

Sex And Russian Society

Thomas Lahusen, Peter H. Solomon

Sex And Russian Society:

Sex and Russian Society Igor' Semenovich Kon, James Riordan, 1993 The seven essays in *Sex and Russian Society* by Russians and Western scholars graphically describe the consequences of decades of sexual neglect illiteracy and repression *Sex and Russian Society* reveals that beneath the repressive model of official morality an evolution in sexual mores was taking place particularly among the young The book's most alarming though not unexpected message is that homosexuals and women are bearing the brunt of a disintegrating health care system and repressive sexual attitudes and stereotypes Katrina vanden Heuvel *The Nation* Here is the first serious study of the main aspects of sexuality in Russian society today with contributors from both inside and outside the former Soviet Union From the 1930s sex was kept out of the public eye in the former USSR Low contraceptive use high abortion rates intolerance toward homosexuals and inadequate measures to combat AIDS are some of the consequences of the long neglect and repression of sexual culture *The Sexual Revolution in Russia* Игорь Семенович Кон, 1995 *Sexual Diversity and the Sochi 2014 Olympics* H. Lenskyj, 2014-02-07 This book examines Russia's 2013 anti gay laws and their implications for the Sochi 2014 Olympics Lenskyj argues that Putin's Russia and the International Olympic Committee wield power in similar ways as evident in undemocratic governance fraudulent voting processes hypocrisy and absence of accountability **Family, Sex, and Faith** Pål Kolstø, 2025-01-15 *Family Sex and Faith* is the first systematic examination of what the Russian Orthodox Church ROC teaches and how believers respond to its messages regarding issues such as marriage divorce contraception abortion husband wife relations and LGBTQIA rights According to Pål Kolstø for the ROC the ethics of private life involve what Michel Foucault called biopolitics the state regulates the sex lives of its citizens to control the development of the population *Family Sex and Faith* offers a systematic analysis of aspects of the moral theology of the ROC discussing the means and strategies it employs to achieve its goals to counter resistance and to emerge victorious from the battles in which it is embroiled Although the constitution defines Russia as a secular state the ROC has achieved a privileged position in society functioning as a major provider of ideology and legitimacy for the Putin regime **Postcommunism and the Body Politic** Ellen E. Berry, 1995-07 The epidemic of mass rape in the former Yugoslavia has illustrated once again and in particularly brutal fashion the inextricable relationship between national politics sexual politics and body politics The nexus of these three forces is highly charged in any culture at any time in history but especially so among cultures in which rapid even cataclysmic changes in material realities and national self conceptions are eroding or overwhelming previously secure boundaries The postcommunist moment in the so called Second World Central and Eastern Europe and the former Soviet Union has dramatically exposed the opportunities and dangers that arise when the political cultural and economic foundations of a society are de and then re structured Gender roles and relations expressions of sexuality or attempts to recontain them representations of the body especially the female body and the larger cultural meanings it assumes are particularly marked sites to witness the performance of complex national dramas of crisis

and change This groundbreaking volume turns its attention to the Second World specifically to such subjects as the birth of the sex media and porn industry in Russia Russian women and alcoholism cinema in post communist Hungary patriotism and gender in Poland sexual dissidence in Eastern Europe and women in the former Yugoslavia go to the Genders website

