Nowhere To Grow Homeless And Runaway Adolescents And Their Families

Brandon Andrew Robinson

Nowhere To Grow Homeless And Runaway Adolescents And Their Families:

Nowhere to Grow Les B. Whitbeck, Danny R. Hoyt, Les B Whitbeck and Dan R Hoyt begin their report on street children in the Midwest with the statement If you live in or have visited even a medium sized city recently you have seen runaway and homeless young people They congregate in certain downtown areas and hang out in malls during inclement weather Mostly they look like the other kids The difference is that they won t be going home tonight This book draws on a study of over six hundred runaway and homeless adolescents and over two hundred of their caretakers from cities in four Midwestern states It focuses on the family histories of these young people and on the developmental impact of early independence Street social networks subsistence strategies sexuality and street victimization are all considered as well as their effect on adolescent behaviors and emotional health Relying on interviews and data from survey research and working in partnership with street outreach agencies Whitbeck and Hoyt lead the reader through the various risk factors associated with precocious independence beginning in the family and extending to external environments and behaviors *Nowhere to Grow* is an emotional account of the cumulative consequences for young people with few good options at the outset and even fewer once they are on their own

Nowhere to Grow Les B. Whitbeck, 2017 Les B Whitbeck and Dan R Hoyt begin their report on street children in the Midwest with the statement If you live in or have visited even a medium sized city recently you have seen runaway and homeless young people They congregate in certain downtown areas and hang out in malls during inclement weather Mostly they look like the other kids The difference is that they won t be going home tonight This book draws on a study of over six hundred runaway and homeless adolescents and over two hundred of their caretakers from cities in four Midwestern states It focuses on the family histories of these young people and on the developmental impact of early independence Street social networks subsistence strategies sexuality and street victimization are all considered as well as their effect on adolescent behaviors and emotional health Relying on interviews and data from survey research and working in partnership with street outreach agencies Whitbeck and Hoyt lead the reader through the various risk factors associated with precocious independence beginning in the family and extending to external environments and behaviors *Nowhere to Grow* is an emotional account of the cumulative consequences for young people with few good options at the outset and even fewer once they are on their own Provided by publisher

Nowhere to Grow Les B. Whitbeck, Dan R. Hoyt, 1999 Les B Whitbeck and Dan R Hoyt begin their report on street children in the Midwest with the statement If you live in or have visited even a medium sized city recently you have seen runaway and homeless young people They congregate in certain downtown areas and hang out in malls during inclement weather Mostly they look like the other kids The difference is that they won t be going home tonight This book draws on a study of over six hundred runaway and homeless adolescents and over two hundred of their caretakers from cities in four Midwestern states It focuses on the family histories of these young people and on the developmental impact of early independence Street social networks subsistence strategies sexuality and

street victimization are all considered as well as their effect on adolescent behaviors and emotional health Relying on interviews and data from survey research and working in partnership with street outreach agencies Whitbeck and Hoyt lead the reader through the various risk factors associated with precocious independence beginning in the family and extending to external environments and behaviors Nowhere to Grow is an emotional account of the cumulative consequences for young people with few good options at the outset and even fewer once they are on their own *Nowhere to Grow* Les B. Whitbeck, 2017-07-05 Les B Whitbeck and Dan R Hoyt begin their report on street children in the Midwest with the statement If you live in or have visited even a medium sized city recently you have seen runaway and homeless young people They congregate in certain downtown areas and hang out in malls during inclement weather Mostly they look like the other kids The difference is that they won't be going home tonight This book draws on a study of over six hundred runaway and homeless adolescents and over two hundred of their caretakers from cities in four Midwestern states It focuses on the family histories of these young people and on the developmental impact of early independence Street social networks subsistence strategies sexuality and street victimization are all considered as well as their effect on adolescent behaviors and emotional health Relying on interviews and data from survey research and working in partnership with street outreach agencies Whitbeck and Hoyt lead the reader through the various risk factors associated with precocious independence beginning in the family and extending to external environments and behaviors Nowhere to Grow is an emotional account of the cumulative consequences for young people with few good options at the outset and even fewer once they are on their own Our Runaway and Homeless Youth Natasha Slesnick, 2004-05-30 The stories of four among hundreds of runaway youths treated in Slesnick's program illustrate points in this volume which offers a summary of the information known about runaway and homeless children and teenagers In addition to describing the breadth of this problem this book explains different types of runaway and homeless youths and why they leave home by choice or are asked to leave Slesnick also explains some of the factors common to these children and their families as well as what happens to the youths when they leave home Direction and support are provided for parents from this clinical psychologist who notes that there are few resources and programs across the nation designed specifically to help families with runaway youths Told by a parent and three runaways themselves the stories of four people trying to understand the causes and cope with the after effects of running away serve to illustrate research results and issues presented here This work will be of interest not only to parents of runaways and to mental health professionals but also to students of adolescent psychology family psychology and clinical child psychology **Runaway and Homeless Youth** Stephen J. Morewitz, 2016-07-20 This straightforward reference surveys the knowledge base on homeless runaway and thrown away children and adolescents and makes concrete recommendations for policy and practice It is a comprehensive volume that covers new state legislation in the U S dealing with runaway and homeless youth The book's ecological approach grounds readers in the demographics of this diverse population family and other risk factors for

