## **Prospering Parachurch Enlarging The Boundaries Of Gods Kingdom:**

Faith in the Halls of Power : How Evangelicals Joined the American Elite Religion and Urban Life Rice University D.

Michael Lindsay Assistant Professor of Sociology and Assistant Director and Faculty Fellow at the Center on Race, 2007-09-24

Evangelicals once at the periphery of American life now wield power in the White House and on Wall Street at Harvard and in Hollywood How have they reached the pinnacles of power in such a short time And what does this mean for evangelicals and for America Drawing on personal interviews with an astonishing array of prominent Americans including two former Presidents dozens of political and government leaders more than 100 top business executives plus Hollywood moguls intellectuals athletes and other powerful figures D Michael Lindsay shows first hand how they are bringing their vision of moral leadership into the public square This riveting volume tells us who the real evangelical power brokers are how they rose to prominence and what they re doing with their clout Lindsay reveals that evangelicals are now at home in the executive suite and on the studio lot and from those lofty perches they have used their influence money and ideas to build up the evangelical movement and introduce it to the wider American society They are leaders of powerful institutions and their goals are ambitious to bring Christian principles to bear on virtually every aspect of American life Along the way the book is packed with fascinating stories and striking insights Lindsay shows how evangelicals became a force in American foreign policy how Fortune 500 companies are becoming faith friendly and how the new generation of the faithful is led by cosmopolitan evangelicals These are well educated men and women who read both The New York Times and Christianity Today and who are wary of the evangelical masses penchant for polarizing rhetoric apocalyptic pot boilers and bad Christian rock Perhaps most startling is the importance of personal relationships between leaders a quiet conversation after Bible study can have more impact than thousands of people marching in the streets Faith in the Halls of Power takes us inside the rarified world of the evangelical elite beyond the hysterical panic and chest thumping pride to give us the real story behind the evangelical ascendancy in America

*The Prospering Parachurch* Wesley K. Willmer, J. David Schmidt, Martyn Smith, 1998-11-13 My friends and colleagues Wes Willmer and David Schmidt have done a marvelous job of capturing the essence of this parachurch movement I commend this book to you Billy Graham The first book to take a comprehensive look at one of the profound paradigm shifts that is redefining religion the parachurch what it is where it came from how it operates who supports it and what is its future Foreign missions social services health care relief and development camps prisons ministry evangelistic outreach schools and colleges rescue missions and television and radio broadcasting are just a few of the forms that this burgeoning movement has taken Willmer and Schmidt provide a new understanding of the transforming of God's Kingdom beyond traditional boundaries They offer practical guidance to parachurch leaders on managing their complex mix of stakeholders in planning for a more strategic future Those involved in both church and parachurch ministries and those who study religion will find the instructive text essential reading

*The Oxford History of Protestant Dissenting Traditions, Volume V* Mark P. Hutchinson, Mark Hutchinson, 2018 Volume V extends the study of the Oxford History of Dissenting Protestant Traditions series into the twentieth century following the spatial cultural and intellectual changes in dissenting identity and practice as these once European traditions globalized and settled down in other places *Contesting the Body of Christ* Myles Werntz, 2025-08-05 The church changed tremendously in the twentieth century with new churches emerging and old churches being renewed This period encompassed the birth of the World Council of Churches the rise of American evangelicalism the Second Vatican Council the coming of age of charismatic Christianity and more In this book Myles Werntz explores the landscape of twentieth century ecclesiology and shows how the four marks of the church were remade contested and reaffirmed in surprising and innovative ways in the course of this turbulent century Werntz asks what it means to say that the church is one holy catholic and apostolic amid so many diverse alternatives He explains how the many dynamics of the twentieth century posed both theological and ethical challenges for confessing the marks of the church but also what promise comes from expanding our vision of how God might be at work across traditions Werntz shows that the four marks of the church can help us see what the last century brought and what we might learn from it now He also provides guidance for the future of the twenty first century church The book includes a foreword from Ephraim Radner *Biblical Foundations for Baptist Churches* John S. Hammett, 2019-02-26 An updated examination of ecclesiology from a Baptist perspective In this useful book professor and former pastor John Hammett helps church leaders think through foundational questions about the nature of the church Blending biblical teaching and practical ministry experience Hammett presents a comprehensive ecclesiology from a historic Baptist perspective examining crucial contemporary issues such as church discipline the role of elders and church ministry in a post Christian culture This second edition contains updates throughout including Substantive changes to chapters on the nature of the church Baptist church polity and deacons An expanded chapter on baptism and the Lord's Supper A thoroughly revised chapter on church models like multisite churches and missional churches A brand new chapter on meaningful church membership ***The Surprising Work of God*** Garth M. Rosell, 2020-03-18 *The Surprising Work of God* tells the story of how America's mid twentieth century spiritual awakening became a worldwide Christian movement This seminal study brings a unique perspective to the history personalities and institutions of that period and offers an intimate look at evangelicalism through the window of the life ministry and writings of Harold John Ockenga and his long

