is clear that we live in a time where human rights are in crisis A decade of

austerity measures at the domestic regional and international levels evidently has had a detrimental effect on the protection of human rights Cuts to social spending have resulted a failing social welfare system a health service buckling under pressure unprecedented rises in homelessness and child poverty and the emergence of the working poor and zero hours contracts Austerity famine civil war oppressive governmental regimes and climate change have seen vast migrations resulting in a resurrection of far right wing ideology In the UK this is seen in what can only be described as propaganda and scaremongering during the campaign for Brexit and in subsequent political elections evidenced by the increase in racially motivated hate crime within the UK The landscape of human rights is such that it has resulted in some beginning to question are human rights rights at all

Philosophical Foundations of Constitutional Law David Dyzenhaus, Malcolm Thorburn, 2016

Constitutional law has been and remains an area of intense philosophical interest and yet the debate has taken place in a variety of different fields with very little to connect them In a collection of essays bringing together scholars from several constitutional systems and disciplines Philosophical Foundations of Constitutional Law unites the debate in a study of the philosophical issues at the very foundations of the idea of a constitution why one might be necessary what problems it must address what problems constitutions usually address and some of the issues raised by the administration of a constitutional regime Although these issues of institutional design are of abiding importance many of them have taken on new significance in the last few years as law makers have been forced to return to first principles in order to justify novel practices and arrangements in their constitutional orders Thus questions of constitutional revolutions challenges to the demands of the rule of law and the separation of powers have taken on new and pressing importance The essays in this volume address these questions filling the gap in the philosophical analysis of constitutional law The volume will provoke specialists in philosophy politics and law to develop new philosophically grounded analyses of constitutional law and will be a valuable resource for graduate students in law politics and philosophy

International Human Rights Law and Protection Against Gender-Based Harm on the Internet Maria Sjöholm, 2022-10-24

This book analyses gender based offences on the Internet from the perspective of international human rights law interwoven with rights theories and feminist legal theories It investigates whether international human rights law is applicable in regulating harmful online conduct and speech with a focus on sexual violence various forms of harassment sexist hate speech and harmful pornography This involves assessing whether gender based online offences are considered violations of international human rights law and if they are recognised as such explicitly or by way of interpretation the extent of state obligations The book reviews a range of international law sources such as selected international human rights law treaties case law soft law documents and academic scholarship The application of general human rights law provisions to the online sphere is evaluated by considering the online offline coherence of provisions as well as potential gaps inconsistencies and disadvantages that exist in the regulation of online gender based offences The makeup aim and effect of social spheres areas of law and legal principles are thus assessed in

relation to gender and the Internet Aspects discussed include the architecture of the Internet the structure of public international law the harm principle as employed in domestic law and international human rights law and the scope of particular rights mainly involving the freedom of expression and the right to privacy Working from the premise that the transposition of international human rights law to the Internet must ensure the former's functionality and effectiveness the book argues that a contextual application of rights is called for This requires assessing what is harmful online including the effects of online speech and conduct and what are effective means of regulating liability on the Internet In turn such assessments require a gender sensitive approach

Feminist Judgments Kathryn M. Stanchi, Linda L. Berger, Bridget J. Crawford, 2016-08-02 What would United States Supreme Court opinions look like if key decisions on gender issues were written with a feminist perspective Feminist Judgments brings together a group of scholars and lawyers to rewrite using feminist reasoning the most significant US Supreme Court cases on gender from the 1800s to the present day The twenty five opinions in this volume demonstrate that judges with feminist viewpoints could have changed the course of the law The rewritten decisions reveal that previously accepted judicial outcomes were not necessary or inevitable and demonstrate that feminist reasoning increases the judicial capacity for justice Feminist Judgments opens a path for a long overdue discussion of the real impact of judicial diversity on the law as well as the influence of perspective on judging

