The Gentleman's Gambit Evie Dunmore, 2023-12-05 Dunmore is my new find in historical romance Her A League of Extraordinary Women series is extraordinary Julia Quinn 1 New York Times bestselling author A BookBub Best Romance of Winter 2024 Bookish suffragist Catriona Campbell is busy An ailing estate academic writer s block a tense time for England s women s rights campaign the last thing she needs is to be stuck playing host to her father s distractingly attractive young colleague Deeply introverted Catriona lives for her work at Oxford and her fight for women s suffrage She dreams of romance too but since all her attempts at love have ended badly she now keeps her desires firmly locked inside her head until she climbs out of a Scottish loch after a good swim and finds herself rather exposed to her new colleague Elias Khoury has wheedled his way into Professor Campbell s circle under false pretenses he did not come to Oxford to classify ancient artefacts he is determined to take them back to his homeland in the Middle East Winning Catriona s favor could be the key to his success Unfortunately seducing the coolly intense lady scholar quickly becomes a mission in itself and his well laid plans are in danger of derailing Forced into close proximity in Oxford s hallowed halls two very different people have to face the fact that they might just be a perfect match Soon a risky new game begins that asks Catriona one more time to put her heart and wildest dreams at stake

The Heart of the Team Bill Resler, Casey Mcnerthney, 2011-03-01 In the acclaimed documentary The Heart of the Game audiences first came to the attention of the Roosevelt Roughriders a Seattle varsity girls basketball team and their charming but unorthodox coach Bill Resler The film portrayed vividly Resler s unique coaching skills which asks for all out aggression on every possession while at the same time bearing in mind that players should value above all fun moreso than winning or losing Collectively the lessons and stories in the book offer an inspiration to develop competitiveness teamwork and self confidence attributes that ll come in handy both on and off the court This book is especially an ideal text for both teenagers looking to improve their sports skills and develop their personality as well as for their parents It will also be cherished by those who loved The Heart of the Game and want to know more about Resler and his coaching

The Lord's Prayer: Live it or Quit saying it Matthew Palai, 2021-10-25 The book Lord s Prayer Live It or Quit Saying It is a challenging book that attracts our interest mainly because it is full of reflections on many questions arising from the present society This book gives us much more than mere spiritual reflections as it gives us a meaningful experience of God the Father and invites us to reflect on the significance of our lives based on the lived spiritual experience of many ordinary individuals it poses simple but profound challenges before us to move close to Jesus Christ It exhorts that without a vision of heaven our life can be a big loss Congratulating Shri Matthew Palai for this precious endeavor I recommend this book to all who are seriously thinking about a meaningful spiritual life Bishop Thomas Tharayil Auxiliary Bishop of Changanacherry In a nutshell the Lord s Prayer is like an antibiotic If an antibiotic does not work for you then it will work against you If you do not try to live what you pray then it is better not to say the Lord s Prayer because instead of saving your

soul it will endanger it If you do good deeds and charitable works to go to heaven you will not get admittance to heaven and this book tells you why If you rely only on prayers to go to heaven the gates of heaven will not be opened for you and this book tells you why The existence of God existence and immortality of soul life after death hell heaven etc are unverifiable yet we should live as if they are all real and this book tells you why This book tells you how to become worthy to say the Lord's Prayer so that it does not endanger the soul but delivers it salvation

Evolutionary Syntax Ljiljana Progovac, 2015 In this book Ljiljana Progovac proposes a gradualist adaptationist approach to the evolution of syntax subject to natural selection She provides a specific framework for its study combining the fields of evolutionary biology theoretical syntax typology neuroscience and genetics The author pursues an internal reconstruction of the stages of grammar based on the syntactic theory associated with Chomskyan Minimalism and arrives at specific testable hypotheses which are then corroborated by an abundance of theoretically analysed living fossils drawn from a variety of languages Her approach demonstrates that these fossil structures do not just coexist alongside more modern structures but are in fact built into the very foundation of more complex structures leading to quirks and complexities that are suggestive of a gradualist evolutionary scenario By reconstructing a particular path along which syntax evolved *Evolutionary Syntax* sheds light on the crucial properties of language design itself as well as on the major parameters of crosslinguistic variation As a result this reconstruction can be meaningfully correlated with both the hominin timeline and the ever growing body of genetic evidence that is available
