Psychoanalysis, Feminism, and the Future of Gender

edited by Joseph H. Smith
and Afaf M. Mahfouz

Psychoanalysis And Feminism

Jane Gallop

Psychoanalysis And Feminism:

Psychoanalysis And Feminism Juliet Mitchell, 2000-09-11 Originally published London Allen Lane 1974 **Between Feminism and Psychoanalysis** Teresa Brennan, 2002-03-11 In this landmark collection of original essays outstanding feminist critics in Britain France and the United States present new perspectives on feminism and psychoanalysis opening out deadlocked debates The discussion ranges widely with contributions from feminists identified with different often opposed views on psychoanalytic criticism The contributors reassess the history of Lacanian psychoanalysis and feminism and explore the significance of its institutional context They write against the received views on French feminism and essentialism A remarkable restatement of current positions within psychoanalysis and feminism the volume as a whole will change the terms of existing debates and make its arguments and concerns more generally accessible Feminism and Its Discontents Mari Jo BUHLE, Mari Jo Buhle, 2009-06-30 With Sigmund Freud notoriously flummoxed about what women want any encounter between psychoanalysis and feminism would seem to promise a standoff But in this lively often surprising history Mari Jo Buhle reveals that the twentieth century's two great theories of liberation actually had a great deal to tell each other Starting with Freud's 1909 speech to an audience that included the feminist and radical Emma Goldman Buhle recounts all the twists and turns this exchange took in the United States up to the recent American vogue of Jacques Lacan While chronicling the contributions of feminism to the development of psychoanalysis she also makes an intriguing case for the benefits psychoanalysis brought to feminism From the first American psychoanalysis became the property of freewheeling intellectuals and popularists as well as trained analysts Thus the cultural terrain that Buhle investigates is populated by literary critics artists and filmmakers historians anthropologists and sociologists and the resulting psychoanalysis is not so much a strictly therapeutic theory as an immensely popular form of public discourse She charts the history of feminism from the first wave in the 1910s to the second in the 1960s and into a variety of recent expressions Where these paths meet we see how the ideas of Freud and his followers helped further the real life goals of a feminism that was a widespread social movement and not just an academic phenomenon The marriage between psychoanalysis and feminism was not pure bliss however and Buhle documents the trying moments most notably the Momism of the 1940s and 1950s a remarkable instance of men blaming their own failures of virility on women An ambitious and highly engaging history of ideas Feminism and Its Discontents brings together far flung intellectual tendencies rarely seen in intimate relation to each other and shows us a new way of seeing both Table of Contents Introduction Feminism Freudianism and Female Subjectivity Dissent in Freud's Ranks Culture and Feminine Personality Momism and the Flight from Manhood Ladies in the Dark Feminists versus Freud Feminine Self in Relation The Crisis in Patriarchal Authority In the Age of the Vanishing Subject Notes Acknowledgments Index Reviews of this book Where some feminists have been hostile to psychoanalysis and some psychoanalysts have been hostile to feminism Buhle a MacArthur Fellow and professor at Brown University finds them linked

in their quest to understand selfhood gender identity family structures and sexual expression *Feminism and Its Discontents* is an excellent guide to the history of these ideas The struggles of feminism and psychoanalysis may be cyclical but they are far from over and far from dull Elaine Showalter *Washington Post Book World* Reviews of this book Buhle's project is to uncover the continual conversation that feminism and psychoanalysis have had with one another to show how they are mutually constitutive By charting the exchanges between psychoanalysis and feminism *Feminism and Its Discontents* corrects the common impression that feminist criticisms fell on deaf if not disdainful ears Buhle takes pains to detail how feminists and their opponents inside and outside psychoanalysis have set the terms for key debates Buhle is an animated and engaged storyteller The story she tells covering nearly a century of the vicissitudes of psychoanalysis and feminism is full of twists and turns well chosen anecdotes and occasional double crosses The cast of characters is inspiring exasperating remarkable mercurial colorful and sometimes slightly loony Buhle draws them with sympathy and a keen eye for the evocative detail Buhle writes with zest touches of humor and energy Her style is witty and readable It is no mean feat to avoid ponderous and technical language when writing about psychoanalysis but she manages it All told psychoanalysis and feminism sometimes in tandem and sometimes at arm's length have made vital contributions to the question of female selfhood The odd couple of our century they share a large part of the responsibility for our particular form of self consciousness and for the meaning of individuality in modern society Mari Jo Buhle deftly illuminates how together they advanced the ambiguous and radical project of modern selfhood Jeanne Marecek *Women's Review of Books* Reviews of this book *Feminism and Its Discontents* sets out to unravel the wondrously complex love hate relationships between and within feminism and psychoanalysis which it sees as the two most important movements of modernity The twists and tensions in that relationship highlight the continuous arguments around sexual difference and their entanglement in the messy conflicts in women's lives between motherhood and careers self realization and gender justice Buhle leads her readers through the repeated battles over feminism Freudianism and female subjectivity with exceptional clarity and care Her book will serve as a reliable introduction for those who have scant knowledge of the historical ties binding feminism to psychoanalysis and is also useful for those who wish to remind themselves of what they thought they already knew but may well have forgotten Lynn Segal *Radical Philosophy* Reviews of this book *Feminism and Its Discontents* adds a novel and welcome twist to the Freud conversation the proposition that feminism was so central to Freud's Americanization that the quest for gender equality can be credited with turning psychoanalysis into what we imagine it always was an enterprise centered on femininity and female sexuality Buhle's assertions are as enticing as they are controversial The book is as relevant for students of feminist politics as for scholars interested in the history of psychoanalysis itself Ellen Herman *Journal of American History* Reviews of this book An exhaustively researched and accessibly written account of the intersections and collisions between psychoanalysis and feminism Buhle chronicles the gyrations of history and assesses how social theory influences culture and vice versa The

