Poems from the Heart Patricia Emery,2012-09 All of my poems actually do come from the heart Each one has its own little story behind it The ones that talk about a man who was tragically killed in a car accident was my fiance We got engaged in Dec 1976 and planned our wedding for June 18 1977 He was killed on Valentine s Day but not discovered until the next day The baby that was given up for adoption was my son whom I had searched for 35 years We were reunited last year when he was able to make more progress with the system than I could We have a beautiful relationship and I have a daughter in law and three more grandchildren The abusive relationship that I was in came from the man I was married to and fathered two boys He wasn t bad till the boys were born I couldn t take anymore when he started to attack the boys and we left The cover of the book reminds me of my mom and dad Moms name was Rose and dad liked to watch the birds in the yard Hence the flowers and the birds They have since passed So you see each poem has a special memory for me I put a lot of feeling in my poems I just feel so honored to be able to express these feelings in poetic form I hope the readers will take these to heart and feel the moment Some of them can also give them advice If you are in a bad relationship and it also involves children then they need to get out before something really drastic happens We have enough violence in this world today People need to think about what they are doing and who they are doing it to

Poems From the Heart Jean Marie Norman,2024-02-14 This book of poetry started with no thought process at all A few poems written over many years Mostly with very personal messages to family and friends Poems to my husband my grandchildren my friends Then for unknown reasons I started writing about life My life the lives of people I know and simply life in the world in which I live Many of these poems lean close to my heart thus the title They certainly do reflect my personal thoughts on life love loss and laughter Asterisked titles are titles given to me over time by my BFF who challenged me to write the poem You might say she spurred me on The world I grew up in and the world my grandchildren are growing up in are so significantly different it s sometimes hard to even imagine My poems reflect the changes both good and bad as perceived by the writer Some strike on my past some on the sadness of today s world and some simply on the joy I see in life I hope you find comfort humour and a wee bit of quietude in some of the poems and that you see the beauty of life both in the human factor and the world we ve been given to care for
