**Sex and Shopping: The Confessions of a Nice Jewish Girl** Judith Krantz, 2000-05-11 Dear Reader As I was about to start my eleventh novel I abruptly realized that I was making a huge mistake On the verge of launching into the imagined world of a twenty eight year old I felt an intense need to tell another story the story of a woman I know through and through a woman with more wealth of experience a woman who's seen more real glamour known more fascinating people lived in a world of more sophistication and arrived at more hard won maturity than that twenty eight year old could hope for in short my own story I've tried to remain as unknowable as possible the better to let my heroines hold the stage but now I was ready to tell the truth about myself with no holding back I've had a different life from that of the majority of women of my generation and background While I seemed like another nice Jewish girl underneath that convenient cover I'd traveled my own inner directed path and had many a spicy and secret adventure I grew up in a complicated tangle of privilege family problems and tormented teenaged sexuality After a riotous education at Wellesley my life was turned upside down by a glorious year in Paris marked by an intense but ill starred romance I spent the next half decade in New York sowing lighthearted wild oats until I finally met my true love to whom I've been married for forty six years When I was fifty I had an utterly unexpected almost unbelievable success as a number one bestselling novelist that has continued for book after book Challenging lucky exciting and often devastatingly askew my life seems to have been lived under a wild and antic star I've had as much amazing fun as my heroines and here's the book to prove it Judith Krantz     [Sex and the Zen of Shopping \(B&w Edition\): Women's How to Save Money, Be Happy & Green by Vintage, Secondhand, Bargain Shopping for Clothing, Jewelry, Sandra Gore, Sandra Gore Nielsen, 2010](#) Sex and the Zen of Shopping How to Shop Smart in a Dumb Economy is an upbeat original self help how to manual that asks Why can't you go shopping when you feel broke It's an easy read full of information and wisdom on having fun and adventure with little money You can save hundreds even thousands of dollars by following Sandra's simple guidelines It's perfect for all women who love to shop Sandra tells her readers that their love affair with shopping is as natural as their sex drive and then challenges them to adapt to the dumb new economy by letting go and shopping smart She offers much more than practical advice on what to buy where for the best price she lays out a philosophy of shopping that is a blueprint to a happy life on any budget Sandra takes you on an exciting shopping safari from swap meets to luxury stores and shows you how to always get the best price on everything Get tips on where to find the best deals how to bargain how to refurbish recycle and modernize and how to curb impulse buying Turn to any page and jump right in Designed to appeal to any level reader it presents serious philosophical issues in a whimsical format with photos or pull quotes on every page If a motivational encyclopedia ever existed this is it Buy the full color edition or the black and white bargain edition with the same information minus eye candy     [Consumer Sexualities](#) Rachel Wood, 2017-08-03 Consumer Sexualities explores women's experiences of shopping in sex shops and using sexual commodities in their everyday lives This

enlightening volume shows how women take up sexual consumer technologies of the self to work upon and understand themselves as confident and active sexual agents in postfeminist neoliberal culture In guiding the reader through the historical emergence of sexual commodities for women in feminism and postfeminism Wood points to the normalisation and regulation of sexual practices and identities in and through consumption Indeed women s accounts show the work involved in constructing the right knowledgeable tasteful and confident orientation to sexual consumption and by extension in becoming an intelligibly good sexual person At the same time the author draws upon de Certeau to show how the ordinary contexts in which sexual commodities are used can lead to unpredictable moments of adaptation discomfort playfulness and resistance A rich analysis of women s everyday strategies of making do with the kinds of femininity and female sexuality that sex shop culture represents Consumer Sexualities will appeal to scholars of sociology cultural studies and gender studies with interests in gender sexuality sex and consumption
