Minor League Football 1960 1985 Standings Statistics And Rosters:

Minor League Football, 1960-1985 Bob Gill, Steven M. Brainerd, Tod Maher, 2002 Minor league football has enjoyed two golden eras first in the 1930s and 1940s and later in the 1960s and early 1970s The latter period began with the formation of the United Football League in 1961 and ended with the demise of the World Football League in 1975 After that several leagues existed and in 1983 the United States Football League was formed Even though it was little competition for the NFL it signed enough of the top minor league players to put an end to the remaining leagues and none of comparable quality has emerged since This work is a compilation of standings statistics and rosters for the top minor league football teams from 1960 through 1985 It provides brief histories and season summaries for the United Football League Atlantic Coast Football League Southern Football League North American Football League Continental Football League Pro Football League of America Texas Football League World Football League and the United States Football League the overall players and coaches roster for the period the overall players and coaches roster for the USFL s three seasons a list of players who were named to an all star roster excluding the USFL and short sketches of some of the top minor league players

Connecticut Gridiron William J. Ryczek, 2014-10-29 This narrative history of minor league football teams in Connecticut in the 1960s and 1970s is based on extensive newspaper and periodical research and interviews with nearly 70 former players broadcasters and journalists Only a few players like Marv Hubbard Lou Piccone and Bob Tucker made it to the NFL but many more played for as little as 25 per game in their quest to make it big or just have fun Wealthy men like Pete Savin and Frank D Addario owned teams in Hartford and Bridgeport In the days before cable television saturated the media with live sports small town fans turned out to support their local heroes often men who worked on construction crews during the week and stopped by the diner Sunday morning to talk football Now in their 60s 70s and 80s these men share their stories of a simpler era the good times like the Hartford Knights 1968 ACFL championship season and the long bus rides and missed paydays that were as much a part of minor league ball as first downs and interceptions American Book Publishing Record , 2006

Giesbrecht,2018-04-02 This book is about the ORFU that last played for the Grey Cup in 1954 It contains information
available from newspapers and other sources from the era The ORFU was the only semi pro football Canadian rules league at
the time The book contains all the modern era scoring from 1946 to 1960 by player with individual statistics from 1954 to
1960 It contains over 1500 players listed alphabetically who were in the game lineups together with their games played per
season The annual standings and regular season games are also included The 1961 AFC also has limited statistics after the
merger with the ORFU The contents were researched thoroughly and correct many errors and omissions in other sources
This would be considered unofficial as no official statistics are available although the statistics are reported as coming from
the league There is likely more information out there that I was not able to find I would appreciate any information or
