Sex and Racism in America Calvin C. Hernton, 1965 *Sex and Racism in America* Calvin C. Hernton, 1965 *Sex and Racism* Calvin C. Hertton, 1965 **Sex and Racism** Calvin C. Hernton, 1969 *Sexual Racism and Social Justice* Denton Callander, Panteá Farvid, Amir Baradaran, Thomas A. Vance, 2024 This book brings together a collection of research personal reflection and creative work to provide a comprehensive in depth account of sexual racism from an international and interdisciplinary perspective The volume makes the case that sexual racism is in the very foundations of our societies determining the ideas bodies and systems positioned as desirable From this provocative perspective *Sexual Racism and Social Justice* offers a new understanding of the relationship between sex and race arguing that to undesign whiteness is to help undo sexual racism which are essential steps in the meaningful advancement of social justice *Sexual Racism* Charles Herbert Stember, 1976 **The Dialectic of Sex** Shulamith Firestone, 2003-03-05 No one can understand how feminism has evolved without reading this radical inflammatory second wave landmark Naomi Wolf Originally published in 1970 when Shulamith Firestone was just twenty five years old and going on to become a bestseller *The Dialectic of Sex* was the first book of the women s liberation movement to put forth a feminist theory of politics Beginning with a look at the radical and grassroots history of the first wave with its foundation in the abolition movement of the time Firestone documents its major victory the granting of the vote to women in 1920 and the fifty years of ridicule that followed She goes on to deftly synthesize the work of Freud Marx de Beauvoir and Engels to create a cogent argument for feminist revolution Identifying women as a caste she declares that they must seize the means of reproduction for as long as women and only women are required to bear and rear children they will be singled out as inferior Ultimately she presents feminism as the key radical ideology the missing link between Marx and Freud uniting their visions of the political and the personal In the wake of recent headlines bemoaning women s squandered fertility and the ongoing debate over the appropriate role of genetics in the future of humanity *The Dialectic of Sex* is revealed as remarkably relevant to today s society a testament to Shulamith Firestone s startlingly prescient vision Firestone died in 2012 but her ideas live on through this extraordinary book A must have for those interested in feminist theory both past and present Kathleen Hanna founding member of the Riot Grrrls movement *Sex & Racism* Percy Mobogo More, 2011 **The Right to Sex** Amia Srinivasan, 2021-09-21 Laser cut writing and a stunning intellect If only every writer made this much beautiful sense Lisa Taddeo author of *Three Women* Amia Srinivasan is an unparalleled and extraordinary writer no one X rays an argument a desire a contradiction a defense mechanism quite like her In stripping the new politics of sex and power down to its fundamental and sometimes clashing principles *The Right to Sex* is a bracing revivification of a crucial lineage in feminist writing Srinivasan is daring compassionate and in relentless search of a new frame Jia Tolentino author of *Trick Mirror* Reflections on Self Delusion Thrilling sharp and deeply humane philosopher Amia Srinivasan s *The Right to Sex* Feminism in the Twenty First Century upends the way we discuss or avoid discussing the

problems and politics of sex How should we think about sex It is a thing we have and also a thing we do a supposedly private act laden with public meaning a personal preference shaped by outside forces a place where pleasure and ethics can pull wildly apart How should we talk about sex Since MeToo many have fixed on consent as the key framework for achieving sexual justice Yet consent is a blunt tool To grasp sex in all its complexity its deep ambivalences its relationship to gender class race and power we need to move beyond yes and no wanted and unwanted We do not know the future of sex but perhaps we could imagine it Amia Srinivasan s stunning debut helps us do just that She traces the meaning of sex in our world animated by the hope of a different world She reaches back into an older feminist tradition that was unafraid to think of sex as a political phenomenon She discusses a range of fraught relationships between discrimination and preference pornography and freedom rape and racial injustice punishment and accountability students and teachers pleasure and power capitalism and liberation The Right to Sex Feminism in the Twenty First Century is a provocation and a promise transforming many of our most urgent political debates and asking what it might mean to be free *Fundamental Concepts and Critical Developments in Sex Education* Reece M. Malone,Tracie Q Gilbert,Catherine Dukes,Justine Ang Fonte,2025-06-25 This comprehensive resource equips emerging and experienced sexuality educators with contemporary frameworks for trauma informed equitable and anti oppressive education It provides foundational principles for development and delivery emphasizing inclusivity accessibility and intersectionality Editors Malone Gilbert Dukes and Fonte curate chapters by leading voices on topics such as historical perspectives values emotional intelligence professional humility reproductive justice neurodivergence sex work kink childhood and adolescent sexualities faith based education social media and entrepreneurship Authors demonstrate decolonization trauma informed care and equity in practice With practical applications and reflective questions this book is a vital guide for creating and teaching impactful inclusive sex education for diverse audiences *Interracial Intimacy* Rachel F. Moran,2001 Crossing disciplinary lines Moran looks in depth at interracial intimacy in America from colonial times to the present She traces the evolution of bans on intermarriage and explains why blacks and Asians faced harsh penalties while Native Americans and Latinos did not She provides fresh insight into how these laws served complex purposes why they remained on the books for so long and what led to their eventual demise As Moran demonstrates the United States Supreme Court could not declare statutes barring intermarriage unconstitutional until the civil rights movement coupled with the sexual revolution had transformed prevailing views about race sex and marriage **Sex and Racism in Amerika** Pat Hecht,1969 **Racism and Gay Men of Color** Sulaimon Giwa,2022-01-27 Sulaimon Giwa s aptly named *Racism and Gay Men of Color* arrives at a time when many of the sociocultural issues it raises have come to national attention Yet gay men of color in Canadian GLBT communities are still subject to racism and excluded both online and offline If a gay man of color is not the right color he is often the recipient of stereotypical racial epithets and denied sexual approbation within an erotic world where sexual desires are structured along

