Sex And Violence Issues In Representation And Experience:

Sex and Violence Penelope Harvey, Peter Gow, 1994 This collection of rich and varied ethnographic case studies is an important and original contribution to the debate between feminism and anthropology Its exploration of gender difference and gender hierarchy is of central concern to both anthropologists and feminists and the book s multi cultural approach will appeal to a wide readership including students and teachers of social anthropology cultural studies and gender studies

Sexual Violence in Conflict and Post-Conflict Societies Doris Buss, Joanne Lebert, Blair Rutherford, Donna Sharkey, Obijiofor Aginam, 2014-07-17 This book brings together a unique blend of researchers civil society and community activists all working on different aspects of conflict sexual violence on the African continent The contributions included here offer a detailed reading of the social and political climate within which some patterns of sexual violence unfold and the increased policy and institutional responses shaping post conflict environments The chapters are organized around three main themes the continuities between conflict sexual violence and post conflict insecurity the troubling category of victim and its representation in post conflict settings and the international contexts such as international programming aid and justice interventions that shape how conflict sexual violence is addressed The authors come to the topic from various academic disciplines anthropology gender studies law and psychology and from different non academic contexts including civil society organizations in affected regions and policy and activist organizations in the Global North Collectively the chapters in this volume offer complex and detailed analysis of some of the debates and dynamics shaping contemporary understandings of conflict sexual violence highlighting in turn new insights and emerging topics on which further research and advocacy is needed

Multidisciplinary Perspectives on Family Violence Renate C.A. Klein, 2005-08-15 This book presents a wide range of issues pertaining to conflict and violence in close personal relationships It crosses disciplinary and national boundaries by presenting the work of scholars in psychology family studies anthropology women s studies sociology and legal philosophy who come from Denmark France Germany Britain Greece Poland Spain and The Netherlands to provide a range of geographical cultural and historical backgrounds In association with the International Society for the Study of Personal Relationships

Sex and Violence Penelope Harvey, Peter Gow, 2021-04-29 Produced in response to the growing international demand for information this book details the latest research in understanding and controlling violent and sexual offences Increasing numbers of psychologists are now studying and working with offenders to the advancement of forensic psychology Chapters cover contributions from ten different countries and are grouped into three sections dealing with risk assessment sex offenders and offences and violent offenders and offences The first section discusses the progress that has been made towards making accurate decisions about the risk that an individual poses to the community and emphasises the need to draw on both clinical experience and research The second section explores understandings and investigations of sexual offences including discussion on American commitment laws for sexually violent predators the status of recovered

memories in criminal trials factors influencing delays in reporting sexual abuse a model of rapists accounts of their offences and situational factors in sexual offending The final section on violent offenders and offences includes discussion on criminal careers domestic violence mutilation murder in Japan offender profiling and sentencing of homicide cases This book will be of interest to scholars in criminology psychology and forensic psychiatry and to policy makers and practitioners who deal with sexual and violent offences

Mapping Feminist Anthropology in the Twenty-First Century Ellen Lewin, Leni M. Silverstein, 2016-07-07 Feminist anthropology emerged in the 1970s as a much needed corrective to the discipline's androcentric biases Far from being a marginalized subfield it has been at the forefront of developments that have revolutionized not only anthropology but also a host of other disciplines This landmark collection of essays provides a contemporary overview of feminist anthropology's historical and theoretical origins the transformations it has undergone and the vital contributions it continues to make to cutting edge scholarship Mapping Feminist Anthropology in the Twenty First Century brings together a variety of contributors giving a voice to both younger researchers and pioneering scholars who offer insider perspectives on the field's foundational moments Some chapters reveal how the rise of feminist anthropology shaped and was shaped by the emergence of fields like women's studies black and Latina studies and LGBTQ studies Others consider how feminist anthropologists are helping to frame the direction of developing disciplines like masculinity studies affect theory and science and technology studies Spanning the globe from India to Canada from Vietnam to Peru Mapping Feminist Anthropology in the Twenty First Century reveals the important role that feminist anthropologists have played in worldwide campaigns against human rights abuses domestic violence and environmental degradation It also celebrates the work they have done closer to home helping to explode the developed world's preconceptions about sex gender and sexuality

Voices from the Global Margin William P. Mitchell, 2021 Voices from the Global Margin looks behind the generalities of debates about globalization to explore the personal impact of global forces on the Peruvian poor In this highly readable ethnography William Mitchell draws on the narratives of people he has known for forty years offering deep insight into how they have coped with extreme poverty and rapid population growth and their creation of new lives and customs in the process In their own passionate words they describe their struggles to make ends meet many abandoning rural homes for marginal wages in Lima and the United States They chronicle their terror during the Shining Path guerrilla war and the government's violent military response Mitchell's long experience as an anthropologist living with the people he writes about allows him to put the stories in context helping readers understand the impact of the larger world on individuals and their communities His book reckons up the human costs of the global economy urging us to work toward a more just world

