Socio-Cultural and Religious Conflicts and the Future of Nigeria Lotanna Olisaemeka, 2022 With the prevailing violent conflict situation of our world perpetuated sometimes even in the name of religion humanity today faces extinction To reverse this ugly trend humanity has no choice than to build a society where every tribe and tongue can coexist in peace This work analyzed the violent conflicts from anthropological behavioral politico philosophical and theological perspectives and makes a demand on humanity to save herself through proper education and dialogue with all men and religions

**Origins of the Universe, Life and Species** Plammoottil Cherian, 2018-03-22 The relationship between science and theology has been a crisis for humanity since Darwin's publication of Origin of Species that affects the very core of scientific and Biblical truths with serious consequences In this detailed and absorbing book Dr Cherian provides astounding facts of science that were deciphered in the last 500 years each of which is recorded in the Biblical Scriptures Heeding back to the Biblical account of creation Dr Cherian takes the readers from the erroneous notion of the origin of the universe without a cause and abiogenesis as the source of life to the latest scientific discoveries that corroborate the Biblical evidence for divine creation of the universe life and species that dispel Darwinian evolution The Origins of the Universe Life and Species sheds much light for a better understanding of the Scriptures that were hidden to many scientists researchers and students to relate the scientific discoveries that reveal the Biblical truths for a better appreciation of the unknown God who reveals himself through the many scientists and their discoveries Dr Cherian uses all branches of science from astronomy to zoology connecting the dots between science and theology that stretches from the highest of heavens outer space to the deepest of ocean floor revealing the unknown God to be the KNOWN GOD

**Relativity and the Nature of Spacetime** Vesselin Petkov, 2005 What is the nature of spacetime This book develops the answer to this question via a thorough analysis of relativistic effects and explicitly asking whether the objects involved in those effects are three dimensional or four dimensional

**Biblical Theology - Volume 1** Charles Vogan, 2019-09-21 The overarching theme of the Bible is the Father Son relationship In fact the entire Bible is a full description of this relationship between Father and Son as God wants to see it in us We know this because of the testimony of the best authority in the Bible Jesus himself the eternal Son of God The Creator The Father gives life to his Son The Covenant The Father makes his Son his Heir Deliverance Law The Father makes his Son holy The Temple The Father gives full access to his Son The Kingdom The Father seats his Son beside him on the throne Wisdom The Father teaches his Son The Prophet The Father reveals himself through his Son

**VOLUME 1 The Bible as universal truth The Message of the Bible The Theology of the Old Testament**

From Illusions to Reality Vesselin Petkov, 2013-09-08 The greatest mystery in the world is its very existence In our intellectual development we all reach a turning point when we start asking the perennial existential questions What is the world What am I What is the meaning of the existence of the world and myself As the German philosopher Schopenhauer put it The lower a man stands in intellectual respects the less of a riddle

does existence seem to him but the clearer his consciousness becomes the more the problem grasps him in its greatness This book explores what fundamental physics tells us about the physical world and how the scientific picture of what exists often differs disturbingly from the common sense view based on the way our senses reflect the world Centuries old illusions are identified by showing that they contradict experimentally confirmed results of modern physics which clears the way toward deeper understanding of reality The greatest illusion that the world exists only at the present moment of time has been realized by many great thinkers but so far the human race has been unable to free itself from it prompting Einstein to write this the distinction between past present and future is only a stubbornly persistent illusion Getting rid of such stubbornly persistent illusions by open mindedly examining the implications of modern physics for the physical world can help us rise above the fog of everyday life and see Nature the way she herself is      **Polish Folk Music** Anna Czekanowska,1990-07-19 This study of Polish folk music is especially enlightening as it reveals both the history and practice of a musical tradition and offers an illuminating view of a culture and its social activities Within her study Anna Czekanowska analyses the vocal and instrumental traditions of Polish folk music tracing the background history the influences of geography and politics and the practice often within contemporary society of such social events as the harvest the solstice and weddings The function of folk culture within contemporary life for both Polish and non Polish inhabitants of the country is also examined Professor Czekanowska also discusses the birth of Polish ethno musicology as a discipline and details some methodological aspects for research This study contributes to a greater understanding and appreciation of Polish music and in a wider aspect of Slavonic culture The book contains numerous illustrations of instruments and cultural events music examples maps a discography and bibliography      *Ethics for Governance* B. P. Mathur,2015-06-12 This book provides a comprehensive overview of India s public services and bureaucratic systems and explores why widespread corruption and inefficient delivery have slowed development It discusses the underlying reasons for the prevailing inefficiency in public services examines the complex linkages between ethics based public service India s cultural and spiritual heritage and its current economic development model and outlines ways to create an ethics code and an environment that is conducive to better administration and good governance Lucid accessible and meticulously researched this will prove essential to scholars and students of public administration governance studies and political science particularly bureaucrats policy makers and civil service aspirants      **Awakening the Soul: Book 2** Bill Missett,2005-10-18 I am absolutely in awe of your book It is an extraordinarily important work It will I humbly suggest change many lives Joseph W Dunn Jr Editor A R E Press I believe Awakening the Soul Book 3 is the key to the 12th Step of Alcoholics Anonymous Susana K Oregon We all agree on the brilliance of this work Lisa Hagan literary agent Paraview Inc      *Symposium on Electron Microscopy of Microfibers* Irvin M. Asher,Philip P. McGrath,1977      **Eros and Androgyny** Jeanette N. Passty,1988 An analysis of the work of Emilie Rose Macaulay 1881 1958 who strove in virtually all of her twenty three novels to articulate the needs of women for autonomy and

achievement This biocritical study designated by Choice as an Outstanding Academic Book finds that Macaulay's writings constitute a deliberate act of rebellion against the cultural myths that trap both men and women in gender stereotypes