friendship with Billy Graham Ockenga was pastor of the historic Park Street Congregational Church in Boston and cofounder of Fuller Theological Seminary Gordon Conwell Theological Seminary the National Association of Evangelicals and Christianity Today As such he was a central figure in the birth and development of American neo evangelicalism This lively engaging story will be of value to anyone with an interest in the American church of the last century *Southern Baptists, Evangelicals, and the Future of Denominationalism* David S. Dockery, Ray Van Neste, Jerry Tidwell, 2011 Leading Southern Baptist and Evangelical scholars R Albert Mohler Jr Ed Stetzer Timothy George etc discuss the most significant challenges within denominationalism and evangelicalism The Rise of the Nones James Emery White, 2014-04-29 The single fastest growing religious group of our time is those who check the box next to the word none on national surveys In America this is 20 percent of the population Exactly who are the unaffiliated What caused this seismic shift in our culture Are our churches poised to reach these people James Emery White lends his prophetic voice to one of the most important conversations the church needs to be having today He calls churches to examine their current methods of evangelism which often result only in transfer growth Christians moving from one church to another rather than in reaching the nones The pastor of a megachurch that is currently experiencing 70 percent of its growth from the unchurched White knows how to reach this growing demographic and here he shares his ministry strategies with concerned pastors and church leaders **The Preacher's Wife** Kate Bowler, 2019-10 Although most evangelical traditions bar women from ordained ministry many women have carved out unofficial positions of power in their husbands spiritual empires or their own ministries The biggest stars write bestselling books grab high ratings on Christian television and even preach Bowler offers a sympathetic and revealing portrait of megachurch women celebrities showing how they must balance the demands of celebrity culture and conservative male dominated faiths And black celebrity preachers wives carry a special burden of respectability A compelling account of women's search for spiritual authority in the age of celebrity adapted from jacket **Jesus Springs** William J. Schultz, 2025-10-07 In the years after World War II American evangelicals flocked to the once sleepy mountain town of Colorado Springs Drawn by cheap property beautiful scenery and the encouragement of civic leaders who saw religion as a path to prosperity evangelicals planted new churches and built religious nonprofits with a global reach They preached their message in churches and schools even in the United States Air Force Academy Their efforts transformed the city into what some called the Evangelical Vatican and others dubbed Jesus Springs But in the early 1990s as the evangelical movement shifted its focus from saving souls to securing political and economic power relations between the movement and the local community fractured Today the city faces the prospect of reinvention grappling with the challenges of America's fast changing religious landscape Jesus Springs reveals the power and influence of American evangelicalism within the nation's spiritual economy Linking the Cold War and the culture wars William J Schultz tracks how a deluge of defense spending helped Colorado Springs become the organizational heart of American evangelicalism This story taking place as

evangelicalism transformed from a primarily religious movement into the social and political force we know today illuminates the movement's potential impact as its participants seek ever greater power

**The Priesthood of All Students** Timothée Joset, 2023-06-30 Drawing on archival records and firsthand accounts this work explores the history theology and missiology of the International Fellowship of Evangelical Students IFES It examines how IFES's commitment to immediacy mediation and participation are grounded upon a firm belief in the priesthood of all believers and a missional ecclesiology that presupposes God's involvement in all aspects of life including the university It traces the impact of diverse cultures and theologies upon the manifold expressions of mission IFES has engaged and the role of IFES in extending the presence of God's people in places and among ideologies where traditional church structures have limited access This book is a powerful reminder of the transformative impact created when believers whether students or otherwise participate in the *missio Dei* as faithful and creative witnesses in their own contexts Bearing relevance for all those interested in a Christian perspective on the university or the theological reverberations of student ministry it also offers a robust theological framework for understanding the legitimacy of parachurch organizations and lay ministry

