## **Now I Know The Ten Commandments:**

**The 10 Commandments Then and Now** Robert M. West,2013-05-01 Most everyone s heard of the Ten Commandments but what are they really all about Find out with The Ten Commandments Then and Now This new study views God s ancient law handed down to Moses at Mount Sinai from the perspective of twenty first century Christian faith The Ten Commandments contain both timeless moral laws and rules that help us understand and relate to God The apostle Paul said We know that the law is good if a man uses it properly 1 Timothy 1 8 niv and since Jesus came to fulfill the law Matthew 5 17 a study of the Ten Commandments can reveal truths to encourage challenge and build us up in our faith **Keeping the Ten Commandments** J. I. Packer,2008-01-07 They re often mistakenly considered God s rules his outdated list of do s and don ts that add up to a guilt ridden legalistic way of life But as beloved author and Bible scholar J I Packer probes the purpose and true meaning of the Ten Commandments you ll discover that these precepts can aptly be called God s blueprint for the best life possible They contain the wisdom and priorities everyone needs for relational spiritual and societal blessing and it s all coming from a loving heavenly Father who wants the best for his children Not only does Packer deliver these truths in brief readable segments but he includes discussion questions and ideas for further study at the end of each chapter This book will challenge you to view the commandments with new eyes and help you to understand perhaps for the first time the health hope and heritage you re offered there **Now I Know the 10 Commandments** Jan Allen,Russ Allen,2005 Presents the ten commandments using modern language and providing pictures and numbers to help readers memorize and understand them God - an illusion? Ronald Wild,2023-08-25 Is it possible that since the beginning people have worshipped and adored deities that never existed and were based only on wishful thinking because there simply must be higher powers for all inexplicable phenomena and so that life makes sense The author explains plausibly on the basis of the texts of the so called holy writings like Bible and Koran why deities spring from the wishful thinking of the people and not as described in these books the human being was created after the image of God Because an all wise God would certainly not have created such a defective being as man who ruthlessly exploits and destroys nature on whose existence he depends and also leads barbaric wars even in the name of God British Reformers: Writings of Thomas Cranmer. Writings of Rogers, Saunders, Taylor and Careless ,1842 The Ten Commandments United Church of God,2011-11-16 Can you find a proven source for lasting standards and values God revealed the heart of His standards the Ten Commandments long ago at Mount Sinai But what sets them apart from man made rules and guidelines What do they reveal about nature of God Himself In this booklet you ll discover the answers to these questions and more Inside this booklet The First Commandment What Is Our Greatest Priority The Second Commandment What Is God Like The Third Commandment From Profanity to Praise The Fourth Commandment Key to a Relationship With Our Creator The Fifth Commandment A Foundation for Success Sixth Commandment Life Is a Precious Gift Seventh Commandment Protect the Marital Relationship Eighth Commandment
