**Psychoanalysis,Psychiatry and Modernist Literature** K. Valentine,2003-01-22 Two developments during the modernist period the consolidation of psychiatry as a medical speciality and the emergence of psychoanalysis affected the representation of madness in literature They also influenced the ways psychic distress was experienced narrated and understood Literature and criticism in turn affected the formation of the modern psychological self Presenting detailed readings of both canonical and non canonical modernists like Virginia Woolf and Emily Holmes Coleman this book argues that modernist madness can be understood as experience clinical discourse and cultural representation      **Upon a White Horse** Peter Ross,2025-09-11 I m a card carrying admirer of Peter Ross Robert Macfarlane The prehistoric sites of Britain and Ireland are places of wonder and wondering Who made these structures What did they mean to them And what do they mean to us now Bestselling author Peter Ross journeys from midwinter at Stonehenge to midsummer at Sycamore Gap Along the way he encounters bog bodies in Dublin a wooden goddess in Edinburgh and a chalk giant in Dorset He asks what it is like to live within the great stone circle at Avebury what rituals occurred in an Anglesey tomb and what draws volunteers to care for the Uffington White Horse These objects and structures speak of the long human story They offer the comfort of recognition and the pleasure of mystery There is something about ancient places that fills a hollow in our souls Upon A White Horse is a celebration of landscape and people and all that is beautiful strange and old PRAISE FOR STEEPLE CHASING A delicious treat Financial Times A charming odyssey The Times Lovely lyrical whimsical elegiac TLS Engaging New Statesman A wonderful book Daily Telegraph      **Antonia White: 1926-1957** Antonia White,1991      **Antonia White Diaries** Antonia White,1992 The diaries of this flamboyant light of literary London reveal an intelligence as formidable and as tormented as Virginia Woolf s and a life of even greater drama The sheer excess of her life make these diaries published only after an extensive legal battle a literary event 8 pages of photos      Daily Modernism Elizabeth Podnieks,2000-01-26 Redrawing established boundaries between genres Podnieks builds a broad critical and theoretical range on which she maps the diary as an aesthetic work showing how diaries inscribe the aesthetics of literary modernisms Drawing on feminist theory literary history biography and personal anecdotes she argues that the diary is an especially subversive space for women writers Podnieks details how Virginia Woolf Antonia White Elizabeth Smart and Ana s Nin wrote their diaries under the pretence that they were private while always intending them to be published She travelled extensively to examine the original diary manuscripts and offers unique first hand descriptions of the manuscripts that underscore the artistic intentions of their authors Daily Modernism contributes to the ongoing feminist revision of literary history and in its disruption of traditional concepts of major and minor literary forms paves the way for a much needed reconsideration of the diary as a valid literary achievement      **Nothing to Forgive** Lyndall Passerini Hopkinson,1988      Graceful Exits Debra Campbell,2003-11-27 The

personal narratives of nine 20th century Catholic female authors Monica Baldwin Antonia White Mary McCarthy Mary Gordon Mary Daly Barbara Ferraro Patricia Hussey Karen Armstrong and Patricia Hampl speak eloquently about the process of departure from the church and its institutions This study explores each author's breaking of the taboo associated with women leaving their proper place It locates five themes at the heart of all of their narratives reversal boundary crossing diaspora renaming and recycling Debra Campbell grapples with the spirituality of departure depicted by all nine women for whom the very process of leaving Catholic institutions is a Catholic enterprise These narratives support the popular maxim that no one ever really leaves the church In the final chapter Campbell examines narratives of return confirming the book's overarching theme that neither departure nor return is ever finished

**Lifting the Taboo** Sally Cline, 1997-03 Illuminated by a profound yet humorous vision *Lifting the Taboo* explores the specific relationship women of many colors cultures ages and sexual orientations have to their own deaths their attitudes towards loss and their disposition to their role as primary care givers to the dying Specifically the book weighs the implications of breast cancer and examines in detail Alzheimer's Disease which contrary to popular myth can in several significant ways be perceived as a women's disease Investigating mothers responses to children's deaths Sally Cline establishes that women's relationships to death are intricately connected to the experience of giving birth They are she argues therefore psychologically and emotionally different from those of men Cline goes on to examine women's roles and responses to AIDS and suicide women's sexual relationships while dying how society views widows as leftover lives and women's radical work in hospices and death therapy as well as their roles as female funeral directors

