Webster, 2015-01-09 The original recipients of the Letter of First Peter inhabited a radically different social context from our own We do not live under Roman imperial rule Slave labor is not the driving force of our economy Women are not under patriarchal domination in our culture as they once were Society has changed but what is beyond dispute is that Western culture remains antithetical to God's will and hostile to the Jesus way The imperial Caesar has been replaced by the imperial self The Pax Romana has been replaced by the American Dream Western capitalism still trades in the bodies and

souls of human beings Culture obsesses over sexual freedom and material indulgence Idolatry is pervasive Autonomous individualism is the ideal First Peter is about the inevitable clash with culture that ensues because of the good news of Jesus Christ The Apostle Peter s bottom up profile of costly discipleship is far more radical than we may realize Hostility against the church is the believer s opportunity under pressure to reveal the goodness of God Suffering and submission are essential for Peter s Christ for culture strategy Sacrifice is the leverage of the gospel Cross bearing humility is the strategy for relating to culture and Christlike humility is essential for living in the household of God *I Made the Decision.....now What.....* Mary Philips Jones,2013-04-10 Specifically written for the new believer anyone who knows a new believer and anyone who expects to know a new believer this book can be the first steps in getting started on the road of Christian life Taking that first step of faith and receiving Jesus as Lord and Savior is the most amazingly wonderful experience for any new Christian However taking those next steps to becoming the best Christian YOU can be living the best Christian life YOU can live and getting the most out of this decision YOU have made can be very daunting especially since most don t even know how or where to begin But life is a journey and for Christians who want the most out of being a follower of Jesus the journey is spectacular Like any journey though you have to start somewhere In this little book the directions to help you begin the initial leg of your journey are mapped out for you It s just a beginning a jump start your first tank of gas even to get you going and on your way along the unique road God has planned out for your life So dig in to this book step on the gas and get going **A Primer for Christian Doctrine** Jonathan R. **Kierkegaard's Muse** Joakim Garff,2017-06-05 The first biography of Kierkegaard's literary muse and one time fianc e from the author of the definitive biography of the philosopher Kierkegaard's Muse the first biography of Regine Olsen 1822 1904 the literary inspiration and one time fianc e of Danish philosopher S ren Kierkegaard is a moving portrait of a long romantic fever that had momentous literary consequences Drawing on more than one hundred previously unknown letters by Regine that acclaimed Kierkegaard biographer Joakim Garff discovered by chance the book tells the story of Kierkegaard and Regine's mysterious relationship more fully and vividly than ever before shedding new light on her influence on his life and writings Like Dante's Beatrice Regine is one of the great muses of literary history Kierkegaard proposed to her in 1840 but broke off the engagement a year later After their break they saw each other strikingly often inside dimly lit churches on the streets of Copenhagen and on the paths along the old city ramparts passing by without uttering a word Despite or because of their separation in life Kierkegaard made Regine his literary life companion that single individual to whom he dedicated all his works Garff shows how Regine became a poetic presence in the frequent erotic conflicts found throughout Kierkegaard's writings from the famous Seducer's Diary account of their relationship to diary entries made shortly before his death in 1855 In turn Regine remained preoccupied with Kierkegaard until her own death almost fifty years later and her newly discovered letters written to her sister Cornelia reveal for the first time a woman of flesh and blood A psychologically acute narrative that is as gripping as a novel Kierkegaard's Muse is an unforgettable account of a wild strange and poignant romance that made an indelible mark on literary history Some images inside the book are unavailable due to digital copyright restrictions

Langley, 2014-08-22 What has Star Trek to do with eternal life It provides the perfect metaphor for understanding the main Christian views concerning what happens to us when we die In this book Silas Langley uses the Star Trek transporter beam to explain five main Christian views about life after death Each of us lives with some personal answer to the universal question of what comes after death Even among Christians views differ as to what exactly happens when we die Meanwhile the modern secular world increasingly challenges the possibility of life after death How can we live again after we die if much of science and philosophy suggests that all that we are dies with our bodies This book shows how each of these views responds to these challenges Death Resurrection and Transporter Beams sorts out these disagreements and their biblical grounding These differences matter since they bear on who we are and how we are to live our lives Readers will come away with a clearer understanding of their own beliefs on this topic and with tools to enter into dialogue with people whose beliefs differ     **O. D. Out of Darkness** Alton Allen Williams, Bonita Byrd Williams, 2010-03 This is a story of a man child in God s Promised Land who grew under His protection and favor while in complete ignorance of His dominion power and authority It is the biography of a young man who came of age during the Civil Rights era who rose from a working class upbringing skirting drugs and violence to become the first African American optometrist O D Doctor of Optometry in the state of Delaware This is the odyssey of one man s ascent to the upper echelons of black society only to find it was void of the true meaning he was seeking out of life Finally it is the tracing of the finger of God through the life of an ordinary man who found his way through salvation to his Father God and his true purpose for being service in the great commission that is to seek and to save those who are lost
