Charles E. Pullen,2019-01-25 The Book of Spiritual Poetry By Rev Charles E Pullen One night the Holy Spirit spoke to Rev Charles E Pullen while he was at a low point in his life saying You re not going to bed instead you re going to write a poem about your life and it ll help you feel better Thus The Book of Spiritual Poetry Enlightenment was born Through his writings Rev Pullen hopes that each reader will receive vibrant inspiration to know the Lord and develop a personal relationship with Him And for readers who already know Him Rev Pullen hopes his poetry helps them know the Lord more closely and intimately Enlightenment is the first in a series of books he hopes to publish      *Basking in the Cold War* Joseph R. Barry,2010-08-19 What happens when a na ve eighteen year old newly minted U S Marine is dropped into the ancient exotic also erotic and distinctly foreign environment of the Far East This book relates the experiences and adventures

that occurred during the young man's journey to coping with the cold war. There is no blood and guts here. No laudable heroism or sacrifice attends this young American's memoirs. He served his country as did tens of thousands of other Americans during the jittery period of the cold war with honor, loyalty, steadfastness, readiness, and as much tomfoolery and peccadilloes as could be conjured up. Although the hilarity and devilment described in the book belong in the past, the effect of this period of coping with a strange and powerful culture became a permanent part of character development. Our young American boy would be an entirely different man should he never have been one of America's guardians manning the far off ramparts during that perilous time. That is precisely why this book was written. The members of the American armed forces of the cold war have not been honored for their service. Some were ruined by being uprooted to these foreign shores; others found fulfillment; none were unaffected. It could easily have been otherwise. One false move, one mistake could have plummeted the United States and all their cold war warriors into the chaos of war again, and many of the names of men found within these pages might have ended up carved into the cold marble of a war memorial. It did not happen, and so this book is presented with pleasure and happy memories. It is hoped that the reader will enjoy basking in the cold war. *Mustang Bally* John Finnan, 2019-05-02. This anthology of creative writing blends the talents of the Ballymun and Ballyfermot libraries into one volume. Covering a range of styles, tones, and genres, this is a broad collection of flash fiction, poetry, haiku, and short stories. **Steampunk III: Steampunk Revolution** Ann VanderMeer, 2012-10-05. Playfully mashing up the romantic elegance of the Victorian era with whimsically modernized technology, the wildly popular steampunk genre is here to stay. Now long live the revolution. Steampunk Revolution features a renegade collective of writers and artists including steampunk legends and hot new talents rebooting the steam-driven past and powering it into the future. Lev Grossman's Sir Ranulph Wykeham Rackham GBE, a.k.a. Roboticus the All-Knowing, is the Six Million Dollar Steampunk Man, possessing appendages and workings recycled from metal parts yet also fully human, resilient, and determined. Bruce Sterling's White Fungus introduces steampunk's younger cousin, salvage punk, speculating on how cities will be built in the future using preexisting materials. Cat Valente's Mother Is a Machine explores the merging of man and machine and a whole new form of parenting. In Jeff VanderMeer's anti-steampunk story Fixing Hanover, a creator must turn his back on his creation because it is so utterly destructive. And Cherie Priest presents The Clockroach, a new and very unsettling mode of transportation. Going far beyond corsets and goggles, Steampunk Revolution is not just your granddad's zeppelin; it's an even wilder ride. Motivational Writing Lessons R. E. Myers, 2005-10. Includes 38 writing activities. **The Emerson Gospel** Robbyn Burger, 2012-03-07. Haley Emerson is a survivor. After enduring a childhood filled with the pain of a family thrown in turmoil by her alcoholic, womanizing father, Haley leaves Tennessee to establish a career on Wall Street, where greed and pragmatism are a way of life. But for Haley, the two evils serve as a refuge from her dysfunctional family. Haley views her success at a New York brokerage firm as a sign that she is finally free of her past and convinces herself that she will never be reckless and selfish like her

father Before long however she finds herself quelling her persistent inner demons with alcohol and doing anything and everything she needs to succeed even if it means others suffer as a result When she returns home for Christmas where she plans as always to secretly measure her success in New York she is once again forced to face the chronicle of her family's failures fortunes and self-inflicted madness But when the consequences of her unscrupulous behavior on Wall Street come back to haunt her Haley soon discovers just how tight a grip her family still has on her The Emerson Gospel is the poignant tale of one woman's journey to freedom and a life worth living as she slowly discovers the power of unconditional love

Songs That Saved Your Life (Revised Edition) Simon Goddard, 2013-03-26 One of the seminal groups of the Eighties The Smiths' career was as brilliant as it was brief Now drawing on interviews with band members producers and colleagues music journalist Simon Goddard presents a meticulous chronological survey of the group's musical evolution from their first demos in 1982 to their final fractured studio session five years later Investigating the stories behind the songs and detailing every British TV and radio session he also offers a unique analysis of each track's concert life Granted unprecedented access to The Smiths' studio archives and to the private collection of outtakes and rehearsals retained by drummer Mike Joyce the author lifts the lid on unreleased material as well as the lost songs and alternate versions that have remained closely guarded secrets until now
