and lighting and working with automatic modes Getting your images out of the camera and onto your computer organizing them and sharing them online or in print Doing cool things with your pictures like sharpening focus covering flaws adding people from other photos and jazzing up your images with special effects Written by Julie Adair King a photographer who has penned several other books on the subject colorful *Digital Photography For Dummies 5th Edition* can help you take better digital photos do more with them and have a lot more fun with your camera You ll get the picture *America, the Owner's Manual* Bob Graham,Chris Hand,2016-07-15 In 2016 Americans fed up with the political process vented that frustration with their votes Republicans nominated for president a wealthy businessman and former reality show host best known on the campaign trail for his sharp rhetoric against immigration and foreign trade Democrats nearly selected a self described socialist who ran on a populist platform against the influence of big money in politics While it is not surprising that Americans would channel their frustrations into votes for contenders who pledge to end business as usual the truth is that we don t have to pin our hopes for greater participation on any one candidate All of us have a say if we learn master and practice the skills of effective citizenship One of the biggest roadblocks to participation in democracy is the perception that privileged citizens and special interests command the levers of power and that everyday Americans can t fight City Hall That perception is undoubtedly why a 2015 Pew Charitable Trusts survey found that 74 percent of those Americans surveyed believed that most elected officials didn t care what people like them thought Graham and Hand intend to change that conventional wisdom by showing citizens how to flex their citizenship muscles They describe effective citizenship skills and provide tips from civic experts Even more importantly they offer numerous examples of everyday Americans who have used their skills to make democracy respond The reader will see themselves in these examples of citizens who chose to be victorious participants rather than tranquil spectators in the arena of democracy By the end of the book you will have new confidence that citizen participation is the lifeblood of America and will be ready to make governments work for you not the other way around [A Coaching Life](#) Gary Blair,Rusty Burson,2017-01-27 It s still difficult to describe the scene after the final buzzer sounded because the moment was just so damned surreal writes head coach Gary Blair following the conclusion of the title game of the 2011 NCAA Division I women s basketball tournament So many things happened that I will never forget kissing my wife on the floor of Consecro Fieldhouse looking toward the stands where my grandson was flashbulbs popping as the Aggie Band played triumphantly our players and coaches wildly celebrating the biggest win in women s basketball history at Texas A M tears streaming down the faces of former players I remember thinking that I wished I could somehow stop time This memory and countless others form the greatest treasure of Coach Blair s life as he makes clear in this engaging inspiring memoir written with veteran sports journalist and author Rusty Burson Indeed as Blair says What I cherish the most are the memories of these players and coaches Beyond the trophies beyond the impressive won lost record compiled over more than four decades of coaching beyond even the ungrudging professional respect he has achieved among his peers in a

fiercely competitive occupation Gary Blair values the images moments and memories collected during a life spent doing what he loves most coaching and mentoring young women on the basketball court In A Coaching Life Coach Blair offers readers a freeze frame view of a storied career He serves up more than a few of his favorite memories with wit grace and humility In the process he invites readers to reflect on life s wins and losses and most importantly what both have to teach us

Morningside Murders Jack Stephenson,2007-09 Following retirement Harold Jackson returns to his childhood hometown to face the consequences of a halfcentury old unimaginable crime During this exceptionally rare visit his mind meanders through the years of his youth and the little time he had to spend with his good buddies the Steinbruner twins He recalls all their silly antics boyhood tricks stupid stunts and willingness to check out everything happening on the streets of Morningside He also visits that confusing and exhilarating period when a young boy helplessly discovers that girls are prettier softer cuter and just more fun to look at than boys But his most devastating memory is the one that has controlled him for more than five decades Not able to endure the horrifying murders that destroyed the life of so many he keeps his feelings hidden beneath a cloak of shame Now he must face the twisted truth as officials will reveal to the world the astonishing occurrences of 50 years ago

Basketball Skills & Drills Jerry V. Krause,Don W. Meyer,Jerry J. Meyer,2007-08-29 Even the most celebrated superstars on the basketball court once had to learn and master the basics of the game But before they developed their superstar flair they built a solid base of fundamental skills in all phases of the game Basketball Skills Drills provides a perfect blueprint for building the foundation that every well rounded player needs This comprehensive e book covers Player positioning Moving without the ball Shooting Passing catching and dribbling Perimeter moves Post moves Defense Rebounding The skills and 90 drills are combined with useful coaching tips to reinforce the skill instruction emphasize key points and explain how to correct common errors And since individual skills are effective only when used within the team concept this e book also covers key team principles for both ends of the court Tactics for offense including special situations such as out of bounds plays will improve spacing ball and player movement shot selection and scoring Defensive tactics emphasize positioning pressure and various systems to apply in each area or level of the court To be an all star you must be fundamentally sound Basketball Skills Drills is your guide to becoming a complete player one who can change the game with great moves and smart play

Waxing and Waning a Memoir of an Amateur Astronomer James Hannon,2014-06-23 The true story of my life as an amateur astronomer I tell of all the start and stops in the hobby as I past through different stages of my life always returning to astronomy The love of the night sky has remained with me ever since I discovered the stars at the age of five

[Marzipan Bananas](#) Ed Ewart,2018-10-09 We never outgrow our appreciation for a good story especially if it s true All of these stories are true in three important ways First they happened just as I have written them Second each is a snapshot of a teachable moment in my life that tattooed itself into me got under my skin and has colored who I am today Finally these stories are true because they resonate with the oldest and truest stories I know

Thousands of years ago some grandpas began writing down their true stories of life and faith for their grandchildren Their Bible stories are older and better than my stories but mine are a kind of modern day footnote to theirs In spite of the thousands of years between us the authors of Scripture and I believe that God speaks to us in our daily experiences It is this grandfather s privilege and joy to learn from what He has said and to pass it on
