

Discussion Guide for Grades 3–5

Nothing Wrong with a Three-Legged Dog

Summary

Keath and his best friend Lynda are in the fourth grade. Some kids call Lynda “Zebra” because her mother is black and her father is white. And Keath is “Whitey.” “He’s vanilla in a chocolate school” where Toothpick, a bully, has it in for him. Lynda and Keath both love dogs. Dogs don’t care about what color is the right one. Dogs don’t hate anybody. Their favorite dog is Leftovers, Lynda’s three-legged beagle. When he got hurt, his first owners gave up on him, but Lynda and Keath turn him into a winner, a pooch that shows Keath that sometimes it’s good to stand out, to be special, and that even when you look different, there are ways to fit in.

Requirements

- [Nothing Wrong with a Three-Legged Dog](#)
- [Definitions Related to Name-Calling, Bullying and Bias](#) (optional)

Prompts for Writing and Discussion

Provided below are questions, [by chapter](#) or [by theme](#), related to the themes of bullying and bias that can be used for small or large group discussion, or to guide reflective writing.

[By Chapter]

Chapter One

- How does it make you feel when Keath and Lynda are called names because of their skin color?
- Why do you think some people feel threatened by racial differences or hate others because of their race?
- Keath uses sarcasm or humor to deal with Toothpick’s taunts. Lynda ignores it when she is called a zebra and thinks about the beauty of the real animal instead. Do you think these are effective ways to deal with bullying?

Chapter Two

- Larry explains that Ryan attacked Keath so that he wouldn’t be “the lowest worm on the food chain.” What does he mean by this?
- Does someone always have to be on the “top” or “bottom” when it comes to social life at school? What changes would help to make things more equal or balanced?

Chapter Three

- How do Keath and Larry “stand out” in their school? What makes kids “stand out” in your school?
- Is it a good thing or a bad thing “to stand out” in some way? How do those who are different get treated?
- Describe a time when you wished you could be a chameleon like Keath and blend into the background. Do you think that “disappearing” would have solved all of your problems?

Nothing Wrong With A Three Legged Dog:

Nothing Wrong with a Three-Legged Dog Graham McNamee, 2001-08 With the help of his good friend and her three legged dog Leftovers ten year old Keath learns how to handle the class bully and deal with being the only white boy in his class

Nothing Wrong With a Three Legged Dog Graham McNamee, 2001 With the help of his good friend and her three legged dog Leftovers ten year old Keath learns how to handle the class bully and deal with being the only white boy in his class

Cool Story Programs for the School-Age Crowd Rob Reid, 2004-08-02 Offers eighteen offbeat literary programs featuring creepy dirty and stinky stories that will appeal to young readers

STAND TALL Teacher's Manual, Grades 4-6 Suzanne W. Peck, 2012-01-30 Stand Tall is a video based educational program that educates teachers and students in Grades 4-6 about how to respond to disrespectful behavior

STAND TALL Teacher's Manual & DVD, Grades 4-6 Suzanne W. Peck, 2012-02-02 Stand Tall is a video based educational program that educates teachers and students in Grades 4-6 about how to respond to disrespectful behavior

The Bully in the Book and in the Classroom C.J. Bott, 2004-07-08 Noted expert on bullying and English teacher Bott hand picked this selection of 40 books to use to successfully address the kinds of bullying behavior that occur at a particular age Arranged by grade level from K-12 chapters describe particular types of bullying and offer summaries and annotations reviews and evaluations with quotations that illustrate themes in each Activities and questions for discussion make this a particularly useful resource for the home school or public library

Bullies and Mean Girls in Popular Culture Patrice A. Oppliger, 2013-10-03 The numerous anti bullying programs in schools across the United States have done little to reduce the number of reported bullying instances One reason for this is that little attention has been paid to the role of the media and popular culture in adolescents bullying and mean girl behavior This book addresses media role models in television film picture books and the Internet in the realm of bullying and relational aggression It highlights portrayals with unproductive strategies that lead to poor resolutions or no resolution at all Young viewers may learn ineffective even dangerous ways of handling aggressive situations Victims may feel discouraged when they are unable to handle the situation as easily as in media portrayals They may also feel their experiences are trivialized by comic portrayals Entertainment programming aimed particularly at adolescents often portray adults as incompetent or uncaring and include mean spirited teasing In addition overuse of the term bully and defining all bad behavior as bullying may dilute the term and trivialize the problem

Ghost Lights: A Novel Lydia Millet, 2011-10-24 Surreal darkly hilarious and profound San Francisco Chronicle Ghost Lights stars an IRS bureaucrat named Hal a man baffled by his wife's obsession with her missing employer In a moment of drunken heroism Hal embarks on a quest to find the man embroiling himself in a surreal tropical adventure and an unexpected affair with a beguiling German woman Ghost Lights is Lydia Millet at her best beautifully written engaging full of insight into the heartbreaking devotion of parenthood and the charismatic oddity of human behavior

