L. Wegley, 2009-11-12 *Colby and Me* is a collection of true adventure stories drawn from the extraordinary lives of two best friends who believe that they grew up in the finest place at the greatest time ever to be kids in southern Oregon during the 1950s and early 1960s By the time H L was six years old he and Colby had become best buddies who shared a love of the outdoors as well as all things that exploded burned or shot H L shares both humorous and heartfelt stories as he chronicles many of their hair raising adventures beginning in the little country church where Colbys shameless hound Pal entered one Sunday morning and walked the aisle seemingly to receive his penance but in reality just wanting to sit next to his beloved master In a time when kids were free to simply be kids H L details how the boys explored mountaintop limestone caves built a rocket that went awry and viewed a meteorite that they were sure indicated the arrival of aliens The amusing tales of two rambunctious boys in *Colby and Me* highlight a

time in history when children learned valuable life lessons simply by experiencing one amazing adventure after another

*More Musings and Poetry* Victor Nippert, 2022-08-10 Vic Nippert brings us more of his ramblings through life from experiences he's had raising dogs to feeding crows and from dealing with dust bunnies rejection to butterflies in flight and migration And much more including Valentine covered underwear *More Musings and Poetry* is a continuation of the book *Musings* written by Vic Nippert and published by Covenant Books A collection of articles written for his church's newsletter *More Musings and Poetry* includes some of the poems he has written that were begun as a result of rough times in his later years some of the things we will all face or have already done so no matter what our ages Many of the articles were inspired by his own view of the energy and panoramic surroundings of his Hudson Valley home An expanse with important historic legends and stories from Rip Van Winkle The Revolutionary War the first steamboat mansions of millionaires along the Hudson River to contemporary changes in towns and cities undergoing organic transformations on the banks up the Hudson River But the people and their viewpoints and behavior change slower than the building construction and store fronts around them and it's the people that Vic observes that he writes about and the meaning of their lives And his life too The famous writer J R R Tolkien wrote in *The Fellowship of the Ring* a much used quote Not all who wander are lost And this is the goal of many of Vic's writings and musings Each one of us has an observation about our goals in life and how we may or may not succeed in reaching them But we all are looking for our own meaning in life and it may take some time to attain what that goal is Many times the wandering can be quite amusing teaching us that the voyage itself was the real goal all along Enjoy