the lines of race ethnicity age disability and class Giwa warns against the denial that underlies much of this monolithic racism and highlights the strategies used by gay men of color to counter racism in their communities and to lead strong effective lives This important book will inspire advocates and activists students and scholars and will become indispensable in university and college courses on sexuality and race studies *The Ethics of Sex* Neil McArthur,2022-03-29 The Ethics of Sex An Introduction systematically and comprehensively examines the ethical issues surrounding the concept of sex It addresses important questions such as How can we approach questions of sexual ethics in a philosophical way Must we give affirmative consent to all sexual activity and what would be the impact of implementing an affirmative consent standard into law Can our dating preferences ever be considered a form of discrimination Is BDSM sex compatible with feminism Should we promote monogamy as the best way to live Is it harmful to have a relationship with a robot Should sex work be decriminalized Is there a right to sex Including discussion questions and suggestions for further reading at the end of each chapter The Ethics of Sex is the perfect philosophical introduction to the perennially topical issue and ideal reading for students taking courses within the fields of applied ethics sociology law religion and politics **Gender, Sexuality and Race in the Digital Age** D. Nicole Farris,D'Lane R. Compton,Andrea P. Herrera,2020-01-01 This book provides a unique analysis of the intersection between gender sexuality race and social media While early scholarship identified the internet as being inherently egalitarian this volume presents the internet as a real social place where inequalities matter and manifest in particular ways according to the architectures of particular platforms This volume utilizes innovative methodologies to analyze how internet users both re inscribe and resist inequalities of gender sexuality and race It describes how the internet has ameliorated and bridged geographic and numerical limits on community formation and this volume examines how the functioning of social inequalities differs on and offline **Sex and Racism in America. Sex and Racism** Calvin C. HERNTON,1969 Sexual Democracy Ann Ferguson,2019-09-16 In a book that is both a critical analysis of contemporary society and the record of a feminist intellectual odyssey Ann Ferguson one of the most influential socialist feminist theorists develops a new theory of social domination Tracing the development of socialist feminist theory from its roots in the politics of the New Left to its present p *Empire and sexuality* Ronald Hyam,2017-03-01 Established in the belief that imperialism as a cultural phenomenon had as significant an effect on the dominant as it did on the subordinate societies the Studies in Imperialism series seeks to develop the new socio cultural approach which has emerged through cross disciplinary work on popular culture media studies art history the study of education and religion sports history and children s literature The cultural emphasis embraces studies of migration and race while the older political and constitutional economic and military concerns are never far away It incorporates comparative work on European and American empire building with the chronological focus primarily though not exclusively on the 19th and 20th centuries when these cultural exchanges were most powerfully at work This work explores the sexual attitudes and activities of those who ran the British Empire The study

explains the pervasive importance of sexuality in the Victorian Empire both for individuals and as a general dynamic in the working of the system Among the topics included in the book are prostitution the manners and mores of missionaries and aspects of race in sexual behaviour *Young Adult Sexuality in the Digital Age* Kalish, Rachel, 2020-05-22 Technology is rapidly advancing and each innovation provides opportunities for such technology to mesh with the human enactment of physical intimacy or to be used in the quest for information about sexuality However the availability of this technology has complicated sexual decision making for young adults as they continually navigate their sexual identity orientation behavior and community *Young Adult Sexuality in the Digital Age* is a pivotal reference source that improves the understanding of the combination of technology and sexual decision making for young adults examining the role of technology in sexual identity formation sexual communication relationship formation and dissolution and sexual learning and online sexual communities and activism While highlighting topics such as privacy management cyber intimacy and digital communications this book is ideally designed for therapists social workers sociologists psychologists counselors healthcare professionals scholars researchers and students *Sex and Religion* Dag Ølstein Endsjø, 2012-01-01 Sex and religion are inevitably and intricately linked There are few realms of human experience other than sex in which religion has greater reach and influence The role of religion of any faith to prohibit regulate condemn and reward is unavoidably prominent in questions of sex namely with whom when how and why In *Sex and Religion* Dag Ølstein Endsjø examines the myriad and complex religious attitudes towards sex in cultures throughout the world Endsjø reflects on some of the most significantly problematic areas in the relationship between sex and religion from sex before or outside of marriage to homosexuality Through many examples from world religions he outlines what people mean by sex in a religious context with whom it is permissible to have sex how sex can be a directly religious experience and what consequences there are for deviance for both the individual and society As Endsjø explains while Buddhist monks call attention to gay sex as a holy mystery the Christian church questions a homosexual's place in the church Some religions may believe that promiscuity leads to hurricanes and nuclear war and in others God condemns interracial marriage *Sex and Religion* reveals there is nothing natural or self evident about the ways in which various religions prescribe or proscribe and bless or condemn different types of sexuality Whether sex becomes sacred or abhorrent depends entirely on how a religion defines it *Sex and Religion* is a fascinating investigation of mores meanings rituals and rules in many faiths around the globe and will be of interest to anyone curious about the intersection of these fundamental aspects of human history and experience