Critical Caribbean Perspectives on Preventing Gender-Based Violence Ramona Biholar, Dacia L. Leslie, 2022-06-01 This book explores the widespread problem of gender based violence in the Anglophone Caribbean exploring reasons for its perpetuation and proposing viable policy and programming solutions to prevent it Drawing on the work of a multidisciplinary team of Caribbean researchers and practitioners the book explores the ways in which violence victimisation and perpetration have been socially and institutionally shaped and supported by fixed gender codes Key themes in the book include the institutional frameworks and structural inequalities that perpetuate gender based violence the role of the church both in perpetuating the problem and its potential to combat it the role of law access to justice and governmental and non governmental responses to gender based violence The book covers violence against women but also explores women as perpetrators men and boys as victims and gender based violence against young persons It also demonstrates the ways in which gender based violence can further marginalise already marginalised groups such as members of the LGBTQ community or persons with disabilities Bridging the divide between academia government and civil society this book challenges the normalisation of gender based violence in the Anglophone Caribbean and proposes viable culturally relevant solutions for prevention It will be of interest to researchers and practitioners working on issues related to gender the Caribbean global development criminology and human rights

Law, Gender Identity, and the Brain Aileen Kennedy, 2023-12-08 This book challenges law's reliance on neurology's brain sex binary The brain has become the latest candidate in a historical search for a reliable and fixed biological marker of true sex that has permeated every aspect of Western culture including law As definitions of the sexed

and gendered body have become ever more contentious the development and dissemination of brain sex theories have come to dominate popular understanding of LGBTI identities But this book argues the brain is no more helpful than earlier biological measures in ensuring just outcomes Examining how law determines and differentiates male and female in two contested areas of sexed identity through a discussion of Australian cases authorising medical interventions to alter the embodied sex characteristics of transgender minors and intersex minors the book demonstrates an incoherence in the legal understanding of gender identity development As the brain too fails as a convincing biological anchor for the binary sex categories of male and female law must it is argued retreat from its aspiration to create define and regulate artificially bounded sex categories of male and female This book will be of great interest to scholars and students in a range of disciplines who are working at the intersection of law gender and sexuality

Employee Dismissal Law and Practice, 7th Edition Perritt,2019-12-17 Whether your case involves a public or private sector job a downsizing or termination for cause violation of employer policies failure to keep a specific promise adverse action for claiming employee rights or whistle blowing *Employee Dismissal Law and Practice* provides the guidance you need in this rapidly evolving area of employment law Providing in depth analysis of the common law and statutory wrongful dismissal doctrines as well as practical guidance on all aspects of employee dismissal litigation from complaints through jury instructions *Employee Dismissal Law and Practice Online* is an invaluable resource for evaluating and litigating a wrongful discharge case *Employee Dismissal Law and Practice* brings you up to date on the latest cases statutes and developments including New case law for Illinois Iowa Pennsylvania South Dakota Washington and West Virginia New section on discrimination based on immigration status New reference for state qui tam suits New case law on specific enumeration of disciplinary causes or steps giving rise to inference of employment security New case law on disclaimers New case law on identifying sources of public policy clearly New case law on constitutional provisions satisfying the clarity element of a public policy tort New case law on jeopardy to public policy when statutory remedies exist New case law on jeopardy to public policy when the contract protects employees Extensive analysis of the Supreme Court's *Epic Systems* decision and its implications for employee class actions New analysis of notice pleading requirements in employment cases New case law on whistleblower protection of shareholder employees New case law on the scope of public sector whistleblower protections New case law on the availability of non economic damages in statutory whistleblower cases New chapter on settlement negotiations with a computer program to estimate the best alternative to a negotiated agreement or reservation price

Gender, Sexuality and Law Chris Ashford,Alexander Maine,2024-10-03 This textbook combines pioneering feminist and queer judgments and statutes with critical and intersectional theories to provide a comprehensive overview of the field of gender sexuality and law A diverse range of socio legal experts set out the theoretical and legal foundations of the topic before examining the ongoing struggle for rights and contemporary dissenting voices
