Oxford Slavonic Papers Oxford University Press, J. L. I. Fennell, I P Pirwin Paull Foote, Gerald C Stone, 1986-09-11 An annual publication the Oxford Slavonic Papers features original contributions and documents relating to the languages literatures culture and history of Russia and the other Slavonic countries Volume 17 contains essays on such topics as the rulers of 13th century Lithuania the politics of the legal process in early medieval Poland Morfill and the Czechs and love and marriage in Pushkin s Eugene Onegin *The New Cambridge Medieval History: Volume 5, C.1198-c.1300* Rosamond McKitterick, David Abulafia, 1995 Sample Text *The Military Reforms of Nicholas I* F. Kagan, 1999-04-14 In the 1830s Russia was facing a crisis The army was poorly organized the administration was underdeveloped inefficient and corrupt and the state was too poor to bear the strain This crisis was the principal driving force behind Russia s reforms of the 1830s and Nicholas policies can only be understood within the context of that crisis Within this context Frederick Kagan s *The Military Reforms of Nicholas I* examines Nicholas fundamental reorganization of the Russian military administration from 1832 1836 bringing about the birth of the modern Russian army *Vladimir Burtsev and the Struggle for a Free Russia* Robert Henderson, 2017-06-01 Vladimir Burtsev and the Struggle for a Free Russia examines the life of the journalist historian and revolutionary Vladimir Burtsev The book analyses his struggle to help liberate the Russian people from tsarist oppression in the latter half of the 19th century before going on to discuss his opposition to Bolshevism following the Russian Revolution of 1917 Robert Henderson traces Burtsev s political development during this time and explores his movements in Paris and London at different stages in an absorbing account of an extraordinary life At all times Vladimir Burtsev and the Struggle for Free Russia sets Burtsev s life in the wider context of Russian and European history of the period It uses Burtsev as a means to discuss topics such as European police collaboration European prison systems international diplomatic relations of the time and Russia s relationship with Europe specifically Extensive original archival research and previously untranslated Russian source material is also incorporated throughout the text This is an important study for all historians of modern Russia and the Russian Revolution *The Romantic Cult of Shakespeare* P. Davidhazi, 1998-08-19 Focusing on England Hungary and on some other European countries the book explores the latent religious patterns in the appropriation of Shakespeare from the 1769 Stratford Jubilee to the tercentenary of Shakespeare s birth in 1864 It shows how the Shakespeare cult used quasi religious verbal and ritual means of reverence how it made use of some romantic notions and how the ensuing quasi transcendental authority was utilized for political purposes The book suggests a theoretical framework and a comprehensive anthropological context for the interpretation of literature *The New Cambridge Bibliography of English Literature: Volume 1, 600-1660* George Watson, Ian Roy Willison, 1974-08-29 More than fifty specialists have contributed to this new edition of volume 1 of *The Cambridge Bibliography of English Literature* The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination

that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries *Russian Language Journal*, 1983 **Medieval Russia, 980-1584** Janet Martin, 2007-12-06 A revised edition of the history of Russia from 980 1584 **Imperial Borderland** Tuomo Polvinen, 1995 In 1904 the Russian Governor General in Helsinki Nikolai Ivanovich Bobrikov was assassinated by a Finnish nationalist In this study by Finland s leading diplomatic historian Tuomo Polvinen examines the tense and troubled relationship of Finland to the tsarist empire and the nature of Russian nationality policy at the turn of the century Bobrikov s appointment to the Grand Duchy of Finland in 1898 by Nicholas II led to a policy of intensified Russification that ended nearly a century of political equilibrium between the two states With access to previously unavailable Russian archival material Polvinen provides a uniquely balanced and informed view of this dramatic new phase in Russian Finnish relations Presenting Bobrikov in the overall context of Russian policy toward Finland Polvinen investigates such issues as Bobrikov s goals for Finland the effect of Russian politics on its Finnish policy and the influence of Russian journalists during this crucial period Offering insight into the workings of the Russian government and its borderland policy during a time of rising international tension *Imperial Borderland* will attract readers of Baltic Finnish Russian and Scandinavian history Those with an interest in the continuing importance of nationalism and nationalities policy in this region of the world will also find this book valuable *The Bathhouse at Midnight* William Francis Ryan, 1999-01-01 The title of this book refers to the classic time and place for magic witchcraft and divination in Russia *The Bathhouse at Midnight* by one of the world s foremost experts on the subject surveys all forms of magic both learned and popular in Russia from the fifth to the eighteenth century While no book on the subject could be exhaustive *The Bathhouse at Midnight* does describe and assess all the literary sources of magic witchcraft astrology alchemy and divination from Kiev Rus and Imperial Russia and to some extent Ukraine and Belorussia Where possible Ryan identifies the sources of the texts usually Greek Arabic or West European and makes parallels to other cultures ranging from classical antiquity to Finnic He finds that Russia shares most of its magic and divination with the rest of Europe Subjects covered include the Evil Eye the Number of the Beast omens dreams talismans and amulets plants gemstones and other materials thought to possess magic properties The first chapter gives a historical overview and the final chapter summarizes the political religious and legal aspects of the history of magic in Russia The author also provides translations of some key texts *The Bathhouse at Midnight* will be invaluable for anyone student teacher or general reader with an interest in Russia magic or the occult It is unique in its field and is set to become the definitive study of Russian magic *California Slavic Studies, Volume XI* Nicholas V. Riasanovsky, Gleb Struve, Thomas Eekman, 2022-05-13 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them

voice reach and impact Drawing on a backlist dating to 1893 *Voices Revived* makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1980 *Moderniser of Russia* K. Boterbloem,2013-02-27 This book investigates Russia s transformation into a European Power by way of the activities of the tsarist translator and official Andrei Vinius who became an important advisor to Peter the Great Vinius emerges as an influential conduit of Western culture and technology who played a key role in transforming Muscovy into Russia

