R D Laing:

Dialogue with R.D. Laing Richard Isadore Evans, Ronald David Laing, 1981 *The Divided Self* R. D. Laing, 2010-01-28

The Divided Self R D Laing's groundbreaking exploration of the nature of madness illuminated the nature of mental illness and made the mysteries of the mind comprehensible to a wide audience First published in 1960 this watershed work aimed to make madness comprehensible and in doing so revolutionized the way we perceive mental illness Using case studies of patients he had worked with psychiatrist R D Laing argued that psychosis is not a medical condition but an outcome of the divided self or the tension between the two personas within us one our authentic private identity and the other the false sane self that we present to the world Laing's radical approach to insanity offered a rich existential analysis of personal alienation and made him a cult figure in the 1960s yet his work was most significant for its humane attitude which put the patient back at the centre of treatment Includes an introduction by Professor Anthony S David One of the twentieth century's most influential psychotherapists Guardian Laing challenged the psychiatric orthodoxy of his time an icon of the 1960s counter culture The Times **R. D. Laing in the Twenty-First Century** M. Guy Thompson, Fritjof Capra, Douglas Kirsner, 2025-06-20 In this remarkable review of the seminal contribution of the Scottish psychiatrist and psychoanalyst R D Laing the three authors each intimately acquainted with the subject matter explore Laing's intellectual and clinical legacy Written from the perspective of a psychoanalyst a scientist and a philosopher this unique book thoroughly addresses the three principal themes that defined Laing's work his views about sanity and madness the use of therapy with those suffering from psychotic disturbance and the vicissitudes of love relationships They also explore authenticity altered states and healing The authors bring a broad range of viewpoints in assessing Laing's seminal contribution to contemporary thought from both a scholarly and personal assessment rooted in each of their diverse relationships with him both professional and personal This volume will be of interest to those in the worlds of psychoanalysis philosophy science and anyone with an interest in the work of R D Laing *The Legacy of R. D. Laing* M. Guy Thompson, 2015-05-22 The name R D Laing continues to be widely recognized by those in the psychotherapy community in the United States and Europe Laing's books are a testament to his breadth of interests including the understanding of madness alternatives to conventional psychiatric treatment existential philosophy and therapy family systems cybernetics mysticism and poetry He is most remembered for his devastating critique of psychiatric practices his controversial rejection of the concept of mental illness and his groundbreaking center for people in acute mental distress at Kingsley Hall London Most of the books that have been published about Laing have been written by people who did not know him personally and were unfamiliar with Laing the man and teacher The Legacy of R D Laing An appraisal of his contemporary relevance is composed by thinkers and practitioners who knew Laing intimately some of whom worked with Laing This collection of papers brings a perspective and balance to Laing's controversial ideas some of which were never addressed in his books There has never been a collection of papers that address so thoroughly the question of

who Laing was and why he became the most famous psychiatrist in the world As M Guy Thompson s collection illustrates there are now a number of alternatives to psychiatry throughout the world and much of this can be credited to Laing s influence The Legacy of R D Laing will ensure the reader has a keen grasp of who Laing was what it was like to be his patient or his friend and why his thinking was far ahead of its time even in the radical era of the 1970s It is timely to appraise the nature of his contribution and bring Laing back into contemporary conversations about the nature of sanity and madness and more humane approaches to helping those in profound mental distress This book offers an in depth insight into the work of R D Laing It will be a must read for psychoanalysts psychotherapists family therapists psychiatrists and academics alike M Guy Thompson PhD is a Personal and Supervising Analyst at the Psychoanalytic Institute of Northern California and Chairman of Free Association Inc a non profit organization devoted to the dissemination of Laing s ideas in San Francisco Dr Thompson received his psychoanalytic training from R D Laing and associates at the Philadelphia Association and is the author of numerous books and journal articles on psychoanalysis phenomenology and schizophrenia He currently lives in San Rafael California

Self and Others ,1998 *Self and Others: Selected Works of R D Laing Vol 2* R D Laing,2013-01-11 Originally published in 1961 this book is divided into two parts In the first Laing critiques the Kleinian view of unconscious phantasy as developed by Susan Sutherland Isaacs He emphasizes the overwhelming presence of social phantasy systems In Part 2 Laing discusses the extent to which an individual is or is not invested in their own actions using ideas drawn from Martin Buber and Sartre