leaving home and alternative arrangements such as foster care and the survival skills homeless young people use to sustain themselves Chapters cover a gamut of physical psychological and social problems from drug abuse to depression to STIs with special attention paid to the multiple difficulties faced by LGBT street youth and street youths experiences with the legal and justice systems The author also assesses established and emerging interventions used with runaway youth and the effectiveness of policy initiatives dealing with improving conditions for youth on the streets and at risk Included in the coverage Runaway youth at the time of their disappearance Food insecurity and related problems among homeless and runaway youth Substance use among homeless and runaway adolescents Runaway and homeless sexual minorities Court responses to runaway offenses and other juvenile status violations Street youth in different countries Presenting the complex situation as it stands and with clear suggestions for action Runaway and Homeless Youth is a valuable resource for family therapists sociologists social workers school administrators health professionals police judges and other criminal justice professional along with professionals involved in young people s well being and policy making initiatives

Mental Health and Emerging Adulthood among Homeless Young People Les B. Whitbeck, 2011-02-25 What happens to homeless and runaway adolescents when they become adults This is the first study that follows homeless youth into young adulthood and reviews the mental health consequences of runaway episodes and street life The adolescents were interviewed every three months for three years from their mid teens to their early twenties The study documents the psychological consequences associated with becoming adults when missing the critical developmental tasks of adolescence The authors report high levels of psychological problems associated with victimization prior to and after running away These victimization experiences shape the behaviors of these young people affecting their relationships with others and their chances of conventional adjustment Across time the more successful their adaptation to street life and the street economy the more barriers to conventional adult life emerge The distress including self mutilation and suicidal behaviors among this population is examined as well as the impact street life has on future relationships education and employment Nutritional and health problems are also explored along with the social and economic impact of this population on society As such the book provides insight about why the current prevention and treatment programs are failing in an effort to help policy makers modify approaches to adolescent runaways Intended as a supplementary text for undergraduate and or graduate courses on homelessness high risk youth social deviance adolescence and or emerging adulthood taught in departments of psychology human development sociology social work and public health this compelling book will also appeal to anyone who works with homeless adolescents

Street Kids Kristina E. Gibson, 2011-05-09 Street outreach workers comb public places such as parks vacant lots and abandoned waterfronts to search for young people who are living out in public spaces if not always in the public eye Street Kids opens a window to the largely hidden world of street youth drawing on their detailed and compelling narratives to give new insight into the experiences of youth homelessness and youth outreach Kristina Gibson

argues that the enforcement of quality of life ordinances in New York City has spurred hyper mobility amongst the city's street youth population and has serious implications for social work with homeless youth. Youth in motion have become socially invisible and marginalized from public spaces where social workers traditionally contact them jeopardizing their access to the already limited opportunities to escape street life. The culmination of a multi year ethnographic investigation into the lives of street outreach workers and their kids on the streets of New York City *Street Kids* illustrates the critical role that public space regulations and policing play in shaping the experience of youth homelessness and the effectiveness of street outreach.

Coming Out to the Streets Brandon Andrew Robinson, 2020-11-17 Lesbian, gay, bisexual, transgender and queer LGBTQ youth are disproportionately represented in the U.S. youth homelessness population. In *Coming Out to the Streets* Brandon Andrew Robinson examines their lives. Based on interviews and ethnographic fieldwork in central Texas, *Coming Out to the Streets* looks into the LGBTQ youth's lives before they experience homelessness within their families, schools and other institutions and later when they navigate the streets, deal with police and access shelters and other services. Through this documentation Brandon Andrew Robinson shows how poverty and racial inequality shape the ways that the LGBTQ youth negotiate their gender and sexuality before and while they are experiencing homelessness. To address LGBTQ youth homelessness Robinson contends that solutions must move beyond blaming families for rejecting their child. In highlighting the voices of the LGBTQ youth Robinson calls for queer and trans liberation through systemic change.

Globalizing the Streets Fabiola Salek, David C. Brotherton, 2008-06-24 Not since the 1960s have the activities of resistance among lower and working class youth caused such anxiety in the international community. Yet today the dispossessed are responding to the challenges of globalization and its methods of social control. The contributors to this volume examine the struggle for identity and interdependence of these youth, their clashes with law enforcement and criminal codes, their fight for social, political and cultural capital and their efforts to achieve recognition and empowerment. Essays adopt the vantage point of those whose struggle for social solidarity, self respect and survival in criminalized or marginalized spaces. In doing so they contextualize and humanize the seemingly senseless actions of these youths who make visible the class contradictions, social exclusion and rituals of psychological humiliation that permeate their everyday lives.

