## **Sex Sells:**

*Sex Sells!* Rodger Streitmatter, 2004-09-22 In 1953 when Lucille Ball became pregnant the censors required the characters on I Love Lucy to say only that the wacky redhead was in the family way they feared the word pregnant might conjure up in the minds of viewers images of a man and woman having sexual intercourse Now some fifty years later from giant billboards featuring nearly nude models in Times Square to Bill Clinton's creative definition of sex to Madonna and Britney's prime time kiss sex pervades virtually every aspect of public life including the films and television programs we watch the music we listen to and the racy ads that bombard us What happened Through lively prose and engaging examples *Sex Sells* illuminates this arc from repression to obsession vis vis changing sexual mores during the last five decades Not only does the author examine how a broad range of media genres have reflected this libidinous journey but he also shows how the media have played a leading role in propelling the Sexual Revolution Whether it was the decision by Cosmo editor Helen Gurley Brown to run a photo of a nude Burt Reynolds in 1972 or the recent success of Showtime's sexually explicit *Queer as Folk* the media have led the charge in bringing sex into the mainstream Along the way what the author terms sexual literacy has become vital especially for young media consumers For Rodger Streitmatter unlike many critics believes that much of the media's sexual content is beneficial as it gives parents and educators a jumping off point from which to discuss such matters as AIDS sexual identity and sexual mores In this age of continuing sexual liberation such a viewpoint seems especially important and timely

Learning to Sell Sex(ism) Aileen O'Driscoll, 2018-10-29 This book presents the first in depth exploration into the gendered attitudes and worldviews of advertising students Offering a significant contribution to other cultural sociological works concerning the cultural and creative industries *Learning to Sell Sex* ism adds further weight to the argument that it is imperative that we look closely at the people who create media texts in order to better account for and challenge sexist media content In this study such media creators are the advertising industry's next generation of practitioners and creatives Involving a mix of in depth questionnaires qualitative surveys interviews with students observational data as well as an examination of the components comprising advertising modules O Driscoll documents the dominant gendered discourses articulated by advertising students and offers an opportunity for the advertising educational sector to reflect on how it might play its part in reducing stereotypical and sexist content emanating from the industry *Learning to Sell Sex* ism will be of interest to students and scholars across a range of disciplines including media studies gender studies sociology cultural studies and marketing

training to life as the V Man when Reidy became Pfizer's number one drug rep during the Viagra craze. With equal parts self-confidence and self-mockery, Reidy takes the reader on a hilarious romp through pharma culture while revealing the controversial side of the drug industry. From viewing a circumcision to gaining a doctor's rapport to providing insight on why doctors choose to prescribe Drug X over Drug Y and from how to bargain signs and scripts to why the Viagra pill is shaped as a diamond, Reidy discloses everything. A witty behind-the-scenes look at an industry that touches everyone in America with a prescription. *Hard Sell* uncovers truths about the pharmaceutical industry you'd rather not know and practices you'd like to believe weren't employed. *Hard Sell* has been adapted into a major motion picture starring Jake Gyllenhaal and Anne Hathaway.

*Cross-Cultural Journalism and Strategic Communication* Maria E. Len-Rios, Earnest L. Perry, 2019-11-01. Built using the hands-on and pioneering Missouri Method, this textbook prepares readers to write about and communicate with people of different backgrounds, offering real-world examples of how to practice excellent journalism and strategic communication that takes culture into account. No matter the communication purpose, this book will help readers engage with difference and the concept of fault lines and to identify and mitigate bias. It provides guidance on communicating the complexity inherent in issues such as crime, immigration, and sports, and understanding census data, gathering methods, and terms to craft stories or strategic campaigns. Above all, the book encourages readers to reconsider assumptions about race, class, gender, identity, sexual orientation, immigration status, religion, disability, and age, and recognize communicators' responsibilities in shaping national discussions. This new edition addresses the ever-changing political and social climate, differentiates excellent journalism from punditry, and shows the business value of understanding diverse perspectives. A fantastic introduction to this complex but important field, this book is perfect for students, teachers, and early-career communicators. The combination of a hands-on approach and pull-out boxes with the diverse voices curated by editors Maria Len-Rios and Earnest Perry make this an ideal text for the classroom and beyond.