R. D. Laing & Anti-psychiatry Robert Boyers,1971 *R.D. Laing* Bob Mullan,1999 This biography pieces together elements of Laing s life re evaluating this remarkable man s thought In particular it addresses his ambivalence towards Freud his unreconstructed Marxism his love of Buddha but his reconstructed Buddhism his adoration of Nietzsche and Sartre the only two contemporaries he believed superior to himself and the ideas he developed through his own experience of working with himself and his patients His behaviour could range from peacefulness and enlightenment to violence But he could always be trusted to be none but himself tender compassionate cruel vindictive sober or drunk muddle headed and or profoundly perceptive and original tearful and morose joyous and contented

R.D. Laing and Me Roberta Russell,R. D. Laing,1992-06-01 This is a unique book about power borrowing from the psychotherapeutic model it guides the reader in constructing a mutually beneficial paradigm with a carefully chosen other Advance reviews fascinating an intelligent self help book reads like a novel Daphne Merkin Contributing Editor Critic Partisan Review Admirably honest one woman s search for love in the shape of R D Laing the diabolical lyric muse of the psychiatric profession Donald Klein M D Columbia University written from the inside a form of mutual aid the presentation style is most unusual the writing is superb Frank Riessman Ph D Editor in Chief Social Policy Two strong intellects meet in this tumultuous relationship an on edge record of wit An excellent read this clash between like spirits is a must for all Laing fans students Maurice Kenny Winner of American Book Award an occasion to be with Laing in spirit feel his presence Offers therapeutic insight understanding

intention applied to an intimate partnership Claudio Naranjo M D Fulbright Scholar Guggenheim fellow **The Self and Others** Ronald David Laing, 1961 **The Divided Self** R. D. Laing, 1965-08-30 Dr Laing's first purpose is to make madness and the process of going mad comprehensible In this with case studies of schizophrenic patients he succeeds brilliantly but he does more through a vision of sanity and madness as degrees of conjunction and disjunction between two persons where the one is sane by common consent he offers a rich existential analysis of personal alienation The outsider estranged from himself and society cannot experience either himself or others as real He invents a false self and with it he confronts both the outside world and his own despair The disintegration of his real self keeps pace with the growing unreality of his false self until in the extremes of schizophrenic breakdown the whole personality disintegrates *Selected Works of R.D. Laing* R. D. Laing, Stephen Shennan, 1998-09 This set reprints seven of Laing's major works originally published between 1960 and 1971 and out of print for many years Laing was an existential psychiatrist who offered a radical critique of abnormal behaviour and social and medical models for its treatment He was critical of the extent to which psychoanalytic concepts may conceal or distort human experience and of the tendency to label the patient sick as opposed to looking at sickness in the patient's family or in society It was Laing who argued that schizophrenia is not an illness but a label for another kind of problematic experience and behaviour Laing's ideas have been particularly popular among those who object to the hypocrisy of society and its treatment of those considered to be abnormal Available also as individual volumes this set offers the ideal opportunity to replace missing or damaged volumes Laing's works included in this set are Volume One *The Divided Self* 0 415 19818 6 241pp 45 00 Volume Two *Self and Others* 0 415 19819 4 186pp 45 00 Volume Three *Reason and Violence* 0 415 19820 8 184pp 45 00 Volume Four *Sanity and Madness in the Family* 0 415 19821 6 284pp 45 00 Volume Five *The Politics of the Family* 0 415 19822 4 142pp 45 00 Volume Six *Interpersonal Perception* 0 415 19823 2 189pp 45 00 Volume Seven *Knots* 0 415 19824 0 94pp 45 00 **Portrait of the Psychiatrist as a Young Man** Allan Beveridge, 2011-08-25 RD Laing remains one of the most famous psychiatrists of the last 50 years In the 1960s he enjoyed enormous popularity and received much publicity for his controversial views challenging the psychiatric orthodoxy He championed the rights of the patient and challenged the often inhumane methods of treating the mentally ill Based on a wealth of previously unexamined archives relating to his private papers and clinical notes *Portrait of the Psychiatrist as a Young Man* sheds new light on RD Laing and in particular his early formative years a crucial but largely overlooked period in his life The first half of the book considers Laing's intellectual journey through the world of ideas and his development as a psychiatric theorist An analysis of his notebooks and personal library reveals Laing's engagement not only with psychiatric theory but also with a wide range of other disciplines such as philosophy literature and religion This part of the book considers how this shaped Laing's writing about madness and his evolution as a clinician The second half draws on a rich and completely unexplored collection of Laing's clinical notes which detail his encounters with patients in his early years as a psychiatrist firstly in the British Army

