Province Of Buenos Aires And Argentine Politics 1912 1943

Timo H. Schaefer

Province Of Buenos Aires And Argentine Politics 1912 1943:

The Province of Buenos Aires and Argentine Politics, 1912-1943 Richard J. Walter, 2002-08-08 A political history of Argentina's wealthiest largest and most populous province Politics and Urban Growth in Buenos Aires, 1910-1942 Richard J. Walter, 2003-10-16 This book first published in 1994 describes the development of Buenos Aires during the period from 1910 to the early 1940s focusing on the role of politics and local government in the evolution of the city

Catholicism and Politics in Argentina, 1810-1960 Austen Ivereigh, 2016-07-27 A rare study of Catholicism in Latin American politics prior to Vatican II this work examines the role of Catholics and Catholic theology in the development of Argentine political history The author challenges standard interpretations in arguing that Argentine authoritarianism derives principally from the Enlightenment offshoots of liberalism and popular nationalism The author argues that the tension between these strains and a broad humanistic cultural framework informed by the Catholic tradition helps to explain Argentine political instability while shedding new light on leaders and movements and especially Peronism **Argentina's Radical Party and Popular Mobilization, 1916-1930** Joel Horowitz, 2010-11-01 *In the Shadow of Perón* Raanan Rein, 2008-05-22 Populism has been one of the most important phenomena in the political and social history of Latin America In the Shadow of Perón challenges several commonly held assumptions about the nature of populism and the relations between the charismatic leader and the popular masses Devoted to the second line of Peronist leadership in Argentina from the 1940s onwards it focuses on the figure of Juan Atilio Bramuglia who tried to offer an alternative path for the movement The volume stresses the heterogeneous nature of Peronism and traces the various ideological sources of its doctrine It also analyzes Perón's machinations in order to maintain his leadership and eliminate any opposition within the movement

Laywomen and the Making of Colonial Catholicism in New Spain, 1630-1790 Jessica L. Delgado, 2018-08-16 In the first history of laywomen and the church in colonial Mexico Jessica L Delgado shows how laywomen participated in and shaped religious culture in significant ways by engaging creatively with gendered theology about women sin and guilt in their interactions with church sacraments institutions and authorities Taking a thematic approach using stories of individuals institutions and ideas Delgado illuminates the diverse experiences of urban and rural women of Indigenous Spanish and African descent By centering the choices these women made in their devotional lives and in their relationships to the aspects of the church they regularly encountered this study expands and challenges our understandings of the church's role in colonial society the role of religion in gendered and racialized power and the role of ordinary women in the making of colonial religious culture **A Tale of Two Granadas** Max Deardorff, 2023-08-10 This book examines how race ethnicity and religious difference affected the concession of citizenship in the Spanish Empire's territories Gendering Antifascism Sandra McGee Deutsch, 2023-09-05 Argentine women's long resistance to extreme rightists tyranny and militarism culminated in the Junta de la Victoria or Victory Board a group that organized in the aftermath of the German invasion of the

Soviet Union in defiance of the neutralist and Axis leaning government in Argentina A sewing and knitting group that provided garments and supplies for the Allied armies in World War II the Junta de la Victoria was a politically minded association that mobilized women in the fight against fascism Without explicitly characterizing itself as feminist the organization promoted women s political rights and visibility and attracted forty five thousand members The Junta ushered diverse constituencies of Argentine women into political involvement in an unprecedented experiment in pluralism coalition building and political struggle Sandra McGee Deutsch uses this internationally minded but local group to examine larger questions surrounding the global conflict between democracy and fascism

Veracruz and the Caribbean in the Seventeenth Century Joseph M. H. Clark,2023-01-19 Explores how Veracruz s Afro Mexican residents drew on Caribbean relationships to define a distinctive social and cultural community The Social Construction of Democracy George Reid Andrews,Herrick Chapman,1997-05 The recent revival of democracy across much of the globe and the fragility of many of the new regimes have inspired renewed interest in the origins of dictatorship and democracy in modern times This book assembles renowned specialists on Eastern and Western Europe the U S Latin America and Japan to explore why democracies have succeeded and why they have failed over the past 100 years