***Mistress of Modernism*** Mary V. Dearborn, 2004-09-15 The life story of the bohemian socialite who rebelled against her famous family and became a renowned art collector Peggy Guggenheim was the ultimate self-invented woman a cultural mover and shaker who broke away from her poor little rich girl origins to shape a life for herself as the enfant terrible of the art world Her visionary Art of This Century gallery in New York which brought together the European surrealist artists with the American abstract expressionists was an epoch-shaking happening at the center of its time In *Mistress of Modernism* Mary V. Dearborn draws upon her unprecedented access to the Guggenheim family friends and papers to craft a thorough biography that will appeal to art lovers interested in more than the paint Publishers Weekly With drive and clarity Dearborn charts Guggenheim's peripatetic life offering rich insight into Peggy's traumatic childhood in German Jewish New York her self-education in the ways of art and artists her caustic battles with other art collectors Guggenheims and her legendary sexual appetites her lovers included Max Ernst Samuel Beckett and Marcel Duchamp to name just a few Booklist Here too is a poignant portrait of Peggy's last years as *ultima dogaresa* the last female doge in her palazzo in Venice where her collection still draws thousands of visitors every year *Mistress of Modernism* is the first definitive biography of Peggy Guggenheim whose wit passion and provocative legacy Dearborn brings compellingly to life

***Hayford Hall*** Elizabeth Podnieks, Sandra Chait, 2005 As a critical treatment of the living and writing that unfolded at the

estate Hayford Hall Hangovers Erotics and Modernist Aesthetics asserts that female modernists who gathered there integrated public art with their private lives thus making their personal writing works of experimental aesthetics

**Rough Draft** Elizabeth Podnieks, 2012-03-21 Rough Draft The Modernist Diaries of Emily Holmes Coleman 1929 1937 is an edited selection published here for the first time of the diaries kept by American poet and novelist Coleman during her years as an expatriate in the modernist hubs of France and England During her time abroad Coleman developed as a surrealist writer publishing a novel The Shutter of Snow and poems in little magazines like transition She also began her life's work her diary which was sustained for over four decades This portion of the diary is set against the cultural social and political milieu of the early twentieth century in the throes of industrialization commercialization and modernization It showcases Coleman's often larger than life intense personality as she interacted with a multitude of literary artistic and intellectual figures of the period like Djuna Barnes Peggy Guggenheim Antonia White John Holms George Barker Edwin Muir Cyril Connolly Arthur Waley Humphrey Jennings Dylan Thomas and T S Eliot The book offers Coleman's lively raw and often iconoclastic account of her complex social network The personal and professional encouragements jealousies and ambitions of her friends unfolded within a world of limitless sexual longing supplies of alcohol and aesthetic discussions The diary documents the disparate ways Coleman celebrated just as she consistently struggled to reconcile her multiple identities as an artistic intellectual maternal sexual and spiritual woman Rough Draft contributes to the growing modernist canon of life writings of both female and male participants whose autobiographies memoirs and diaries offer diverse accounts of the period like Ernest Hemingway's A Moveable Feast Gertrude Stein's The Autobiography of Alice B Toklas Sylvia Beach's Shakespeare and Company and Robert McAlmon and Kay Boyle's Being Geniuses Together

*Family Ties in Victorian England* Claudia Nelson, 2007-02-28 The Victorians were passionate about family While Queen Victoria's supporters argued that her intense commitment to her private life made her the more fit to mother her people her critics charged that it distracted her from her public responsibilities Here Nelson focuses particularly on the conflicting and powerful images of family life that Victorians produced in their fiction and nonfiction that is on how the Victorians themselves conceived of family which continues both to influence and to help explain visions of family today Drawing upon a wide variety of 19th century fiction and nonfiction Nelson examines the English Victorian family both as it was imagined and as it was experienced For many Victorians family was exalted to the status of secular religion endowed with the power of fighting the contamination of unchecked commercialism or sexuality and holding out the promise of reforming humankind Although in practice this ideal might have proven unattainable the many detailed 19th century descriptions of the outlook and behavior appropriate to fathers and mothers sons and daughters and other family members illustrate the extent of the pressure felt by members of this society to try to live up to the expectations of their culture Defining family to include the extended family the foster or adoptive family and the stepfamily Nelson considers different roles within the Victorian household in order to gauge the ambivalence and the

social anxieties surrounding them many of which continue to influence our notions of family today