subsequently in the psychiatric hospitals of Glasgow and finally in the Tavistock Clinic in London These notes reveal what Laing was actually doing in clinical practice and how theory interacted with therapy The majority of patients who were to appear in Laing's first two books *The Divided Self* and *The Self and Others* have been identified from these records and this volume provides a fascinating account of how the published case histories compare to the original notes There is a considerable mythology surrounding Laing partly created by himself and partly by subsequent commentators By a careful examination of primary sources Allan Beveridge both a psychiatrist and an historian examines the many mythological narratives about Laing and provide a critical but not unsympathetic account of this colourful and contradictory thinker who addressed questions about the nature of madness which are still being asked today This book will be of interest to mental health workers and social historians alike as well as anybody interested in the philosophy of psychiatry R.D. Laing Adrian C. Laing, 1994 Distributor taken from label on t p R.D. Laing. The Man and His Ideas Richard Isadore Evans, 1976

Existential Therapies Mick Cooper, 2003-05-27 One can only applaud the bravery of an author who gently send up Kierkegaard's wilful obscurantism and cleans out the acrid smoke of Gaulloises from the room With welcome clarity and sanity Mick Cooper efficiently lays out the concepts techniques and directions adopted by several key figures in the broad field of existentially informed psychotherapy In an excellent first chapter Mick Cooper pointed out my ontic from my ontological and I could see behind the long words with dashes the true resonance of these ideas with real human and therapeutic issues dilemmas and goals *Clinical Psychology* This book proves to be a real treasure chest what you always wanted to know about existential psychotherapy but failed to find anywhere else in such a comprehensive clear and concise manner In that sense this publication provides a missing link One merit of the book is its systematic structure As extensive and in part as heterogeneous as existential philosophy and therapy also maybe Mick Cooper had nevertheless been able to build convincing clusters with on the one hand an enormous understanding of details and on the other a far sightedness that like a map provides orientation in the diversity of existential therapy I really appreciate this publication and can recommend it very strongly *Person Centred and Experiential Psychotherapies* *Existential Therapies* will I suspect suddenly make existentialism come alive The author Mick Cooper loves his subject it fascinates and enthralls him and we get to experience some of that even though the book is academic The connections and overlaps with person centred psychology are there for us to be but so are the differences *Person Centred Practice* As an overview of a number of different existential therapies the book is extremely welcome and manages in a relatively short space to cover a wide arena Overall I rate the book highly To pull together a large and somewhat disparate literature then make sense of it and finally retains the reader's interest is difficult *Existential Analysis* Mick Cooper has done an impressive job in writing a much needed current and user friendly survey of the field of existential therapies If I were to teach this course I would use this book I applaud Mick Cooper for having admirably achieved the aim he set out to achieve All this makes Mick Cooper's book a must read for anyone wishing

to explore the topic of existential therapy Society for Laingian Studies Website What makes this book unique is that all the different strands of Existential philosophy are always clearly linked to practice Counselling and Psychotherapy Journal This is a very fresh book not treading well worn paths and genuinely informing us about a small but important field This is really an indispensable book for anyone who wants to understand existentialist approaches to therapy Self and Society This publication marks a milestone providing an excellent clear and critical overview of the contrasting forms of the approach as it is currently practised Emmy van Deurzen New School of Psychotherapy and Counselling Schiller University London This is a book of superb thoroughness and scholarship an unprecedented guide to existential therapy's chief positions and controversies Kirk J Schneider President of the Existential Humanistic Institute USA Combines scholarship with a writing style that makes difficult concepts accessible This book should be required reading on any course where the existential tradition plays a part and that includes person centred courses and all sympathetic to the idea that psychotherapy is in essence a human encounter where warmth understanding and a deep respect for the individual are key values Tony Merry University of East London What does it mean to practice in an existential way What are the different existential approaches What are their strengths and limitations Existential Therapies addresses these key questions and more by providing students and practitioners with an invaluable introduction to the diverse and multifaceted world of existential therapeutic practices Focusing on practical face to face work with clients the book introduces readers to six key existential therapies discusses key figures and their contributions including Irvin Yalom Emmy van Deurzen Ernesto Spinelli Viktor Frankl and R D Laing compares and contrasts the various approaches highlighting areas of commonality and difference outlines key debates within the existential therapy field provides detailed suggestions for further reading Existential Therapies offers students and practitioners of all orientations much that they can incorporate into their own therapeutic work and each approach is vividly brought to life through therapist client dialogues and case studies Written in an accessible warm and engaging manner Existential Therapies is an essential introduction to this rich vibrant and stimulating field