 in Vanuatu Ingvill Kristiansen **The SAGE Handbook of Fieldwork** Dick Hobbs, Richard Wright, 2006-01-05 This is an
 excellent collection of papers which celebrates the best of traditional approaches to fieldwork whilst also looking to its future
 The Handbook will quickly become essential reading for the novice and experienced fieldworker across many of the social
 sciences Chris Pole University of Leicester Fieldwork is widely practiced but little written about yet accounts of the exotic
 mundane complex and often dangerous are central to not only sociology and anthropology but also geography social
 psychology and criminology In all these increasingly overlapping fields experience underlies any comprehensive
 understanding of social life The SAGE Handbook of Fieldwork presents the first major overview of this method in all its
 variety introducing the reader to the strengths weaknesses and real world applications of fieldwork techniques Its 22
 carefully chosen chapters are each based on a substantive field of empirical enquiry written by an acknowledged expert in
 the field The range is impressive from the traditional to the virtual concerning subjects as diverse as emotion sexuality sport
 embodiment identity self narrative fieldwork in organizations science and technology Specifically intended for use in
 undergraduate and postgraduate courses in qualitative research design and methodology in sociology anthropology
 criminology urban studies social geography public health and education the handbook will also prove beneficial to academic
 researchers in these and other disciplines Readings in Gender in Africa Andrea Cornwall, International African
 Institute, 2005-02-14 Readings in Gender in Africa collects the most important critical and theoretical writings on how gender
 issues have transformed contemporary views of Africa Scholarship from North America Europe and Africa is represented in
 this comprehensive volume A synthetic introduction by Andrea Cornwall discusses efforts to include women in research
 about Africa The volume not only shows how gender relations have been constructed on the African continent but reflects the
 changes in approach and inquiry that have been brought about as scholars consider gender identities and difference in their
 work Specific themes covered here include the contestation and representation of gender femininity and masculinity
 livelihoods and lifeways gender and religion gender and culture and gender and governance Readers from across the
 landscape of African studies will find this an essential sourcebook Published in association with the International African
 Institute London **Genocide and Gender in the Twentieth Century** Amy E. Randall, 2015-10-29 CHOICE Outstanding
 Academic Title 2016 Genocide and Gender in the Twentieth Century brings together a collection of some of the finest

Genocide Studies scholars in North America and Europe to examine gendered discourses practices and experiences of ethnic cleansing and genocide in the 20th century It includes essays focusing on the genocide in Rwanda the Armenian genocide in the Ottoman Empire the Holocaust and ethnic cleansing and genocide in the former Yugoslavia The book looks at how historically and culturally specific ideas about reproduction biology and ethnic national racial and religious identity contributed to the possibility for and the unfolding of genocidal sexual violence including mass rape The book also considers how these ideas in conjunction with discourses of femininity and masculinity and understandings of female and male identities contributed to perpetrators tools and strategies for ethnic cleansing and genocide as well as victims experiences of these processes This is an ideal text for any student looking to further understand the crucial topic of gender in genocide studies

Giving Voice to Diversity in Criminological Research James Windle,Orla Lynch,Yasmine Ahmed,2021-09-03 The people most impacted by criminal justice policies and practices are seldom included in the decision making processes that affect their lives Building on the nothing about us without us social movement this edited volume advocates an inclusive approach to criminology that gives voice to historically marginalized silenced and ignored groups Incorporating the experiences of service users academics and state and grassroots practitioners this volume considers how researchers might bridge the gap between theory and lived experience It furthers criminological scholarship by capturing the voices of marginalized groups and exploring how criminology can authentically incorporate these voices

The Oxford Handbook of Gender and Politics Georgina Waylen,2013-04-04 The Oxford Handbook of Gender and Politics brings to political science an accessible and comprehensive overview of the key contributions of gender scholars to the study of politics and it shows how these contributions produce a richer understanding of politics and societies

The Company They Kept Lara Putnam,2003-11-03 In the late nineteenth century migrants from Jamaica Colombia Barbados and beyond poured into Caribbean Central America building railroads digging canals selling meals and farming homesteads On the rain forested shores of Costa Rica U S entrepreneurs and others established vast banana plantations Over the next half century short lived export booms drew tens of thousands of migrants to the region In Port Lim n birthplace of the United Fruit Company a single building might house a Russian seamstress a Martinican madam a Cuban doctor and a Chinese barkeep together with stevedores laundresses and laborers from across the Caribbean Tracing the changing contours of gender kinship and community in Costa Rica s plantation region Lara Putnam explores new questions about the work of caring for children and men and how it fit into the export economy the role of kinship as well as cash in structuring labor the social networks that shaped migrants lives and the impact of ideas about race and sex on the exercise of power Based on sources that range from handwritten autobiographies to judicial transcripts and addressing topics from intimacy between prostitutes to insults between neighbors the book illuminates the connections between political economy popular culture and everyday life

Economic Ethics and Chinese Culture Xuanmeng Yu,1997 **Gender, Catholicism, and Morality in Brazil** M.

