Gone to Kansas

1855 Kendall Gott, 2021-11-09 While shelves are filled with accounts of industry titans politicians and exalted military leaders this is a tale of an estranged young man making his way in a hard cold and often cruel world Escaping a dull future with little meaning he follows the example of his childhood hero and comes west into the Kansas Territory to seek his fortune He first joins a freighting company down the Santa Fe Trail and then returns to the turbulent Bleeding Kansas The long miles are marked by countless graves scoured by Indians and fought over by two bitterly opposed political factions Often discouraged he must thread his way through these obstacles and he

concludes that he could use a little divine inspiration *Hunt the Bismarck* Angus Konstam,2019-09-19 Hunt the Bismarck tells the story of Operation Rheinbung the Atlantic sortie of Nazi Germany's largest battleship Bismarck in May 1941 and her subsequent pursuit by the Royal Navy Bismarck entered naval service in the summer of 1940 She was well armed with eight 15in guns as well as a powerful array of lighter weapons while her armoured protection earned her the reputation of being unsinkable This claim was put to the test in May 1941 when she sortied into the Atlantic and fought the legendary battle of the Denmark Strait destroying HMS Hood the pride of the Royal Navy Bismarck was now loose in the North Atlantic However damage sustained in the battle limited her ability to roam at will and the Royal Navy deployed the Home Fleet to avenge the sinking of the Hood The stage was set for the greatest chase story in the history of naval warfare Drawing on a wealth of first hand accounts and intertwining extensive research into a fast paced narrative this is the most readable and accurate account of Bismarck's epic pursuit ever produced *Exodus from the Alamo* Phillip Thomas Tucker,2020-01-10 The award winning historian provides a provocative new analysis of the Battle of the Alamo including new information on the fate of Davy Crockett Contrary to legend we now know that the defenders of the Alamo during the Texan Revolution died in a merciless predawn attack by Mexican soldiers With extensive research into recently discovered Mexican accounts as well as forensic evidence historian Phillip Tucker sheds new light on the famous battle contending that the traditional myth is even more off base than we thought In a startling revelation Tucker uncovers that the primary fights took place on the plain outside the fort While a number of the Alamo's defenders hung on inside most died while attempting to escape Capt Dickinson with cannon atop the chapel fired repeatedly into the throng of enemy cavalry until he was finally cut down The controversy surrounding Davy Crockett still remains though the recently authenticated diary of the Mexican Col Jos Enrique de la Pe a offers evidence that he surrendered Notoriously Mexican Pres Gen Antonio Lopez de Santa Anna burned the bodies of the Texans who had dared stand against him As this book proves in thorough detail the funeral pyres were well outside the fort that is where the two separate groups of escapees fell on the plain rather than in the Alamo itself Royal Artillery: Glossary of Terms and Abbreviations Philip Jobson,2016-09-02 Since its creation in 1716 the Royal Artillery has been a cornerstone of the British Armed Forces as their motto Ubique Everywhere implies In this book Philip Jobson has collated the enormous and complex artillery lexicon which has accumulated since that day as dynamic as its subject to keep pace with technical and tactical innovation The development of indirect fire counter battery anti tank and anti aircraft fire all required a novel vocabulary as did advances in survey and locating Changes in communication from shouts to flags to line to radio to compressed data transmission all left their mark on the language Epic in scope and detail even the most expert Gunner would be likely to fail an unseen test based on this work It will therefore be a pleasure to those who think themselves expert to browse this volume and will serve as an invaluable reference for historians and researchers to ensure that they use the correct term and understand its true meaning The System States Rebellion Dietmar Arthur Wehr,2019-11-13 This
