**Sex Tourism on the Kenyan Coast** Rose Omondi, Chris Ryan, 2024-08-28 This book challenges many suppositions surrounding sex tourism suggesting that elderly males who seek romance and are caught up in their fantasies of finding love with exotic black women are taken advantage of even while the women are often deluding themselves when searching for the mzungu who will enable them to fulfil their dreams of travel house ownership and comfort It is a complex story based on research into the lives of the sex workers obtained from a study conducted over 12 months in the bars and nightclubs of the Kenyan coast Fortunes are made and lost but the tragedy is that the success of the few in achieving their dreams becomes a false promise for the majority who seek to emulate the success of the few The book will be of immense value to those interested in gender studies and indeed those who hold an interest in the complexities of sex work **Sex Tourism in**

**Africa** Wanjohi Kibicho, 2016-04-01 Illustrated by in depth empirical research from Kenya one of the most popular country destinations in Africa for sex tourism this book gathers much needed statistics and data and then critically examines the features of tourism and the sex trade contextualizing this in relation to tourism development It addresses the conditions which generate this social problem and while not taking a potentially problematic moralistic stance it questions whether this trade is exploitative in nature particularly in cases of child sex tourism It then critically evaluates the current policies in place to regulate the sex tourism industry and provides suggestions for future direction **Family Sex Safari** Chita Chitty, Eva

**When Babel Tower Is Falling Down** Alexander Raju, 2014-09-16 When Babel Tower Is Falling Down is a domestic novel from the author of the allegorical novels The Haunted Man 1997 and Upon This Bank and Shoal 2008 which makes us rethink about the beauty of natural human relationships presently contaminated by the craze for individual freedom We live in a world in which the voice of modern education has taught us to ignore the sanctity of social life in general and of conjugal life in particular and compelled us to follow the animal instincts of mere survival We failed to realize the significance of abstinence self control and sacrifice misunderstood the blessings of rationality considered sex as a mere biological need and sought the means of selfish opportunism to gain pleasure We accepted our mental perversions as natural guidelines for a satisfied individual life and forgot the value of disciplined

freedom in the attainment of conjugal bliss and happiness The conjugal life of Rajesh and his paranoid wife Geetha is the pivot around which more than three hundred real or fictitious persons create a social milieu portraying the agony and misery faced by modern families If the Tower of Babel was an attempt made by man to reach heaven the builders had to face physical emotional and intellectual impediments Here the Tower of Babel stands as a symbol of human efforts to attain heavenly conjugal bliss and Language as the divine gift given to prudent couples at times leading individuals to equivocation to reciprocal understanding or misunderstanding We live in a world where every individual is aware of the limitations of language We are confused and we misunderstand each other to the instability of language and undecidability of meaning We ignore the fact that our life and experiences are governed by certain ideologies which are built into our language and thereby language is no longer a reliable mode of communication From the heart of every man and woman comes the deep sigh Oh God I m helpless I can t communicate with my spouse When the partners in family life fail to understand each other s language this Babel Tower falls down Through the nostalgic experiences of the narrator in between two flights from Ethiopia to India and back the novel brings out certain tragic realities to remind the readers about the very delicate issues akin to successful family life Alexander Raju s novel When Babel Tower Is Falling Down is a valuable contribution to Indian English Diasporic Literature