Reference Guide to Russian Literature Neil Cornwell,2013-12-02 First Published in 1998 This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore confidently recommended for addition to reference libraries be they academic or public **The Russian Revolution of 1905** Anthony J. Heywood,Jonathan D. Smele,2013-04-03 2005 marks the centenary of Russia s first revolution an unplanned spontaneous rejection of Tsarist rule that was a response to the Bloody Sunday massacre of 9th January 1905 A wave of strikes urban uprisings peasant revolts national revolutions and mutinies swept across the Russian Empire and it proved a crucial turning point in the demise of the autocracy and the rise of a revolutionary socialism that would shape Russia Europe and the international system for the rest of the twentieth century The centenary of the Revolution has prompted scholars to review and reassess our understanding of what happened in 1905 Recent opportunities to access archives throughout the former Soviet Union are yielding new provincial perspectives as well as fresh insights into the roles of national and religious minorities and the parts played by individuals social groups political parties and institutions This text brings together some of the best of this new research and reassessment and includes thirteen chapters written by leading historians from around the world together with an introduction from Abraham Ascher **S. Harrison Thomson** Lubomyr Roman Wynar,1963 **The Publishers Weekly** ,1972 [The Crisis of Medieval Russia 1200-1304](#) John Fennell,2014-10-13 John Fennell s history of thirteenth century Russia is the only detailed study in English of the period and is based on close investigation of the primary sources His account concentrates on the turbulent politics of northern Russia which was ultimately to become the tsardom of Muscovy but he also gives detailed attention to the vast southern empire of Kiev before its eclipse under the Tatars The resulting study is a major addition to medieval historiography an essential acquisition for students of Russia itself and a book which decisively fills a vast blank on the map of the European Middle Ages for medievalists generally [The Fiction and Reality of Jan Struys](#) K. Boterbloem,2008-09-30 Dutch Sailmaker and sailor Jan Struys c 1629 c 1694 account of his various overseas travels became a bestseller after its first publication in Amsterdam in 1676 and was later translated into English French German and Russian This new book depicts the story of its author s life as well as the first singular analysis of the Struys text *The Language of Mineralogy* Matthew D. Eddy,2016-12-05 Classification is an important part of science yet the specific methods used to construct Enlightenment systems of natural history have proven to be the b te noir of studies of eighteenth century culture One reason that systematic classification has received so little attention is that natural history

was an extremely diverse subject which appealed to a wide range of practitioners including wealthy patrons professionals and educators In order to show how the classification practices of a defined institutional setting enabled naturalists to create systems of natural history this book focuses on developments at Edinburgh s medical school one of Europe s leading medical programs In particular it concentrates on one of Scotland s most influential Enlightenment naturalists Rev Dr John Walker the professor of natural history at the school from 1779 to 1803 Walker was a traveller cleric author and advisor to extremely powerful aristocratic and government patrons as well as teacher to hundreds of students some of whom would go on to become influential industrialists scientists physicians and politicians This book explains how Walker used his networks of patrons and early training in chemistry to become an eighteenth century naturalist Walker s mineralogy was based firmly in chemistry an approach common in Edinburgh s medical school but a connection that has been generally overlooked in the history of British geology By explicitly connecting eighteenth century geology to the chemistry being taught in medical settings this book offers a dynamic new interpretation of the nascent earth sciences as they were practiced in Enlightenment Britain Because of Walker s influence on his many students the book also provides a unique insight into how many of Britain s leading Regency and Victorian intellectuals were taught to think about the composition and structure of the material world

Zur Theorie der Lehnprägung im deutsch-tschechischen Sprachkontakt Aleš Půda, 2010 Welcher Teil einer Sprache ist nicht bei den Leisten der Lehnprägung geschlagen Um das fremde Sprachgut im eigenen Gewand ranken sich in den europäischen Philologien viele Mythen und Legenden die teils auf einer stiefmütterlichen Behandlung beruhen teils aber auch sprachpolitisch bewusst gestreut wurden Diese Arbeit versteht sich einesteils als theoretische Abhandlung zu den Bedingungen Ursachen und Prozessen die zu einer Aufnahme von deutsch-tschechischen Lehnprägungen im innerslavischen und weiteren europäischen Kontext führten Anderenteils schließt sich ihr ein tschechischer Wörterbuchteil mit ausgewählten calquierten Substantivbeispielen an deren etymologische sowie lexikographische Wortgeschichte soweit wie möglich nachgezeichnet wurde Dabei wurden neben neuen Lemmata auch Verbesserungen zu bereits vorhandenen Einträgen in den etymologischen Wörterbüchern des Tschechischen vorgenommen

Oxford Slavonic Papers New Series Volume Xii Introduction

In today's digital age, the availability of Oxford Slavonic Papers New Series Volume Xii books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Oxford Slavonic Papers New Series Volume Xii books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Oxford Slavonic Papers New Series Volume Xii books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Oxford Slavonic Papers New Series Volume Xii versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, Oxford Slavonic Papers New Series Volume Xii books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Oxford Slavonic Papers New Series Volume Xii books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Oxford Slavonic Papers New Series Volume Xii books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized

books and historical documents. In conclusion, Oxford Slavonic Papers New Series Volume Xii books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Oxford Slavonic Papers New Series Volume Xii books and manuals for download and embark on your journey of knowledge?
