What does a successful woman look like The shoulder pad wearing Alpha The dogmatist who rules with an iron fist The reality is far more nuanced Yet women are still reduced to Alpha boss or the Beta secretary or assistant but when 47% of the workforce are reduced to two unhelpful stereotypes how can you embrace your inner Beta and be a success on your own terms It s an important question because the world is changing fast Successful companies need people who can lead with emotional intelligence be flexible to new ideas and adapt their plans when required leaving their ego at the door The Beta woman s time is now Beta celebrates the collaborators the pragmatists and the people who believe that being nice works and getting your own way isn t always the most important thing It explores the unsung workforce of Beta women who are being great bosses great leaders and are still living their own lives having relationships making time for friends having families Fully researched and rich with interviews anecdotes and case studies Beta will be a smart and entertaining read that really explores the role of women in the workplace today *Journey to Eternity* Joree Williams,2010-07-28 This is Joree Williams fifth book It has to do with the loss of her son and shows the depth of her inner soul This journey is one that will make your eyes tear up but you will experience the stages of denial anger depression and more to finally acceptance If you have lost someone dear to you this book is a must read Williams will through her own battle for peace help you find yours The book includes a full glossary **Hutu Rebels** Anna Hedlund,2019-10-04 In 1994 almost one million ethnic Tutsis were killed in the genocide in Rwanda In the aftermath of the genocide some of the top echelon Hutu officers who had organized it fled Rwanda to the eastern Congo DRC and set up a new base for military operation with the goal of retaking power in Kigali Rwanda More than twenty years later these rebel forces comprise a diverse group of refugees rebel fighters and civilian dependents who operate from mountain areas in the Congo forests and have a long and complex history of war and violence While media and human rights reports typically portray this rebel group as one of the most brutal rebel factions operating in the eastern Congo region Hutu Rebels paints a more complex picture Having conducted ethnographic fieldwork in a rebel camp located deep in the Congo forest Anna Hedlund explores the micropolitics and practices of everyday life among a community of Hutu rebel fighters and their families living under the harshest of conditions She describes the Hutu fighters not only as a military unit with a vision of return to Rwanda but also as a community engaged in the present Congo conflicts Hedlund focuses on how fighters and their families perceive their own life conditions how they remember and articulate the events of the genocide and why they continue to fight in what appears to be an endless conflict Hutu Rebels argues that we need to move beyond compiling catalogs of atrocities and start examining the ordinary life of combatants if we want to understand the ways in which violence is expressed in the context of a most brutal conflict **Ground Zero** Andrew Holleran,1988 On the effect of living surrounded by AIDS and reminders of it Misha Schutt Turn My World Upside-Down Maureen Child,2014-10-14 With her sisters both too pregnant to help with Marconi Construction Jo Marconi is forced to hire carpenter Cash Hunter whose rumored talents go beyond a mastery of wood Cash is determined to seduce her and Jo s just