Disability Awareness for Children Pre-K Through Sixth Grade, 2016 *Winter Journal* Paul

Auster,2012-08-21 A deeply personal and moving memoir from the acclaimed author of The New York Trilogy and The Invention of Solitude That is where the story begins in your body and everything will end in the body as well Facing his sixty third winter internationally acclaimed novelist Paul Auster sits down to write a history of his body and its sensations both pleasurable and painful Thirty years after the publication of The Invention of Solitude in which he wrote so movingly about fatherhood Auster gives us a second unconventional memoir in which he writes about his mother s life and death Winter Journal is a highly personal meditation on the body time and memory by one of our most intellectually elegant writers In this intimate and introspective work Auster reflects on his childhood in Brooklyn his coming of age in New York City and the profound impact of family life A poignant exploration of aging and the complex relationship between mother and son Winter Journal showcases Auster s singular voice and extraordinary insight into the human condition Between Two Worlds John Carriero,2009 Between Two Worlds is an authoritative commentary on and powerful reinterpretation of the founding work of modern philosophy Descartes s Meditations Philosophers have tended to read Descartes s seminal work in an occasional way examining its treatment of individual topics while ignoring other parts of the text In contrast John Carriero provides a sustained systematic reading of the whole text giving a detailed account of the positions against which Descartes was reacting and revealing anew the unity meaning and originality of the Meditations Carriero finds in the Meditations a nearly continuous argument against Thomistic Aristotelian ways of thinking about cognition and shows more clearly than ever before how Descartes bridged the old world of scholasticism and the new one of mechanistic naturalism Rather than casting Descartes s project primarily in terms of skepticism knowledge and certainty Carriero focuses on fundamental disagreements between Descartes and the scholastics over the nature of understanding the relation between the senses and the intellect the nature of the human being and how and to what extent God is cognized by human beings Against this background Carriero shows Descartes developed his own conceptions of mind body and the relation between them creating a coherent philosophically rich project in the Meditations and setting the agenda for a century of rationalist metaphysics *Out Loud* Anthony Varallo,2008-09-14 WINNER OF THE 2008 DRUE HEINZ LITERATURE PRIZE Selected by Scott Turow Feeling distanced from her friends and family middle aged divorcee Caitlin Drury is encouraged by her daughter to express her feelings in a diary but she is hesitant I feel lonely she wrote then crossed it out She didn t like the idea of someone coming along later to read her journal finding out she felt lonely Like That and other stories from Anthony Varallo s new collection Out Loud give voice to the disconnections of family and relationships and the silent emotions that often speak louder than words In The Walkers we follow a couple on their daily trek through a bedroom community where they partially glimpse their neighbors lives longing for inclusion Yet their insular lifestyle ensures that they deal with people only on the surface without learning the truth of their problems Out Loud tells of longings for meaningful expression and the complexities and escapism of human interactions that keep us from these truths Varallo uses the trials of youth and remembrances of the past the

rituals and routines of the everyday the interactions of family friends teachers and neighbors to peel away the layers of language and actions we use to shield ourselves

Waiting for Jack Kristen Moeller, 2010-04-02 Sharing authentic personal stories and profound life lessons Kristen Moeller explores our pervasive human tendency to wait for life and to look outside ourselves for answers What are you waiting for Do you find yourself waiting for the right moment The ideal relationship The perfect job Are you waiting for your real life to begin Do think that the gifts of life are right around the corner That one day you will arrive and everything will be okay Do you endlessly search yet never seem to find Through the sharing of authentic personal stories and profound life lessons Kristen Moeller explores our pervasive human tendency to wait for life and to look outside ourselves for answers Too often we are waiting for Jack whatever or whoever Jack is So we don't try we give up We sell out and we forget who we are We are afraid to succeed afraid to fail and afraid to say we are afraid But as Wayne Gretzky said You'll always miss one hundred percent of the shots you don't take *Waiting for Jack* will inspire you to get on the path move forward and take the shot And to remember that you don't have to wait for Jack Refreshingly vulnerable witty and wise *Waiting for Jack* feels like a conversation with your best friend over coffee With an honest approach and take action message Kristen Moeller motivates readers to make it happen This book is a special gift Robyn Spizman New York Times bestselling author

My Seductive Innocent Julie Johnstone, Miss Sophia Vane a hoyden of the first order makes an unlikely match when she weds Nathaniel Ellison the rich and wary Duke of Scarsdale What starts with an unexpected friendship soon blooms into a fiery passion But a betrayal plunges Sophia into the thorny world of London Society and entangles her in a labyrinth of manipulation and jealousy that will test the strength of her marriage Behind her husband's sudden icy facade Sophia believes dwells the caring passionate man she loves To break through the barriers and reclaim their happiness they must do more than simply cast away their pride They must fight for their very lives

