## Notes On A Cowardly Lion The Biogr:

Notes on a Cowardly Lion John Lahr, 2013-01-22 John Lahr's stunning and complex biography of his father the legendary actor and comedian Bert Lahr. Notes on a Cowardly Lion is John Lahr's masterwork, an all-encompassing biography of his father the comedian and performer Bert Lahr. Best known as the Cowardly Lion in MGM's classic *The Wizard of Oz*, Lahr was a consummate artist whose career spanned burlesque, vaudeville, Broadway, and Hollywood. While he could be equally raucous and polished in public, Lahr was painfully insecure and self-absorbed in private, keeping his family at arm's length as he quietly battled his inner demons. Told with an impressive objectivity and keen understanding of the construction and destruction of the performer, Notes on a Cowardly Lion is more than one man's quest to understand his father; it is an extraordinary examination of a life in American show business.

The Irish Play on the New York Stage, 1874-1966 John P. Harrington, 2021-11-21 Over the years, American, especially New York, audiences have evolved a consistent set of expectations for the Irish play. Traditionally, the term implied a specific subject matter, invariably rural and Catholic, and embodied a reductive notion of Irish drama and society. This view continues to influence the types of Irish drama produced in the United States today. By examining seven different opening nights in New York theaters over the course of the last century, John Harrington considers the reception of Irish drama on the American stage and explores the complex interplay between drama and audience expectations. All of these productions provoked some form of public disagreement when they were first staged in New York, ranging from the confrontation between Shaw and the Society for the Suppression of Vice to the intellectual outcry provoked by billing *Waiting for Godot* as the laugh sensation of two continents. The inaugural volume in the series *Irish Literature History and Culture: The Irish Play on the New York Stage* explores the New York premieres of *The Shaughraun* (1874), Mrs Warren's Profession (1905), *The Playboy of the Western World* (1911), *Exiles* (1925), *Within the Gates* (1934), *Waiting for Godot* (1956), and *Philadelphia Here I Come* (1966).

*Winnie Lightner* David L. Lightner, 2016-12-14 Winnie Lightner (1899-1971) stood out as the first great female comedian of the talkies. Blessed with a superb singing voice and a gift for making wisecracks and rubber faces, she rose to stardom in vaudeville and on Broadway. Then, at the dawn of the sound era, she became the first person in motion picture history to have her spoken words, the lyrics

to a song censored In Winnie Lightner Tomboy of the Talkies David L Lightner shows how Winnie Lightner s hilarious performance in the 1929 musical comedy Gold Diggers of Broadway made her an overnight sensation She went on to star in seven other Warner Bros features In the best of them she was the comic epitome of a strident feminist dominating men and gleefully spurning conventional gender norms and moral values So tough was she the studio billed her as the tomboy of the talkies When the Great Depression rendered moviegoers hostile toward feminism Warner Bros tried to craft a new image of her as glamorous and sexy Executives assigned her contradictory roles in which she was empowered in the workplace but submissive to her male partner at home The new persona flopped at the box office and Lightner s stardom ended In four final movies she played supporting roles as the loudmouthed roommate and best friend of actresses Loretta Young Joan Crawford and Mona Barrie Following her retirement in 1934 Lightner faded into obscurity Many of her films were damaged or even lost entirely At long last this biography gives Winnie Lightner the recognition she deserves as a notable figure in film history in women s history and in the history of show business