All God's Children Rene Denfeld, 2007-01-30 James Daniel Nelson first hit the streets as a teenager in 1992. He joined a clutch of runaways and misfits who camped out together in a squat under a Portland bridge. Within a few months the group they called themselves a family was arrested for a string of violent murders. While Nelson sat in prison the society he had helped form grew into a national phenomenon. Street families spread to every city from New York to San Francisco and to many small towns in between, bringing violence with them. In 2003, almost eleven years after his original murder, Nelson now called Thantos got out of prison, returned to Portland, created a new street family and killed once more. Twelve family members were arrested along with him. Rene Denfeld spent over a decade following the evolution of street family culture. She

discovered that contrary to popular belief the majority of these teenagers hail from loving middle class homes Yet they have left those homes to form insular communities with cultish hierarchies codes of behavior languages quasireligions and harsh rules She reveals the extremes to which desperate teenagers will go in their search for a sense of community and builds a persuasive and troubling case that street families have grown among us into a dark reversal of the American ideal

Youth Homelessness and Survival Sex Juliet Watson, 2017-10-10 Survival sex commonly understood to be the exchange of sex for material support is a practice that is associated with young homeless women However such a narrow definition of survival sex fails to recognise the multiple complex and coexisting motivations of young homeless women for engaging in intimate relationships in post industrial capitalist society In *Youth Homelessness and Survival Sex* Watson's insightful analysis of personal narratives reveals how young homeless women are exposed to situations in which survival can be impeded or assisted by playing out specific gender roles Indeed in identifying and contesting the dominant social discourses that young homeless women draw upon to frame their experiences of intimate affairs Watson challenges the reader to understand how gendered subjectivities are produced and performed through heteronormative relationships This enlightening book is vital in showing that homelessness is not a gender neutral phenomenon and that there are gender specific processes and practices involved in the navigation of poverty violence and social exclusion *Youth Homelessness and Survival Sex* will appeal to undergraduate and postgraduate students as well as postdoctoral researchers interested in fields such as Homelessness Youth Studies Social Work and Gender Studies

Rural Housing, Exurbanization, and Amenity-Driven Development Mark Lapping, 2016-04-15 Rural America is progressing through a dramatic and sustained post industrial economic transition For many traditional means of household sustenance gained through agriculture mining and rustic tourism are giving way to large scale corporate agriculture footloose and globally competitive manufacturing firms and mass tourism on an unprecedented scale These changes have brought about an increased presence of affluent amenity migrants and returnees as well as growing reliance on low wage seasonal jobs to sustain rural household incomes This book argues that the character of rural housing reflects this transition and examines this using contemporary concepts of exurbanization rural amenity based development and comparative distributional descriptions of the haves and the have nots Despite rapid in migration and dramatic changes in land use there remains a strong tendency for communities in rural America to maintain the idyllic small town myth of large lot single family home ownership This neglects to take into account the growing need for affordable housing both owner occupied and rental properties for local residents and seasonal workers This book suggests that greater emphasis be placed in rural housing policies that account for this rapid social and economic change and the need for affordable rural housing alternatives

Key Concepts in Youth Studies Mark Cieslik, Donald Simpson, 2013-01-15 What is youth How do we understand youth in its social and cultural context Mark Cieslik and Donald Simpson here provide a concise and readily accessible introduction to the interdisciplinary field of youth studies Drawing upon the latest research and

developments in the field as well as discussing the fundamental ideas underlying the discipline as a whole it offers a comprehensive yet unpacked understanding of youth as a social phenomenon Illuminating the many abstract and contested concepts within youth studies the book offers explanations to questions such as How might we define youth How can we understand young people in relation to their social identities and practices What is the relationship between youth and social class How do youth cultures develop How can we understand youth in a globalized perspective Key Concepts in Youth Studies stands out as a natural companion for students on youth studies sociology criminology and social science programmes It will also be useful for youth practitioners such as social workers and teachers **Being Heard** Kelly

Gorkoff,Jane Runner,2021-01-10T00:00:00Z Being Heard examines from their own perspectives and experiences the lives of young women sexually exploited through prostitution Putting their voices in the centre of its analysis the book tries to help us more fully understand the experiences of girls exploited through prostitution the complex issues of sex trade work and the ways to best respond to the issues Beginning with a discussion of what little we know about youth prostitution subsequent chapters address young women s experiences with community and government programs issues of self identity health and safety concerns experiences of violence factors that push young women into and may draw them out of sex trade work and the effectiveness of Canadian legislation in coming to the aid of young prostitutes The book is based on a four year research project undertaken with Prairie women involved in sex trade work as youth and those who provide programming for them

