Nothing Happens Until It Happens to You T. M. Shine, 2011-04-05 Jeffrey Reiner is a middle manager's dream Predictable almost invisible and lacking ambition he's held the same tedious job for eighteen years typing up the calendar listings for a South Florida weekly As the economy and the newspaper industry crashed around him Jeffrey kept his head comfortably in the sand until he was terminated in the middle of his lunch hour Suddenly Jeffrey is staring at a deadline of twenty one weeks before his severance pay and unemployment benefits dry up and he has to figure out what to do next Plunged into the bizarre world of unemployment Jeffrey's attempts at networking lead him to his slacker neighbors an unorthodox state facilitator and a 1 800 mental health counselor What's even worse is now that he has no job to fill the daytime hours he can't ignore the fact that his family life is unraveling his wife communicates almost solely through detailed daily honey do lists his mother seems determined to get herself kicked out of her assisted living facility his teenage daughter has no use for him and seems wiser to the ways of the world than he'll ever be and his son has taken up a disturbing form of pest control to help make ends meet Even his dog finds a way to let him down With his job search going nowhere amid the wreckage of the American economy Jeffrey has no choice but to push beyond his comfort zone He takes on a string of ridiculous odd jobs for a guy known as enterprising dude that include dressing up as the Statue of Liberty and breeding fish in a tub of mud But as Jeffrey stumbles from one comic catastrophe to another he realizes that in opening up to the world he no longer wants to go back to his safe sheltered corner Full of whimsy wry humor and surprising insight Nothing Happens Until It Happens to You is a weird wonderful journey of self discovery that proves there's life after the pink slip after all