Mayblin,2010-03-29 Through the ethnography of a Catholic community in Northeast Brazil Maya Mayblin offers a vivid and provocative rethink of gendered portrayals of Catholic life For the residents of Santa Lucia life is conceptualized as a series of moral tradeoffs between the sinful and productive world against an idealized state of innocence conceived with reference to local Catholic teachings As marriage marks the beginning of a productive life in the world it also marks a phase in which moral personhood comes most actively and poignantly to the fore This book offers lucid observations on how men and women as husbands and wives fathers and mothers negotiate this challenge As well as making an important contribution to the ethnographic literature on morality Christianity and Latin America the book offers a compelling alternative to received portrayals of gender polarity as symbolically all encompassing throughout the Catholic world **Promoting Young**

People's Sexual Health Roger Ingham,Peter Aggleton,2006-09-27 Valuable contributions on different aspects of sexual and reproductive health among young people are presented in this book with a focus on developing country contexts Key discussions on issues relating to young people and their sexual activities are brought together in one volume exploring how these issues are affected by the wider contexts in which they live The interdisciplinary team of contributors examine the practical and ideological barriers that inhibit progress in the development of educational and service level improvement of young people s sexual health as well as presenting examples of efforts made to overcome such difficulties Promoting Young People s Sexual Health looks to the future proposing ways forward in terms of policy and legislative changes necessary for long term improvements in young people s sexual health The Archaeology of Identities Timothy Insoll,2007-01-24 The

Archaeology of Identities brings together seventeen seminal articles from this exciting new discipline in one indispensable volume for the first time Editor Timothy Insoll expertly selects a cross section of contributions by leading authorities to form a comprehensive and balanced representation of approaches and interests Issues covered include gender and sexuality ethnicity nationalism and caste age ideology disability Chapters are thematically arranged and are contextualized with lucid summaries and an introductory chapter providing an accessible introduction to the varied selection of case studies included and archaeological materials considered from global sources The study of identity is increasingly recognized as a fundamental division of archaeological enquiry and has recently become the focus of a variety of new and challenging developments As such this volume will fast become the definitive sourcebook in archaeology of identities making it essential reading for students lecturers and researchers in the field **Mobility, Markets and Indigenous Socialities** Cecilie

Vindal Ødegaard,2016-04-15 Exploring how people from Andean communities seek progress and social mobility by moving to the cities Cecilie degaard demonstrates the changing significance of kinship reciprocity and ritual in an urban context Through a focus on people s involvement in land occupations and local associations labour and trade degaard examines the dialectics between popular practices and neoliberal state policies in processes of urbanization The making and un making of notions of the Indigenous communal work and gender is central in this analysis and is discussed against the historical

backdrop of the land occupations in Peruvian cities since the 1930s Through its close ethnographic description of everyday life in a new urban neighbourhood this book reveals how social and spatial categories and boundaries are continually negotiated in people's quest for mobility and progress Cecilie degaard argues that conventional meanings of prosperity and progress are significantly altered in interaction with Andean understandings of reciprocity By combining a unique ethnographic account with original theoretical arguments the book provides new insight into the cultural cosmological and political dimensions of mobility progress and market participation **The Corner of the Living** Miguel La

Serna, 2012-03-12 Peru's indigenous peoples played a key role in the tortured tale of Shining Path guerrillas from the 1960s through the first decade of the twenty first century The villagers of Chuschi and Huaychao high in the mountains of the department of Ayacucho have an iconic place in this violent history Emphasizing the years leading up to the peak period of violence from 1980 to 2000 when 69 000 people lost their lives Miguel La Serna asks why some Andean peasants chose to embrace Shining Path ideology and others did not Drawing on archival materials and ethnographic field work La Serna argues that historically rooted and locally specific power relations social conflicts and cultural understandings shaped the responses of indigenous peasants to the insurgency In Chuschi the guerrillas found indigenous support for the movement and dreamed of sparking a worldwide Maoist revolution In Huaychao by contrast villagers rose up against Shining Path forces precipitating more violence and feeding an international uproar that took on political significance for Peru during the Cold War The Corner of the Living illuminates both the stark realities of life for the rural poor everywhere and why they may or may not choose to mobilize around a revolutionary cause **To Have and to Hit** Dorothy Ayers Counts, Judith K.

Brown, Jacquelyn Campbell, 1999 This vitally important volume places the problem of wife beating in a broad cultural context in a search for strategies to reform societies including our own that are prone to this pernicious form of violence Based on first hand ethnographic data on more than a dozen societies including a number in Oceania this collection explores the social and cultural factors that work either to inhibit or to promote domestic violence against women The volume also includes a study of abuse among nonhuman primates and a cross cultural analysis of the legal aspects of wife beating By presenting counterexamples from other cultures contributors challenge Western assumptions about the factors leading to wife beating Through a close examination of societies where wife beating is infrequent or absent To Have and To Hit identifies the factors economic social political and cultural that must be explored and transformed in order to combat this violence and eventually eliminate it