Homelessness in Rural America Paula A. Rollinson,John T. Pardeck,2019-03-19 This book deals with the rural homeless about whom little is known Offered here are some important insights into the unique problems facing the homeless in rural areas this population lacks adequate housing many live below the poverty level many lack basic services such as health care families are typically female headed substance abuse is a major problem and many of the rural homeless have emotional disabilities The finding that was unexpected is the history of family violence that most of the rural homeless have experienced throughout both childhood and adulthood More than 50 percent of the case records analyzed in this study show a history of family violence from murder to sexual abuse The data suggest that these rates of family violence are much higher than those reported for the urban homeless First published in 2006 Routledge is an imprint of Taylor Francis an informa company

Handbook of Adolescent Digital Media Use and Mental Health Jacqueline Nesi,Eva H. Telzer,Mitchell J. Prinstein,2022-07-14 Digital media including social media has fundamentally changed how the human species communicates with relates to and influences one another Adolescents use digital media extensively Researchers scholars teachers parents and teens themselves have many questions about the effects of digital media on young people s psychological development This handbook offers a comprehensive synthesis of scientific studies that explain what we know so far about digital media and its effects on youth mental health With chapters from internationally renowned experts in the fields of psychology psychiatry media and communications the book offers a broad overview of the positive and negative implications of youths

engagement with digital media for brain development relationships identity exploration daily behaviors and psychological symptoms Chapters include a discussion of the current state of knowledge directions for future research and practical suggestions for parents educators and teens themselves This title is also available as Open Access on Cambridge Core

Routledge Handbook of Street Culture Jeffrey Ross,2020-10-05 Discussions of street culture exist in a variety of academic disciplines yet a handbook that brings together the diversity of scholarship on this subject has yet to be produced The Routledge Handbook of Street Culture integrates and reviews current scholarship regarding the history types and contexts of the concept of street culture It is comprehensive and international in its treatment of the subject of street culture Street culture includes many subtypes situations locations and participants and these are explored in the various chapters included in this book Street culture varies based on numerous factors including capitalism market societies policing ethnicity and race but also advances in technology The book is divided into four major sections Actors and street culture Activities connected to street culture The centrality of crime to street culture and Representations of street culture Contributors are well respected and recognized international scholars in their fields They draw upon contemporary scholarship produced in the social sciences arts and humanities in order to communicate their understanding of street culture The book provides a comprehensive and accessible approach to the subject of street culture through the lens of an inter and or multidisciplinary perspective It is also intersectional in its approach and consideration of the subject and phenomenon of street culture On Your Own without a Net D. Wayne Osgood,E. Michael Foster,Constance Flanagan,Gretchen R. Ruth,2008-09-15 In the decade after high school young people continue to rely on their families in many ways sometimes for financial support sometimes for help with childcare and sometimes for continued shelter But what about those young people who confront special difficulties during this period many of whom can count on little help from their families On Your Own Without a Net documents the special challenges facing seven vulnerable populations during the transition to adulthood former foster care youth youth formerly involved in the juvenile justice system youth in the criminal justice system runaway and homeless youth former special education students young people in the mental health system and youth with physical disabilities During adolescence government programs have been a major part of their lives yet eligibility for most programs typically ends between the ages of eighteen and twenty one This critical volume shows the unfortunate repercussions of this termination of support and points out the issues that must be addressed to improve these young people s chances of becoming successful adults

Gender, Sex, and Sexuality among Contemporary Youth Patricia Neff Claster,Sampson Lee Blair,2017-11-27 This volume examines the evolving norms concerning sex gender and sexuality in the lives of children and adolescents addressing topics such as the development of gender identity sexual behavior among youth LGBT youth transgender youth parental and peer influences upon the development of gender and gender identity and dating violence

Nowhere To Grow Homeless And Runaway Adolescents And Their Families Introduction

In the digital age, access to information has become easier than ever before. The ability to download Nowhere To Grow Homeless And Runaway Adolescents And Their Families has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Nowhere To Grow Homeless And Runaway Adolescents And Their Families has opened up a world of possibilities. Downloading Nowhere To Grow Homeless And Runaway Adolescents And Their Families provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Nowhere To Grow Homeless And Runaway Adolescents And Their Families has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Nowhere To Grow Homeless And Runaway Adolescents And Their Families. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Nowhere To Grow Homeless And Runaway Adolescents And Their Families. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Nowhere To Grow Homeless And Runaway Adolescents And Their Families, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Nowhere To Grow Homeless And Runaway Adolescents And Their Families has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing

online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Nowhere To Grow Homeless And Runaway Adolescents And Their Families Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