**Sales Management**, 1927      **Religion in Contemporary Nigeria** Y.A. Quadri, 2016-04-30 The dynamism of religion all over the world presupposes that discourse on it generally is a continuous exercise As religion influences the environment of its operation so also is the influence of the environment on the practice of religion Nigeria a multi religious nation has experienced and is still experiencing the positive as well the negative aspects of religious practices in her socio political economic and cultural spheres There is no doubt that religion is manipulated by some people which portray it in bad light and makes it vulnerable to criticisms despite the unanimity about its potential to be a force for good in the society Recent developments in Nigeria indicate that religion has a role in the survival or otherwise of the country Such include the re introduction of Shariah penal code in some states in the northern part of the country the emergence of Islamic banks proliferation of private faith based tertiary institutions emergence of different factions and sects in religions and the challenge of insurgency using religion as camouflage in the name of the Boko Haram This book addresses contemporary issues in the use of religion in Nigeria Its uniqueness lies in the calibre of notable scholars who contributed to it from various ethno religious and geographical backgrounds It contains the views of eminent scholars from Islam and Christianity and is jointly edited by experienced professors in the two faiths The overall aim is to enhance better understanding of religion and to promote peaceful co existence between and among adherents of the two religions      Legally Victimising National Monuments Dr. Krishan Mahajan, 2018-05-30 Can Parliament and the Union Government deprive Indians of their cultural heritage right to monuments How has this deprivation been achieved by using the legislative process Has the judicial culture of the Supreme Court been able to return to Indians this cultural heritage right Can nationally important monuments be protected in a contrary political economy How to retrieve and restore to Indians the fundamental right to the distinct culture of monuments by understanding what a monument is      **The Crescent Moon and the Magen David** Karel Valansi, 2018-02-20 The nationalist outlook of the Turkish state since the beginning of the Republican era in 1923 targeted uniform identity formation While Turkey did not recognize the existence of ethnic identities as long as they were Muslim non Muslims were challenging this ideal During this social engineering the religious minorities and the state had very turbulent relations based on mistrust resulting in many discriminative legislations The Republican story of the Jews provides significant insight to highlight the difficulties and challenges encountered in the formation of the Turkish Republic as well as the changes in the Turkish public with the new nation state in effect Following the Second World War a new state was established in the Middle East During the Cold War the Soviet threat led Turkey to recognize the State of Israel established as a Jewish state The main reasoning of Turkey in recognizing Israel was to be accepted to the Western camp While the bilateral relations of Turkey and Israel increased gradually a surprisingly high number of Turkish Jews nearly 40 percent of

the Jewish community in Turkey immigrated to the new country This book is an attempt to investigate the establishment of the State of Israel Turkey s recognition of the Jewish state and its repercussions on the Turkish public between the years 1936 and 1956 It explains the establishment of the State of Israel and the first three decades of the Turkish Republic It includes the religious minorities of Turkey with a special focus on the Jewish community as it is one of the major links between Turkey and Israel It combines Turkish public reaction to the establishment and recognition of the State of Israel shedding light on the reasons of the mass Jewish immigration which is at the same time the second biggest immigration out of Turkey after the labor immigration to Europe starting from the 1960s **Plato's Dreams Realized** Aleksandr

Vladimirovich Avakov,2006 In this study of the philosophical and political nature of law morality rights and security a Russian dissident shares his experience with the KGB and then with the US national security state and details the history of political surveillance in the US **HUMAN RIGHTS AND ABSOLUTE VALUE** ZHIYONG DONG,2021-03-10 The fourth milestone

in the history of the development of economic thoughts following An Inquiry into the Nature and Causes of the Wealth of Nations by Adam Smith The Principles of Political Economy and Taxation by David Ricardo and Capital by Karl Marx This book clearly explains the reasons why people must put forward the concepts or ideas of human rights ownership equality ownership of the person ownership of the living body of human beings ownership of the marriage right ownership of embrace ownership of labor power etc The book also clearly explains the reasons why people must put forward the concepts or ideas of labor rational activities value relative value and absolute value **A History of Aviation in Nigeria, 1925-2005** Tunde

Decker,2008 *The Publishers Weekly* ,1905 **Soul Theft** Bill Missett,2008-10-22 DO NOT BUY THIS BOOK IF YOU OWN THE Trilogy or ATS Book 2 its primary source This the fifth book in the Awakening The Soul series is the story of the discovery of the suppression of almost all the traits of our spiritual nature by those who should have been protecting and enhancing them By the time you get to the end of this book you will understand what Western Religions have done to the world This realization grew to the point where it became obvious this most vital information needed a wider more immediate audience for greater exposure than just to those actively seeking spiritual awakening These historically documented truths many presented here for the first time are something every contemporary Christian Jew and Muslim should know

*Histories of Maize* John Staller,Robert Tykot,Bruce Benz,2016-12-05 Maize has been described as a primary catalyst to complex sociocultural development in the Americas State of the art research on maize chronology molecular biology and stable carbon isotope research on ancient human diets have provided additional lines of evidence on the changing role of maize through time and space and its spread throughout the Americas The multidisciplinary evidence from the social and biological sciences presented in this volume have generated a much more complex picture of the economic political and religious significance of maize The volume also includes ethnographic research on the uses and roles of maize in indigenous cultures and a linguistic section that includes chapters on indigenous folk taxonomies and the role and meaning of maize to

the development of civilization *Histories of Maize* is the most comprehensive reference source on the botanical genetic archaeological and anthropological aspects of ancient maize published to date This book will appeal to a varied audience and have no titles competing with it because of its breadth and scope The volume offers a single source of high quality summary information unavailable elsewhere
