Bathsheba Monk, 2003-08-18 It s pretty much a straight shot from the upstate New York towns of Richard Russo s books to Bathsheba Monk s Cokesville PA This is coal and steel country The sort of place where an inch of soot on the windowsill means a regular paycheck and two inches means a fat one And what s the best make out spot in town Next to the burning slag heap In

seventeen beguiling linked stories spanning forty five years Monk brings a corner of America alive as never before Her world bursts with indelible characters Mrs Szilborski who bakes great cake but sprays her neighbors dogs with mace and Mrs Wojic who believes her husband was reincarnated as one of those dogs Then there is the younger generation Annie Kusiak who wants to write and Theresa Gojuk who dreams of stardom Cokesville is their Yoknapatawpha they ache to escape it and the ghosts of their ancestors and the regret of their parents What ghosts and what regrets When Theresa s father Bruno falls into a vat of molten steel the mill gives the family an ingot roughly his weight to bury As deliciously wry as Allegra Goodman in The Family Markowitz and with the matter of fact humanity of Grace Paley Bathsheba Monk leads us into a world that is at once totally surprising and recognizable These stories glow like molten steel **Now You Know, Volume 4**

Doug Lennox,2006-09-16 Building on the success of his previous bestsellers Now You Know Now You Know More and Now You Know Almost Everything this fourth volume is headed straight for the bestseller list It is Doug Lennox at his best as he masterfully dispenses the answers to quirky questions never losing sight of the joy of discovering the why of ordinary things Discover the fascinating histories behind people places and words WHY DO WE SAY THAT SOMEONE WHO HAS BEEN TREATED BADLY HAS BEEN HUNG OUT TO DRY Discipline on early British sailing ships was necessary but often extreme The cat o nine tails left sailors scarred for life but keelhauling tying a victim with a rope and pulling him under a ship was feared most If the prisoner survived he was suspended from a yardarm where he was left hanging for a predetermined period of time WHY IS A MILITARY DINING HALL CALLED A MESS The term goes back to the Middle Ages when British sailors began calling their meagre and often grub infested meals a mess It evolved into meaning the general area where the sailors gathered to eat Later it referred to a specific area where men gathered to eat drink and socialize *Covered with Darkness*

Donald J. Richardson,2015-03-16 I do not know how Covered with Darkness came about The process of creativity is still a mystery to me even as I try to teach it and this is especially true for everything that I write There is some indefinable inexpressible something that operates in the brain that I cannot analyze which I simply try to appreciate and use When it works I give thanks to the powers that be and when it doesnt cest la vie I believe there may be some hidden message in this work which I hesitate to try to discover let alone articulate Probably there is a moral or allegory of some sort but if you can find it gentle reader I wish you the best I will not echo Mark Twains admonition Persons attempting to find a plot in it will be shot Try to enjoy it is all I can offer **Living Sci. 6 Silver Jubilee**
