Quotes Are Tremendous:

Quotes Are Tremendous Charles E. Jones,1995-01 Whether you are a general inspiring your troops a teacher educating a student a father or mother lecturing your child a salesperson making a point a preacher moving your congregation or a speaker motivating an audience there is nothing that can empower you more than a Tremendous quote If you want to get their attention quickly and be remembered begin with a Tremendous quote end with a Tremendous quote and season your remarks with Tremendous quotes I began reading quotes thirty five years ago and now my name is mentioned around the world because of my repeating a quote I read in a book written over one hundred years ago and heard repeated by Mac McMillen forty years ago You are the same today as you will be in five years except for two things the people you meet and the books you read A Tremendous quote never gets stale and it becomes more a part of you every time you quote it Read and reread a few biographies This will give you a greater appreciation for the quote because you know the life it came from Two of my favorites are Abraham Lincoln and Oswald Chambers Everything I say is flavored by their wisdom Begin now to memorize a few Tremendous quotes Repeat them to yourself aloud at every opportunity Repeat them with feeling and enthusiasm This will make a Tremendous difference in you and your listeners will reward you with attentive minds hungry hearts and warm smiles From the Introduction The Frazzled Factor Jane Jarrell,Karol Ladd,2008-06-08 According to AFLCIO statistics seven out of ten working mothers work more than forty hours a week for their employers But what about the hours spent juggling baseballs soccer balls meatballs and cotton balls Written for the frenetic working mother authors Karol Ladd and Jane Jarrell introduce seven simple steps designed to take the frazzled mom from feelings of guilt to the freedom of grace Presented in a concise format with easily skimmed graphics encouraging quotes and revitalizing scriptures these tips can easily be slipped into daily routines restoring sanity to overscheduled chaotic lives Working mothers themselves the authors have made a practice of sharing their creative positive parenting perspectives through their work with Mothers of Pre Schoolers MOPS in magazine columns as well as radio and television appearances They plan to incorporate The Frazzled Factor into their Lunchable seminars and Sanity Saturdays aimed at other working moms The Frazzled Factor Workbook Jane Jarrell,Karol Ladd,2005-07-09 Today's busy woman finds herself being pulled in many different directions Based on the book The Frazzled Factor authors Karol Ladd and Jane Jarrell offer seven simple steps designed to take the frazzled mom from feelings of guilt to the freedom of grace *LIFE - Let It Flow Effortlessly* Norma Strange,2018-06-12 LIFE gives people the freedom to shed their situation their fears their normal and embrace the greatness in their depths in order to do things they never thought possible Where do you find yourself right now LIFE is all about facing that person in the mirror YOU Not your situation not your normal but embracing everything that looks back from the mirror and running with it instead of from it The content of LIFE is structured to serve as a mentor for readers addressing how to embrace their own uniqueness and selling readers on how valuable they really are It helps them put energy where their heart is so they can let

their own brilliance overflow that s been hidden underneath the accepted normal LIFE is a guide for readers to know themselves hear their hearts and feel fulfillment and overflow That s what letting life flow effortlessly really means live the life you want to live A Positive Plan for Creating More Calm, Less Stress Karol Ladd, **Mother Teresa's General Letters to Her Sisters** Kolodiejchuk MC Brian,2024-06-21 Mother Teresa s General Letters to Her Sisters is a collection of Mother Teresa s circular letters to the members of her religious congregation the Missionaries of Charity Sisters Not intended for those outside her community they were written informally and spontaneously often with little editing It was for Mother Teresa a way of being present to the members of her rapidly expanding religious order Seemingly of little interest except for those to whom they were addressed the letters reveal the spiritual depth and pragmatic leadership of one of the most popular modern saints as well as the inner dynamics underlying one of the most flourishing religious congregations of the last century At the same time and perhaps surprisingly these letters may also prove to be worthwhile reading for a wider audience Something of God s wisdom and love seems to shine through Mother Teresa s guidance and counsels giving the reader light and help even though he or she is not living the same religious life as one of the Sisters Mother Teresa s unpolished statements are at times humble and at times humbling They inspire confidence and encourage generosity Many a time they are humorous but more often challenging They are sprinkled with serene joy but also permeated with deep pain She delighted in her Sisters accomplishments yet did not shy away from correcting even the smallest flaw which didn t escape her very observant eye Sometimes she sounded just like a mother full of tender loving care and at other times more like a commander in chief exhibiting an iron will and uncompromising determination In either case her followers seemed to have been drawn into the mystery of her charism endeavoring to keep pace with her Was it the attraction of what could be termed as her leadership style in the unrelenting service of the poorest of the poor or the perceived love of a mother s heart that made her so unanimously loved and admired by the members of her congregation Or was it both The letters will reveal the answer Inspiring in their simplicity the letters may well serve as a treasure trove where anyone from a reflective scholar to a caring mother of a family may find satisfaction for their spiritual palate The attractiveness of perennial truth often makes Mother Teresa s presentation of traditional spiritual themes likewise relevant for contemporary needs In the context of Mother Teresa s statement that we are created for greater things to love and to be loved these letters will help the reader discover and experience God s presence through the little miracles of His love in one s daily life They will inspire us to put our love into living action sharing His love with all those we meet and so make our lives something beautiful for God

The Implementation and Future of Decimalized Markets United States. Congress. Senate. Committee on Banking, Housing, and Urban Affairs. Subcommittee on Securities and Investment,2002 The Best of Success Mac Anderson,Bob Kelly,2009-12-01 Success A magical word indeed but what exactly is it A one time thing like hitting a home run scoring a touchdown or winning a game Is it a destination Or a journey Is there a fixed clearly marked place called Success Or does it vary from individual to individual Does success mean achievement or fame or power or wealth Who decides when one has become successful Can it be self conferred Is it like beauty in the eye of the beholder Can we objectively define it Can two people have nearly identical track records and yet one be seen as successful and the other to have failed In our research for this book it became very clear that defining and describing success is no easy task It is indeed a moving target as subjective as it is elusive We hope the quotations about them and the stories behind each of them will be a source of inspiration in your journey along the highway to success