result is far reaching and she is at her best when reflecting on how the mainstream accommodates and interprets the scholarly. Overall the text promises a lively overview of the mutual benefits derived from a critical coalition between psychoanalysis and feminism. Highly recommended for all libraries. Eleanor J Bader Library Journal Reviews of this book

Buhle bases her intriguing and expansive historical study on the premise that feminism and psychoanalytic theory each in its own way concerned with understanding the self developed in continuous dialogue with each other. The author's captivating energetic writing style reflects the often spirited surprisingly tenacious relationship of these two theories from their emergence as unlikely bedpartners of Modernism through the shifting intellectual patterns of this century and the insidious mother blaming of the 50s to the contemporary postmodern paradigm of subjectivity and selfhood. Combining thorough research and incisive analysis Buhle examines the ongoing discourse among Freudian new Freudian and feminist theorists throughout the century as well as the endless fascination of popular culture with the questions of biology versus culture difference versus equality. A vital addition to both women's studies and psychology collections. Grace Fill Booklist Reviews of this book

Feminism and Its Discontents covers a dazzling spectrum of thinkers and polemicists ranging from Charlotte Perkins Gilman to Barbara Ehrenreich with admirable clarity and succinctness. Buhle's reach in terms of American and French classical neo and post Freudian writing by men and women on women's psychosexual development is equally impressive. Few scholars would attempt a comprehensive intellectual history on such a charged topic. Buhle has done so in this informative scholarly feat. Kirkus Reviews

Reviews of this book: Buhle has bridged the void between feminism and psychoanalysis with a historian's thorough and penetrating interpretation of theories and thoughts implicit in 20th century liberation movements. The introduction is clearly developed and carefully documented. Each chapter is skillfully organized with extensive references and notes to motivate the astute scholar. There is no question that Buhle has adeptly used a multidisciplinary approach to present ideas and thoughts that give contemporary feminists and post Freudians another opportunity for dialogue on the terms difference and equality. G M Greenberg

Choice: Feminism and psychoanalysis have each been defining moments of this now fading century and in their tangled relations lie some of its main preoccupations. It takes a historian's eye to unravel this story and one with the breadth sympathy insight and wit of Mari Jo Buhle to do it justice. *Feminism And Its Discontents* will undoubtedly stand as the definitive study of the encounter between these two great movements. Joel Kovel

Bard College author of *Red Hun* **Subject to Biography** Elisabeth Young-Bruehl, 1998 This book pays tribute to 14 women who donated millions of dollars to causes close to their hearts *Psychoanalyses / Feminisms* Peter L. Rudnytsky, Andrew Gordon, 2000-01-01 Bringing together twelve provocative and iconoclastic contributions by leading scholars and new voices this book probes the complementary yet contested relations between various forms of contemporary psychoanalysis and feminism. The intention is not simply to juxtapose these two preeminent intellectual movements of the twentieth century but to highlight the manifold nature of each. The contributors use and interrogate Freud

Lacan Klein Irigaray Riviere and Jessica Benjamin as well as object relations theory self psychology and Horneyan theory as they discuss the work of such writers as D H Lawrence Emily Bronte Virginia Woolf and Kathy Acker If feminism has insisted that the personal is political psychoanalysis argues that no realm of human life is impervious to unconscious motives which may subvert a subject's avowed intentions Although Freud remains a point of reference he is now important as a symptom of the crises of Western patriarchal culture as well as for his epoch making theoretical ideas Because feminism and psychoanalysis unsettle each other's complacencies they rekindle their own radical potential and what may be perhaps termed their marriage has proven as this book amply shows to be both enduring and fecund Thinking Fragments Jane Flax, 2023-04-28 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1990 The Bonds of Love Jessica Benjamin, 2013-05-01 Why do people submit to authority and derive pleasure even others have over them What is the appeal of domination and submission and why are they so prevalent in erotic life Why is it so difficult for men and women to meet as equals Why indeed do they continue to recapitulate the positions of master and slave In The Bonds of Love noted feminist theorist and psychoanalyst Jessica Benjamin explains why we accept and perpetuate relationships of domination and submission She reveals that domination is a complex psychological process which ensnares both parties in bonds of complicity and shows how it underlies our family life our social institutions and especially our sexual relations in spite of our conscious commitment to equality and freedom

Psychoanalysis and Feminism Juliet Mitchell, 2000 Juliet Mitchell and the Lateral Axis R. Duschinsky, S.

