The Low Glycemic Diet Jeffrey Dunham, 2015-12-29 Lose up to 10 pounds in the first 2 weeks of Dr Jeffrey Dunham's proven program This innovative approach combines low glycemic food much like those emphasized on the Paleo Diet with popular high carb foods The trick is knowing what to eat when and how many calories to consume Dr Dunham's easy to follow coding system tells readers exactly how to do this The program is rooted in the science of calorie spikes When calorie spikes are kept low and spread out properly patients burn more fat Dr Dunham capitalizes on this science by using a combination of low glycemic foods and calorie counting to keep calorie spikes low His proven method has become the key to lasting weight loss for more than 10 000 people While popular diets have typically focused on counting calories or glycemic load The Low Glycemic Diet is the first diet to take into account how they interact The Low Glycemic Diet walks readers through Dr Dunham's diet and offers 75 exclusive recipes that are effective low glycemic high carbohydrate combinations The companion app which people use to check if their meals have the right combination of calories and glycemic scale rating has been downloaded more than 80 000 times

Unpredictable Stories of Life Experiences Expressed in Poetry Cathy Jones, 2010-02-19 Unpredictable stories are collections of my personal life experiences and other people's stories of experiences that no one could or would believe it could happen to me Over the years of working with people and hearing their stories was unbelievable but it really existed As a professional clinician in the helping field there are people that did not foresee their future and never thought that their lives would be in such shambles I physically talked with family members of the clients who confirmed that their stories were true I was placed in a position by the grace of God to help these people in

any way I could I have worked in homeless shelters all types of alcohol and drug treatment programs adolescent drug programs juvenile detention programs and high schools for at risk youth so I was very multifaceted with information and resources to assist people The people I encountered wanted so badly to improve their lifestyle and make their situations better I was listening to how their lives were and how they are now because of bad marriages molestation child abuse verbal abuse rape deaths sickness domestic violence incarceration and other equities that happen during the course and how they fell During the years of listening to people unpredictable situations that destroyed and changed their lives I decided to express it in poetry The title Unpredictable Stories expressed in Poetry I chose because there are some poems that anyone who reads it would be able to identify with possibly a part of their life the here or now My hope is that the words of my poetry will inspire people