Bolshevik Sexual Forensics Dan Healey, 2022-11-15 In an effort to modernize criminal and civil investigations early Bolsheviks gave forensic doctors most of whom had been trained under the tsarist regime new authority over issues of sexuality Revolutionaries believed that forensic medicine could provide scientific and objective solutions to sexual disorder in the new society *Bolshevik Sexual Forensics* explores the institutional history of Russian and Soviet forensic medicine and examines the effects of its authority when confronting sexual disorder Healey compares sex crime investigations from Petrograd and Sverdlovsk in the 1920s to the numerous publications by forensic doctors and psychiatrists of the prerevolutionary and early Soviet periods to illustrate the role that these specialists played In addition Healey presents a fascinating look at how doctors diagnosed and treated hermaphroditism showing how Soviet physicians revolutionized the standard scientific view in these cases by taking into account individual desire This study sheds light on unexplored radical and reactionary forces that shaped the Bolshevik sexual revolution as lawmakers defined new ways of seeing sexual crime and disorder Forensic doctors struggled to interpret the replacement of the age of consent with a standard of sexual maturity a designation that made female sexuality a collective resource not part of an individual's personality Innocence experience and virginity played a major role in the expertise doctors furnished in rape and abuse trials Psychiatrists recoiled from the language of sexual psychology in their investigations of sex criminals Yet in the clinic Soviet physicians probed the desires of the two-sexed citizen whose psychology served as the basis for a distinctly modern approach to the erasure of the hermaphrodite Healey concludes that the vision of men and women as equals after a sexual revolution was undermined from the outset of the Soviet experiment Law and medicine failed to protect women and girls from violence and Soviet medicine's physiological and biological model of sexual citizenship erased the vision of sexual self-expression especially for women This groundbreaking study will appeal to Soviet historians and those interested in gender studies sexuality medicine and forensics

The Politics of HIV/AIDS in Russia Ulla Pape, 2013-10-01 This book studies the role of civil society organisations in the fight against HIV/AIDS in Russia It looks at how Russia's HIV/AIDS epidemic has developed into a serious social economic and political problem and how according to the United Nations Programme on HIV/AIDS UNAIDS Russia is currently facing the biggest HIV/AIDS epidemic in all of Europe with an estimated number of 980 000 people living with HIV in 2009 The book investigates civil society organisations' contribution to social change and civil society development in post-Soviet Russia and thus situates a specific type of civil society actors into a broader socio-political context and questions their ability to represent civic interests particularly in the field of social policy making and health This allows for a better understanding of the dynamics of state-society relations in present-day Russia and gives insight into the ways HIV/AIDS NGOs in Russia have

used transnational ties in order to exert influence on domestic policy making in the field of HIV AIDS **Genders 22** Ellen E. Berry,1995-07-01 The epidemic of mass rape in the former Yugoslavia has illustrated once again and in particularly brutal fashion the inextricable relationship between national politics sexual politics and body politics The nexus of these three forces is highly charged in any culture at any time in history but especially so among cultures in which rapid even cataclysmic changes in material realities and national self conceptions are eroding or overwhelming previously secure boundaries The postcommunist moment in the so called Second World Central and Eastern Europe and the former Soviet Union has dramatically exposed the opportunities and dangers that arise when the political cultural and economic foundations of a society are de and then re structured Gender roles and relations expressions of sexuality or attempts to recontain them representations of the body especially the female body and the larger cultural meanings it assumes are particularly marked sites to witness the performance of complex national dramas of crisis and change This groundbreaking volume turns its attention to the Second World specifically to such subjects as the birth of the sex media and porn industry in Russia Russian women and alcoholism cinema in post communist Hungary patriotism and gender in Poland sexual dissidence in Eastern Europe and women in the former Yugoslavia go to the Genders website **Women's Health in Post-Soviet Russia** Michele Rivkin-Fish,2005-08-04 Russia s maternal health crisis and postsocialist transition examined through ethnographic observation in clinics and hospitals Media and Masculinities in Contemporary Russia Olga Andreevskikh,2023-12-01 Based on extensive original research this book examines the extent to which media in Russia upholds the Russian government s stance on sexuality It considers the Russian government s policies designed to uphold traditional sexuality reveals the strategies of resistance used by Russian media outlets to create positive portrayals of non heteronormative people and circumvent the restrictive 2013 legislation banning positive representations of non traditional sexual relations and highlights particular examples of subversive media practices Overall the book challenges the prevailing view that media in authoritarian regimes are completely compliant with their government s position **Health Communication in the Changing Media Landscape** Ravindra Kumar Vemula,SubbaRao M Gavaravarapu,2017-02-07 This book advances new understandings of how technologies have been harnessed to improve the health of populations whether the technologies really empower those who use information by providing them with a choice of information how they shape health policy discourses how the health information relates to traditional belief systems and local philosophies the implications for health communicators how certain forms of silence are produced when media articulates and problematizes only a few health issues and sidelines others and much more The book brings together current research and discussions on the three areas of policy practices and theoretical perspectives related to health communication approaches in developing countries presenting well researched and documented essays that will prove helpful for academic and scholarly inquiry in this area 1993 Patt Leonard,Rebecca Routh,1996 Journal articles books book chapters book reviews dissertations and

selected government publications on East Central Europe and the former Soviet Union published in the United States and Canada