Walker, 2015-03-18 This volume fills the gap in books dedicated to the ideas of ground breaking theorist Juliet Mitchell Essays from internationally renowned scholars address themes that cross cut her oeuvre equality violence collective movements subjectivity sexuality and power Mitchell herself contributes a chapter and an afterward **Feminism and Psychoanalysis** Elizabeth Wright, 1992-11-03 **Feminism and Psychoanalysis** A Critical Dictionary is of major interest to those who are aware of the breadth of its two component areas and wish to explore the common ground between them more intensively Entries deal with concepts from and significant figures in psychoanalysis issues of sexual politics that intersect with psychoanalysis feminist aesthetics and criticism which both use and challenge psychoanalytic thought Each entry concludes with a short carefully selected list of further reading Psychoanalysis, Feminism, and the Future of Gender Joseph H. Smith, 1994 Written by distinguished and varied contributors they explore the complex relationship between feminism and psychoanalysis and address broader questions of gender **Psychoanalysis and Feminism** Juliet Mitchell, 1975 *Psychoanalysis and Feminism*, 2000 **Feminism and Psychoanalysis** Jane Gallop, 1982-06-24

Family Interpreted Deborah A. Luepnitz, 1988 Presents solid psychotherapy methods based on a coherent view of the

family within society The author proposes and demonstrates in full length case studies a new therapy constructed from feminist psychoanalytic theory

Psychoanalysis and Feminism J. Mitchell, 1979 *The Daughter's Seduction* Jane Gallop, 1984

On the Relation Between Feminism and Psychoanalysis Anna Maria Rain, 2010-02-24 Essay aus dem Jahr 2009 im Fachbereich Didaktik für das Fach Englisch Landeskunde Trinity College Dublin The University of Dublin Department of English Veranstaltung Critical and Cultural Theory Sprache Deutsch Abstract In her article *Feminism A Movement to End Sexist Oppression* Bell Hooks claims that the major problem within feminist discourse is the inability to either arrive at a consensus of opinion about what feminism is or accept definitions that could serve as points of unification Without agreed upon definitions feminism lacks a sound foundation on which to construct a theory or engage in overall meaningful praxis Presumably it is also due to this internal vagueness in definition that feminism turned to other more or less related schools of thought such as Marxism science studies or psychoanalysis in order to stabilize itself in the academic world From all liaisons with the above mentioned and many other analytic fields that feminism entered I find psychoanalysis to be the most natural as feminism for all its difficulties in definition explicitly aims to end sexist oppression⁴ In order to do so it needs to closely analyse sex sexes and genders for which it lacks a methodological apparatus of its own Whereas in other disciplines that feminists have tried to reshape for their purposes i.e. sciences more concerned with societal problems such as politics the argument for gender neutrality or irrelevance can be more easily sustained by traditionalists the advantages of a feminist psychoanalytic approach are substantial as Nancy Chodorow⁵ argues

Female Subjects in Black and White Elizabeth Abel, Barbara Christian, Helene Moglen, 2023-09-01 This landmark collaboration between African American and white feminists goes to the heart of problems that have troubled feminist thinking for decades Putting the racial dynamics of feminist interpretation center stage these essays question such issues as the primacy of sexual difference the universal nature of psychoanalytic categories and the role of race in the formation of identity They offer new ways of approaching African American texts and reframe our thinking about the contexts discourses and traditions of the American cultural landscape Calling for the racialization of whiteness and claiming that psychoanalytic theory should make room for competing discourses of spirituality and diasporic consciousness these essays give shape to the many stubborn incompatibilities as well as the transformative possibilities between white feminist and African American cultural formations Bringing into conversation a range of psychoanalytic feminist and African derived spiritual perspectives these essays enact an inclusive politics of reading Often explosive and always provocative *Female Subjects in Black and White* models a new cross racial feminism This landmark collaboration between African American and white feminists goes to the heart of problems that have troubled feminist thinking for decades Putting the racial dynamics of feminist interpretation center stage these essays question such issues

The Spoils of Freedom Renata Salecl, 2002-01-31 The rise of nationalist racist and anti feminist ideologies is one of the most frightening repercussions of the collapse of socialism Using psychoanalytic theories of

fantasy to investigate why such extremist ideologies have taken hold Renata Salecl argues that the major social and political changes in post communist Eastern Europe require a radical re evaluation of notions of liberal theories of democracy In doing so she offers a new approach to human rights and feminism grounded in her own active participation in the struggles first against communism and now against nationalism and anti feminism

Decoding **Psychoanalysis And Feminism**: Revealing the Captivating Potential of Verbal Expression
