Population Literature ,1963      **Censo de escritores al servicio de los Austrias y otros estudios bibliográficos**  
,1983      **The Saturday Review of Politics, Literature, Science and Art** ,1928      **The Academy and Literature** ,1903  
Arts & Humanities Citation Index ,1991      **Narcissistic Mothers in Modernist Literature** Marie G éraldine  
Rademacher,2019-09-13 Narcissistic mothers are an important motif in modernist literature Tracing its appearance in the  
works of writers such as D H Lawrence and Virginia Woolf this book questions the dichotomous image of either benevolent or  
suffocating mother which has pervaded religion art and literature for centuries Instead of focusing on the mother child dyad  
as characterized primarily by maternal domination and the child s submission Marie G raldine Rademacher insists on the  
definitional nuances of the term narcissism and considers the political and socio economic context of the time in shaping  
these women s narcissistic behavior The study thus inspires a more positive re reading of the protagonists      *Sex & Danger*  
*in Buenos Aires* Donna J. Guy,1991-01-01 A study of prostitution necessarily examines questions of power class gender and  
public health In Sex and Danger in Buenos Aires these questions combine with particular force During most of the time  
covered in this provocative book from the late nineteenth century well into the twentieth prostitution was legal in Argentina  
Fears and anxieties concerning the effect of female sexual commerce on family and nation were rampant Donna J Guy looks  
at many aspects of the debate that followed an escalating demand for prostitutes by Argentines and European immigrants  
She discusses the widespread fear of white slavery the merits of medically supervised municipal houses of prostitution the  
rights of local governments to restrict the civil liberties of citizens and foreigners the censorship of literature and music  
dealing with the plight of prostitutes and the potential criminality of unsupervised working women who might abandon their  
families Guy also describes attempts to deal with female prostitution rehabilitation modifications of municipal bordello laws  
and medical programs to prevent the spread of venereal disease She makes clear that the treatment of marginal women by  
liberal politicians and doctors helped promoted policies of repression and censorship that would later be extended to other  
unacceptable social groups Her study of how both local and national government in Argentina dealt with these women  
reveals important links between gender politics and economics      *Current List of Medical Literature* ,1943      The Atlantis:  
a register of literature and science Dublin city, univ. coll,1858      The Saturday Review of Politics, Literature, Science, Art,

the intersections of gender sexuality and social justice in relation to dominant development and policy discourses and  
interventions Bringing together young scholars from Latin America Africa and Asia the book challenges dominant  
assumptions on sexuality in development discourse policy and practice and proposes alternative approaches Reflecting on

both the global north and the global south this book investigates key social justice issues from teenage pregnancy child marriage discourses sexual empowerment to sexual diversity female imprisonment and sexuality militarism and sexuality anti trafficking policies and processes of racialization and othering in the context of migration Overall the book challenges binary constructs and argues for an intersectional perspective on gender and sexual diversity as a problem of structural inequality that interacts with other systems of inequality based on race age class and geopolitics This book will be of interest to social scientists and activists as well as development scholars and practitioners engaging with questions of gender sexuality and social justice