The Encyclopædia of Sexual Behaviour Albert Ellis, Albert Abarbanel, 2013-10-22 The Encyclopædia of Sexual Behaviour Volume Two is an encyclopedia of sexual behavior and covers topics ranging from the linguistic aspects of sex to sex life in Latin America sex in the literature and sexual love Laws on marriage and family and on sex crimes are also discussed along with sexual perversions and the art of loving Comprised of 52 chapters this volume first deals with Judaism's attitudes and teachings on sex particularly with regard to the sexuality of women nudity and prostitution The reader is then introduced to the connection between language and sex sex life in regions such as Latin America the Orient and the Soviet Union and the portrayal of sex in literature Subsequent chapters explore sexual love as opposed to altruistic love marriage and family living menopause and the menstrual cycle movement and feeling in sex the interrelationship of music and sex and the effects of nutrition and health on sexuality Other chapters focus on phallicism and sexual symbolism planned parenthood around the world the psychology of pornography human reproduction and sex in relation to race and Protestantism This book will be of interest to psychologists and psychiatrists

The Keys to Happiness Laura Engelstein, 2018-08-06 The revolution of 1905 challenged not only the social and political structures of imperial Russia but the sexual order as well Throughout the decade that followed in the salons of the artistic and intellectual avant garde on the pages of popular romances in the staid assemblies of physicians psychiatrists and legal men the talk everywhere was of sex This eagerly awaited book echoing the title of a pre World War I bestseller The Keys to Happiness marks the first serious attempt to understand the intense public interest in sexuality as a vital dimension of late tsarist political culture Drawing on a strong foundation of historical sources from medical treatises and legal codes to anti Semitic pamphlets commercial fiction newspaper advertisements and serious literature Laura Engelstein shows how Western ideas and attitudes toward sex and gender were transformed in the Russian context as imported views on prostitution venereal disease homosexuality masturbation abortion and other themes took on distinctively Russian hues Engelstein divides her study into two parts the first focusing on the period from the Great Reforms to 1905 and on the two professional disciplines most central to the shaping of a modern sexual discourse in Russia law and medicine The second part describes the complicated sexual preoccupations that accompanied the mobilization leading up to 1905 the revolution itself and the aftermath of continued social agitation and intensified intellectual doubt In chapters of astonishing richness the author follows the sexual theme through the twists of professional and civic debate and in the surprising links between high and low culture up to the eve of the First World War Throughout Engelstein uses her findings to rethink the conventional wisdom about the political and cultural history of modern Russia She maps out new approaches to the history of sexuality and shows brilliantly how the study of attitudes toward sex and gender can help us to grasp the most fundamental political issues in any society

What is Soviet Now? Thomas Lahusen, Peter H. Solomon, 2008 Economists and political scientists wrestle with the challenges faced by

Russian officials and public alike in adapting to a market economy and democracy including the fragility of property rights and elections still rooted in old institutional structures This book examines the reforms of health and welfare and the hierarchy of privilege and access and consider how Putin s statist approach to mythmaking compares to that of previous Soviet and post Soviet regimes Historians and anthropologists explore the issue of nostalgia gender punishment belief and how history itself is being created and perceived today The book concludes with a journey through the ruined landscape of real socialism

