Nothin' Finer Carolina The History Of The University Of North Carolina Womens Soccer:

Nothin' Finer Carolina David Smale, 1993-01-01 **Historical Dictionary of Soccer** Tom Dunmore, 2011-09-01 Soccer is the world's most popular sport and one of the globe's best known cultural practices. The pinnacle of the sport worldwide is the FIFA World Cup, a competition held every four years which crowns one nation as the world champion in front of huge global television audiences. Over half of the planet's population watched the 2010 FIFA World Cup final between Spain and the Netherlands. From the humble origins of modern soccer in Great Britain in the 19th century, world soccer has become today a vast commercialized global industry with huge salaries paid to the biggest stars due to the massive amounts of revenue generated through the sale of television rights, ticket sales, and sponsorship income. The *Historical Dictionary of Soccer* presents a comprehensive history of the game through a chronology, an introductory essay, a bibliography, numerous appendixes that list everything from the FIFA World Player of the Year to FIFA World Cup Winners and Runners Up to the UEFA Champions League Winners and Runners Up, and over 400 cross-referenced dictionary entries on places, teams, terminology, and people including Garrincha, Pelé, Johan Cruyff, Diego Maradona, Zinedine Zidane, and Lionel Messi. This book is an excellent access point for students, researchers, and anyone wanting to know more about soccer. *Encyclopedia of North Carolina* William S. Powell, 2006 An informative compendium, the *Encyclopedia of North Carolina* is abundantly illustrated with nearly 400 photographs and maps. **BOOK JACKET** **Who's who in America**, 2003 **The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces**, 1921 *The New York Times Magazine*, 1997 *The History of Intercollegiate Soccer at the University of North Carolina at Chapel Hill (1947-1981)* David John Haynes, 1983 *History of the North Carolina Federation of Women's Clubs, 1901-1925* Sallie Southall Cotten, 2001 **A History of Women's Intercollegiate Athletics at the University of North Carolina at Chapel Hill from 1971-1987** Laura Jean Gunnells, 1988 *Alumni History of the University of North Carolina*, 2005 **Light on the Hill** William D. Snider, 2004 In a bicentennial history of the University of North Carolina at Chapel Hill, William D. Snider leads us from the chartering and siting of a charming campus and village in 1795 through the struggles, innovations, and expansions that have carried the school to national and international prominence. Throughout, Snider provides fine portraits of individuals significant in the life of the university from William R. Davie and Joseph Caldwell to Harry Woodburn Chase, Frank Porter Graham, and William C. Friday. His book evokes for all who have been part of the Chapel Hill community memories of their own associations with the campus and a sense of the greater history of the institution of which they were a part. *History of the University of North Carolina* Kemp Plummer Battle, 2002 **History of the University of North Carolina: From its beginning to the death of President Swain, 1789-1868** Kemp Plummer Battle, 1907 *A History of Women's Intercollegiate Athletics at the University of North Carolina at Greensboro* Deborah Elaine Jones, 1982 **UNC A to Z** Nicholas Graham, Cecelia Moore, 2020-03-11 Covering everything from the Old Well to the Speaker Ban and more, UNC A to Z is a concise, easy-to-read

introduction to the nation's first public university the University of North Carolina at Chapel Hill Perfect for new students getting to know the campus or alumni who want to learn more about their alma mater this richly illustrated reference contains more than 350 entries packed with fascinating facts interesting stories and little known histories of the people places and events that have shaped the Carolina we know today With histories of campus buildings like Old East gathering places like the Pit and the many student traditions like the Cardboard Club the Cake Race and High Noon UNC A to Z is the book every Tar Heel will want to keep close at hand

History of the University of North Carolina, 1913* **Making North Carolina Literate** Allen W. Trelease, 2004 THIS TITLE IS OUT OF PRINT

Founded in 1892 as North Carolina's first state college for women the State Normal and Industrial School quickly transcended its name and original mission From the beginning founder and first President Charles Duncan McIver and his colleagues strove to attain full college status centering on the liberal arts By 1919 that goal was a reality and the institution became the North Carolina College for Women McIver's successor Julius I Foust set out to make it the state's university for women parallel to the university at Chapel Hill That dream evaporated in the Depression as the Chapel Hill Raleigh and Greensboro campuses consolidated under a single board and most of the graduate work went to Chapel Hill The Greensboro campus became the UNC Woman's College or WC In 1963 all the UNC campuses became coeducational and WC became the University of North Carolina at Greensboro or UNCG UNCG has become a metropolitan university a category sometimes called the land grant universities of the 21st century Like its peers UNCG offers an education of national if not worldwide repute yet draws the great majority of its students from the surrounding Greensboro Winston Salem High Point metropolitan area Three quarters of its students now live off campus and reflecting its Woman's College origins as well as a national trend two thirds are female This book traces the many sometimes dramatic changes seen at the school college university from its 1892 beginning until 1994 They include the physical campus administrative leadership faculty organization status and professional allegiance the institution versus one's academic discipline the curriculum student identity culture and struggles to win freedom from parietal regulations and shifting alumni relations For many years a perception of underfunding and neglect from above bred identity problems on campus Recent years brought other problems from campus expansion and resultant friction with its neighbors to controversy over athletic scholarships to a brief war over control of the Alumni Association Making North Carolina Literate should be of interest to UNCG alumni faculty and students to readers concerned with North Carolina history women's history and the history of higher education Despite Trelease's long association with

UNCG as a professor of history he is concise and unsentimental in his appraisals The result is a well written often witty account of the growth of an educational institution and its larger place in North Carolina and the nation News Record The content and bibliography of this book a comprehensive work in progress for over a decade testify to the author s dedicated research and inclusion of a variety of campus constituents The North Carolina Historical Review Hood s meticulous research his exploration of the rural reform experience during the Progressive era and his willingness to place his topic in a larger historiographical context make it a useful model for others to test how representative Nelson and Washington Counties were The Journal of Southern History
