Information Technologies and Economic Development in Latin America Alberto Chong, Mónica Yáñez-Pagans, 2020-02-29 Information Technologies and Economic Development in Latin America provides a collection of rigorous empirical studies that contributes to a better understanding of the role and impact of old and new information technologies on Latin American economic development It provides evidence using randomized and quasi experimental designed studies for different information and communication technologies interventions In evaluating their development impact a critical concern has been to contribute to the little existing evidence In fact whereas many ICT projects in the developing world have been promoted by multilateral organizations bilateral aid agencies and nongovernmental organizations in recent years the extent to which these interventions and policies actually contribute to the development of the region is unclear The book provides evidence on what works and what does not

The Rise of Mutual Funds Matthew P Fink, 2008-10-27 In 1940 few Americans had heard of mutual funds Today U S mutual funds are the largest financial industry in the world with over 88 million shareholders and over 11 trillion in assets The Rise of Mutual Funds describes the developments that have produced mutual funds long history of success Among these developments are formation of the first mutual funds in the roaring 20s how the 1929 stock market crash a disaster for most financial institutions spurred the growth of mutual funds establishment in 1934 over FDR's objection of the United States Securities and Exchange Commission the federal agency that regulates mutual funds enactment of the Revenue Act of 1936 the tax law that saved mutual funds from extinction passage of the Investment Company Act of 1940 the constitution of the mutual fund industry the creation in 1972 of money market funds which totally changed the mutual fund industry and the entire U S financial system enactment of the Employee Retirement Income Security Act of 1974 which created Individual Retirement Accounts the accidental development of 401 k plans which have revolutionized the way Americans save for retirement the 2003 trading abuses the greatest scandal ever in the history of the mutual fund industry Many events have never been discussed in detail others have been discussed in works on other subjects This is the first book that pulls together the many strands of mutual funds unique history written by an expert who draws on forty years of personal experience in the fund industry

Oxford Handbook for the Dental Foundation and Core Training Programmes Chris Barker, Hemash Shah, 2023 Provides key practical information on the Dental Foundation and Core Training programmes giving dental graduates a detailed insight into the skills needed to optimise the educational

value and opportunities of their training post *Chile Investment, Trade Laws and Regulations Handbook Volume 1 Strategic Information and Basic Laws* IBP, Inc.,2015-01-26 One hundred years ago the world celebrated the opening of the Panama Canal which connected the world's two largest oceans and signaled America's emergence as a global superpower. It was a miracle: this path of water where a mountain had stood and creating a miracle is no easy thing. Thousands lost their lives and those who survived worked under the harshest conditions for only a few silver coins a day. From the young silver people whose back-breaking labor built the Canal to the denizens of the endangered rainforest itself, this is the story of one of the largest and most difficult engineering projects ever undertaken, as only Newbery Honor-winning author Margarita Engle could tell it. *Federal Regulatory Guide* CQ Press,2024-05-31 The Nineteenth Edition of the Federal Regulatory Directory is a comprehensive guide for understanding the complex world of federal regulation. It provides detailed profiles of the most important regulatory agencies, including their history, priorities, actions, and landmark decisions. The book also features overviews of independent and self-regulatory agencies, as well as the global and state-level impacts of federal regulation. Whether you are new to the topic or an expert, the Federal Regulatory Directory can be a valuable resource for students, researchers, professionals, and anyone who wants to understand how federal regulation works and how it affects their daily lives.