King of Doubt Peter Gibb, 2017-01-09 In a small town on the west coast of Scotland five year old Peter Gibb trades his soul to the devil in a futile attempt to win the approval of classmates teachers and parents Follow the story of Peter's humorous but desperate struggle to find a way out of the dungeons of doubt An insightful tale of lost and found *King of Doubt* grips you with tension as it warms you with heart Anyone who has ever struggled with self doubt and who among us hasn't will see themselves in these pages This moving story one man's journey from doubt to wonder will fill you with hope and promise The story rivets your attention to the final word while the beauty of the language still sings long after the reading About the Author Peter Gibb is an author writing teacher editor coach and speaker committed to spreading the joys of memoir and mindfulness Please visit him at www.petnergibb.org

Subconscious Power Eugene Victor Legaren, 1926

Art Does (not!) Exist Rosalyn Drexler, 1996 Does she receive an NEA grant How much hipper can hip be than Art Does Not Exist

Catching the Ascension Wave Bob Frissell, 2023-06-27 A guide to thriving during the ascension into higher consciousness Explores how the infusion of higher dimensional energy is impacting planet Earth and each of us Details the forces working to advance our conscious evolution

as well as those seeking to block it Shares exercises tools and techniques to transmute the energies blocking access to your Higher Self and help you participate in the Great Awakening Right now a Galactic Super Wave is dramatically raising the vibratory rate of our planet and everyone on it As Bob Frissell explains in order to catch this wave of ascension and survive and thrive during the coming Great Awakening we must undergo a personal transformation to raise our vibration and align with the Higher Self within each of us Frissell explores the forces working to advance our planetary ascent into higher consciousness as well as those seeking to block it He looks at the role of the Ancient Builder Race from Venus and at other ET races such as the Greys and the Draco Reptilians in our evolutionary development and technological advancements He exposes startling details of our Secret Space Program the New World Order and the Depopulation Agenda He explains how the precession of the equinoxes is directly influencing Earth s awakening and how the dance between the forces of darkness and light actually allows consciousness to evolve Frissell shares meditations tools and techniques to transmute the energies blocking access to your Higher Self and reveals how the infusion of higher dimensional energy is impacting planet Earth and each of us Unveiling the incoming new energetic configuration for the Earth he details how the Great Awakening is nothing less than the birth of a new humanity and how by raising your vibration you can help in the co creation of heaven on earth

Brentano's Philosophical System Uriah Kriegel,2018-02-09 Uriah Kriegel presents a rich exploration of the philosophy of the great nineteenth century thinker Franz Brentano He locates Brentano at the crossroads where the Anglo American and continental European philosophical traditions diverged At the centre of this account of Brentano s philosophy is the connection between mind and reality Kriegel aims to develop Brentano s central ideas where they are overly programmatic or do not take into account philosophical developments that have taken place since Brentano s death a century ago and to offer a partial defense of Brentano s system as quite plausible and in any case extraordinarily creative and thought provoking Brentano s system grounds a complete metaphysics and value theory in a well developed philosophy of mind and accordingly the book is divided into three parts devoted to Brentano s philosophy of mind his metaphysics and his moral philosophy The book s fundamental ambition is to show how Brentano combines the clarity and precision of the analytic philosopher with the sweeping vision of the continental philosopher Brentano pays careful attention to important distinctions conscientiously defines key notions presents precise arguments for his claims judiciously considers potential objections and in general proceeds very methodically yet he does so not as an end in itself but as a means only His end is the crafting of a grand philosophical system in the classical sense attempting to produce nothing less than a unified theory of the true the good and the beautiful [The Demands of Taste in Kant's Aesthetics](#) Brent Kalar,2006-10-15 Typically philosophers have either viewed beauty as objective and judgments of beauty as universally valid or else they have viewed beauty as subjective and regarded judgments of beauty as merely private preferences Immanuel Kant is famous for his unique third path Kant argues that beauty is subjective but the judgment of taste about beauty is capable of universal validity In his view the beautiful is not

a feature of objects themselves but merely represents the way we respond to objects Furthermore the judgment of taste about beauty is a merely aesthetic judgment i e one based on a feeling of pleasure we take in the object The judgment of taste on the other hand possesses universal validity to call something beautiful is implicitly to demand that all others find it beautiful as well Kant's views about the taste for the beautiful have long been the subject of controversy Scholars have differed over the interpretation of the demand contained in a judgment of taste and whether Kant's attempt to legitimate this demand is successful Brent Kalar argues that the demands of taste should be understood as involving a uniquely aesthetic normativity rooted in Kant's cognitive psychology If the basis of aesthetic pleasure in the activity of the cognitive faculties is properly understood then Kant's attempt to legitimate the demands of taste may be regarded as a success This leads Kalar to give a new interpretation of the nature of the beautiful according to Kant that re-examines the relationship between free play and the form of purposiveness in Kant's aesthetics and restores the aesthetic ideas to their rightful centrality in Kant's theory

Decoding **Nothing Wrong With A Three Legged Dog**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its capability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring.