Sex in Public Eric Naiman, 2019-01-15 *Sex in Public* examines the ideological poetics and the rhetoric of power in the Soviet Union during the 1920s a period of anxiety over the historical legitimacy of Soviet ideology and Bolshevik power Drawing on a wide range of sources Party Congress transcripts the classics of early Soviet literature sex education pamphlets the cinema crime reports and early Soviet ventures into popular science the author seeks to explain the period s preoccupation with crime disease and especially sex Using strategies of reading developed by literary scholars he devotes special care to exploring the role of narrative in authoritative political texts The book breaks new ground in its attention to the ideological importance of the female body during this important formative stage of Bolshevik rule *Sex in Public* provides a fundamentally new history of the New Economic Policy and offers important revisionist readings of many of the fundamental cultural products of the early Soviet period Perhaps most important it serves as a model for the sort of interdisciplinary work that is possible when historians take literary and ideology theory seriously and when ideology theorists seek to conform to the standards of documentary rigor traditionally demanded by historians It thus becomes a study that can be read as both positivistic and postmodern Eric Naiman is Associate Professor of Russian and Comparative Literature at the University of California Berkeley Originally published in 1997 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Male Same-Sex Relations and the Court of Peter I Hanna Filipova, 2025-08-19 This book explores Peter I s same sex relations men s sociability and male favoritism at the royal court in the context of the Petrine myth scenarios of power propaganda and othering The first part is devoted to sources historiography the theory of the topic and the question of why there is still no research on the male same sex relations of Peter I The second part explores early modern Russian discussion of male same sex relations The third part examines how the motif of Russian male same sex relations was used during the Great Northern War 1700 1721 as a tool of German Swedish anti Russian propaganda This book brings a Russian perspective and Eastern European sources into the field of European queer studies and discusses the possibility of considering the topic of non normative sexuality of the monarch and elites in Petrine Russia in a global context which has not been done before

Pornography And

Democratization Paul Goldschmidt, 2019-06-04 Explores the politics of pornography and censorship in Russia today as a facet of the overall process of creating a liberal democracy in the Former Soviet Union In this book Paul Goldschmidt explores the politics of pornography in Russia today as a facet of the overall process of creating a liberal democracy in the Former Soviet Union He clarifi

Sex Work in Contemporary Russia Emily Schuckman Matthews, 2023-02-13 Sex Work in Russia weaves together a wide range of materials to examine the figure of the female sex worker in Russia from the early twentieth century to the present day This book offers readers both an expansive and nuanced discussion of the significance of this archetypal female who appears with remarkable frequency in literature film and other cultural productions Emily Schuckman Matthews explores the ways in which the fictional sex worker and her real life counterpart has become a symbolic representative of social and moral instability economic volatility political social and ideological revolutions and changing concepts of gender sexuality and the nation itself Focus is given to the movement of the female sex worker from marginal foil to a hero in her own right even finding a voice of her own in recent years Works featuring this alluring and complex figure reveal critical insights into the changing position of women and other marginalized people in a volatile Russia

Global Perspectives on Prostitution and Sex Trafficking Rochelle L. Dalla, Lynda M. Baker, John Defrain, Celia Williamson, 2011-04-08 This book is part of a two volume set that examines prostitution and sex trafficking on a global scale with each chapter devoted to a particular country in one of seven geo cultural areas of the world The 18 chapters in this volume Volume I are devoted to examination of the commercial sex industry CSI in countries within Africa Asia Middle East and Oceania while the 16 chapters that comprise Volume II focus exclusively on Europe Latin America and North America Volume II also includes a global section which includes chapters that are globally relevant rather than those devoted to a particular country or geographic location The content of each volume as well as each chapter reflects great diversity diversity in focus writing style and personal position regarding the commercial sex industry Diversity extends to the contributors who are comprised of international scholars service providers and policy advocates representing a variety of fields and disciplines with distinct and varied frames of reference and theoretical underpinnings with regard to the commercial sex industry In addition to addressing aspects of the CSI across the globe as impacted by geography and culture authors have also provided a spectrum of implications of their work implications ranging from continued scholarship and research to legislative maneuvers and policy change to suggestions for collaboration across NGOS fieldworkers clinicians and service providers Together the 34 expertly crafted chapters provide a wealth of knowledge from which to more deeply appreciate and contemplate the global commercial sex industry By uniting contributors from around the world this book aims to build a relatively common knowledge base on global prostitution and sex trafficking