The Lords of Tetzaco Bradley Benton,2017-05-02 The book examines how the indigenous nobility of Tetzaco navigated the tumult of Spanish conquest and early colonialism

For Christ and Country Robert Weis,2019-08-29 Explores the religious world of the young urban Catholics who conspired to kill Mexican President Ivar Obreg n in 1928 Liberalism as Utopia Timo H. Schaefer,2017-08-07 Liberalism as Utopia challenges widespread perceptions about the weakness of Mexico s nineteenth century state Schaefer argues that after the War of Independence non elite Mexicans peasants day laborers artisans local merchants pioneered an egalitarian form of legal rule by serving in the town governments and civic militias that became the local faces of the state s coercive authority These institutions were effective because they embodied patriarchal norms of labor and care for the family that were premised on the legal equality of male adult citizens The book also examines the emergence of new illiberal norms that challenged and at the end of the century during the dictatorship of Porfirio D az overwhelmed the egalitarianism of the early republican period By comparing the legal cultures of agricultural estates mestizo towns and indigenous towns Liberalism as Utopia also proposes a new way of understanding the social foundations of liberal and authoritarian pathways to state formation in the nineteenth century world

The Two Princes: Juan D. Perón and Getulio Vargas Alejandro Groppo,2010 Shadows of Empire David T. Garrett,2005-09-12 This book traces the history of the late colonial Andean elite and their privilege and authority

Warfare and Shamanism in Amazonia Carlos Fausto,2012-03-19 Warfare and Shamanism in Amazonia is an ethnographic study of the Parakan a little known indigenous people of Amazonia who inhabit the interfluvial region in the state of Par Brazil This book analyzes the relationship between warfare and shamanism in Parakan society from the late nineteenth century until the end of the twentieth century Based on

the author's extensive fieldwork the book presents first hand ethnographic data collected among a generation still deeply involved in conflicts The result is an innovative work with a broad thematic and comparative scope **The British Textile Trade in South America in the Nineteenth Century** Manuel Llorca-Jaña,2012-06-18 Covers British trade with the republics of Argentina Chile and Uruguay **Rebellion on the Amazon** Mark Harris,2010-09-13 This is the first book length study in English to examine the Cabanagem one of Brazil's largest peasant and urban poor insurrections *The Mexican Revolution's Wake* Sarah Osten,2018-02-22 A social and political history of Mexico's first political system after the Revolution that demonstrates the critical influence of regional socialist parties **Before Mestizaje** Ben Vinson III,2017-12-07 This book opens new dimensions on race in Latin America by examining the extreme caste groups of colonial Mexico In tracing their experiences a broader understanding of the connection between mestizaje Latin America's modern ideology of racial mixture and the colonial caste system is rendered Before mestizaje emerged as a primary concept in Latin America an earlier precursor existed that must be taken seriously This colonial form of racial hybridity encased in an elastic caste system allowed some people to live through multiple racial lives Hence the great fusion of races that swept Latin America and defined its modernity carries an important corollary Mestizaje when viewed at its roots is not just about mixture but also about dissecting and reconnecting lives Such experiences may have carved a special ability for some Latin American populations to reach across racial groups to relate with and understand multiple racial perspectives This overlooked deep history of mestizaje is a legacy that can be built upon in modern times

Yeah, reviewing a book **Province Of Buenos Aires And Argentine Politics 1912 1943** could build up your close contacts listings. This is just one of the solutions for you to be successful. As understood, achievement does not recommend that you have wonderful points.

Comprehending as without difficulty as contract even more than other will offer each success. next to, the notice as capably as perception of this Province Of Buenos Aires And Argentine Politics 1912 1943 can be taken as with ease as picked to act.