**The Body of Christ** Reinder Bruinsma, 2009 With a clear straightforward definition such as this the subject of the church isn't one that most people would consider a doctrine For this reason there aren't many books that deal with this crucial fundamental belief This very readable and informative treatment of such a vital topic fills an important gap in Adventist literature Reinder Bruinsma's far ranging look at the doctrine of the church moves from Old and New Testament foundations for this doctrine up through church government and on to controversial issues such as ordination and church discipline Fittingly he concludes with the mission and future of the church His fourfold approach biblical and theological historical practical and with an Adventist perspective ensures that every facet of the doctrine is explored in detail This thought provoking discussion challenges those who call themselves God's people to examine their current understanding of the church and to prayerfully consider their roles as part of the body of Christ Book jacket

**Management, Spirituality and Religion** Yochanan Altman, Kathryn Pavlovich, 2023-08-07 Celebrating a decade of progress in the fast developing field of management spirituality and religion this book provides the cr me de la cr me of academic scholarship in this crucial field of interest that lies in the intersection of religion spirituality with management and organization studies bridging the humanities the social sciences and business and management The very best articles that won the coveted best paper of the year award sponsored by the Sobey School of Business at Saint Mary s University in Halifax Canada and published in the top ranked interdisciplinary Journal of Management Spirituality and Religion illustrate the development of thinking over the past decade showcasing diverse theoretical orientations and methodological approaches written by the leading scholars in the field This authoritative collection will be a valued addition to university libraries as much as to specialized interest groups The book will be serving as key text for teaching and a must read for anyone wishing to inform themselves of this growing field of scholarship

**Leaning Both Ways at Once** Jeffrey A. Conklin-Miller, 2020-08-26 How should the Methodist tradition continue to embody its evangelistic mission Some believe effective evangelism requires ecclesial adaptation seeking relevance to attract outsiders But does this strategy result in the church s embrace of consumer market practices pandering to a world of church shoppers Others suggest the most evangelistic thing the church can do is to be the church displaying to the world the attractive beauty of a holy community But could this ironically distance the church from its context and neglect the many ways the church is called to engage the world The Wesleys formed a people called Methodist embodying an evangelistic mission combining commitments to disciplined spiritual life and vital social engagement In this book Conklin Miller suggests faithful United Methodist evangelism requires living in the tension between the church and the world leaning both ways at once emphasizing the holiness of the church as a particular people but at the same time being a people sent to intercede in the world as servants advocates and witnesses This understanding constitutes not only a broader reframing of evangelistic mission but also a vision for the identity and agency of the church in the Wesleyan tradition a Methodist missional ecclesiology

**Career Crossover** Tom R. Harper, 2007 A growing number of working people are leaving their marketplace jobs today for vocational ministry In this book anyone considering such a move will find answers to their questions such as Is God calling me into ministry and How do I know if it s really his voice and how do I respond Career Crossover studies hundreds of modern Christians who have made this change providing encouragement and lessons learned from their journeys out of the secular workforce This book also includes advice and reflections from an interview with best selling author Bob Buford Halftime and approximately 15 to 20 graphic helps It will serve as a practical instruction manual and handbook for anyone investigating a second career in ministry

**The Social Life of Scriptures** James Bielo, 2009-08-26 What do Christians do with the Bible How do they individually and collectively interact with the sacred texts Why does this engagement shift so drastically among and between social historical religious and institutional contexts Such questions are addressed in a most enlightening engaging and original way in The Social Life

of Scriptures Contributors offer a collection of closely analyzed and carefully conducted ethnographic and historical case studies covering a range of geographic theological and cultural territory including American evangelicals and charismatics Jamaican Rastafarians evangelical and Catholic Mayans Northern Irish charismatics Nigerian Anglicans and Chinese evangelicals in the United States The Social Life of Scriptures is the first book to present an eclectic cross cultural and comparative investigation of Bible use Moreover it models an important movement to outline a framework for how scriptures are implicated in organizing social structures and meanings with specific foci on gender ethnicity agency and power