**Hypersexual City** Nicole Kalms, 2017-03-31. Much of feminist architectural scholarship focuses on the enormous task of instating women's experience of space into spatial praxis. *Hypersexual City: The Provocation of Soft Core Urbanism* suggests this attention to women's invisibility in sociocultural space has overlooked the complex ways in which women already occupy space, albeit mostly as an image or object to be consumed, even purchased. It examines the occupation of urban space through the mediated representation of women's hypersexualized bodies. A complex transaction proliferates in the commercial urban space of cities; this book seeks to address the cause and consequence of the increasing dominance of gendered representation. It uses architectural case studies and analysis to make visible the sexual politics of architecture and urbanism and, in doing so, reveal the ways that heterosexist culture shapes the spaces, behaviour, and relationships formed in neoliberal cities. *Hypersexual City* announces how examining urbanism that operates through and is framed by sexual culture can demonstrate that architecture does not merely find itself adrift in the hypersexualized landscape of contemporary cities but is actively producing and

contributing to the sexual regulation of urban life      **Wandering Poet** Donald Klepper, 2014-03-24 These are selected original works of poetry from love poems for the romantics emotional ones ranging from deep despair to joy Also you will find spiritual poems for the religious side of you and some political satire for radical in you Life is a series of experiences to be embrace and enjoy with a full measure      **Sports Marketing** Matthew D. Shank, Mark R. Lyberger, 2014-10-03 Now in a fully revised and updated 5th edition Sports Marketing A Strategic Perspective is the most authoritative comprehensive and engaging introduction to sports marketing currently available It is the only introductory textbook to adopt a strategic approach explaining clearly how every element of the marketing process should be designed and managed from goal setting and planning to implementation and control Covering all the key topics in the sports marketing curriculum including consumer behavior market research promotions products pricing sponsorship business ethics technology and e marketing the book introduces core theory and concepts explains best practice and surveys the rapidly changing international sports business environment Every chapter contains extensive real world case studies and biographies of key industry figures and challenging review exercises which encourage the reader to reflect critically on their own knowledge and professional practice The book s companion website offers additional resources for instructors and students including an instructors guide test bank presentation slides and useful weblinks Sports Marketing A Strategic Perspective is an essential foundation for any sports marketing or sports business course and an invaluable reference for any sports marketing practitioner looking to improve their professional practice      **ADVERTISING AND THE SPREAD OF BUSINESS, DEMOCRACY AND KNOWLEDGE** STEVE Dr. ESOMBA, 2012-06-06 The culture of advertising our needs desires interests and products is deeply embedded in human nature It is also a universal natural tendency We advertise ourselves our activities and products for a wider audience to evoke interest entertain educate impart knowledge and spread corporate interests democratic ideals competitiveness and world knowledge ADVERTISING AND THE SPREAD OF BUSINESS DEMOCRACY AND KNOWLEDGE demonstrates that advertisements do not only benefit industry and corporations as taken for granted but they also benefit the public in spreading cultivating and practising democracy and free speech and inculcating knowledge Think of this every time you see an advertisement      *Strategic Communications in Africa* Hugh Mangeya, Isaac Mhute, Ernest Jakaza, 2021-12-24 Strategic communication is a pre requisite for the achievement of organisational goals and an effective strategic communication plan is vital for organisational success However systems and models dominant in the West may not necessarily be best suited for the sub Saharan Africa reality where many organisations lack adequate financial resources to develop and implement an effective strategic communication plan This book examines current practices in sub Saharan Africa as well as the challenges faced and the intersection with culture It packages inspiring debates experiences and insights relating to strategic communication in all types of institutions including private and public sector organisations governmental organisations and NGOs political parties as well as social movements in the sub Saharan context It explores

how culture is integral to the attainment of strategic communication goals and diverse case studies across socio economic contexts offer insights into the successes of organisations across Africa including Zimbabwe Tanzania Lesotho and Nigeria This unique edited collection is a valuable resource for worldwide scholars researchers and students of strategic communication and organisational studies as well as related fields including public relations advertising political and health communication and international studies
