**And Now We Have Everything** Meaghan O'Connell, 2025-05-01 A raw funny and fiercely honest account of becoming a mother before feeling like a grown up When Meaghan O'Connell got accidentally pregnant in her twenties and decided to keep the baby she realized that the book she needed a brutally honest agenda free reckoning with the emotional and existential impact of motherhood didn't exist So she decided to write it herself And Now We Have Everything is O'Connell's exploration of the cataclysmic impossible to prepare for experience of becoming a mother With her dark humor and hair trigger BS detector O'Connell addresses the pervasive imposter syndrome that comes with unplanned pregnancy the fantasies of a natural birth experience that erode maternal self esteem post partum body and sex issues and the fascinating strangeness of stepping into a new not yet comfortable identity Channeling fears and anxieties that are still taboo and often unspoken And Now We Have Everything is an unflinchingly frank funny and visceral motherhood story for our times about having a baby and staying for better or worse exactly yourself Smart funny and true in all the best ways this book made me ache with recognition Cheryl Strayed