History of Everyday Life in Twentieth-Century Scotland Lynn Abrams, 2010-02-28 Over the twentieth century Scots lives changed in fast dramatic and culturally significant ways By examining their bodies homes working lives rituals beliefs and consumption this volume exposes how the very substance of everyday life was composed tracing both the intimate and the mass changes that the people endured Using novel perspectives and methods chapters range across the experiences of work art and death the way Scots conceived of themselves and their homes and the way the old Scotland of oppressive community rules broke down from mid century as the country reinvented its everyday life and culture This volume brings together leading cultural historians of twentieth century Scotland to study the apparently mundane activities of people's lives traversing the key spaces where daily experience is composed to expose the controversial personal and national politics that ritual and practice can generate Key features Contains an overview of the material changes experienced by Scots in their everyday lives during the course of

the century Focuses on some of the key areas of change in everyday experience from the way Scots spent their Sundays to the homes in which they lived from the work they undertook to the culture they consumed and eventually the way they died Pays particular attention to identity as well as experience

R D Laing Bob Mullan, 1997 I really liked this book a lot It is so bitty so easy to dip into I found so many quotes I loved and found useful and wanted to remember Self and Society This book is a valuable resource for future scholars and aspiring biographers and well worth the effort of anyone really interested in the life and thought of this brilliant and tormented man Journal of the Behavioural Science This volume collects together accounts both professional and personal of R D Laing by those who knew him Some view Laing as important as Jung or Freud a revolutionary of his time His psychiatry work in the 1960s and 1970s was unconventional even radical and Laing the man evoked a strong response from those who came into contact with him The book features conversations letters photographs and poetry and contributors include Allen Ginsberg Anthony Clare Ralph Metzner and Van Morrison

R.D. Laing and the Paths of Anti-Psychiatry Zbigniew Kotowicz, 2005-07-25 In the 1960s and 1970s the radical and visionary ideas of R D Laing revolutionized thinking about psychiatric practice and the meaning of madness His work from The Divided Self to Knots and his therapeutic community at Kingsley Hall made him a household name But after little more than a decade he faded from prominence as quickly as he had attained it R D Laing and the Paths of Anti Psychiatry re examines Laing s work in the context of the anti psychiatry movement Concentrating on his most productive decade the author provides a reasoned critique of Laing s theoretical writings investigates the influences on his thinking such as phenomenology existentialism and American family interaction research and considers the experimental Kingsley Hall therapeutic community in comparison with anti psychiatry experiments in Germany and Italy The book provides a much needed reassessment and re evaluation of Laing s work and its significance for psychotherapy and psychiatry today

The Politics of the Family R. D. Laing, 1997-09-27 Using concepts of schizophrenia R D Laing demonstrates that we tend to invalidate the subjective and experiential and accept the proper societal view of what should occur within the family A psychoanalyst and psychiatrist Laing worked at the Tavistock Institute of Human Relations His books include The Self and Others and The Politics of Experience

The Top Books of the Year R D Laing The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. R D Laing : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. R D Laing : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.

R D Laing Introduction

In today's digital age, the availability of R D Laing books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of R D Laing books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of R D Laing books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By

accessing R D Laing versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, R D Laing books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing R D Laing books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for R D Laing books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, R D Laing books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of R D Laing books and manuals for download and embark on your journey of knowledge?

FAQs About R D Laing Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. R D Laing is one of the best book in our library for free trial. We provide copy of R D Laing in digital format, so the resources that you find are reliable. There are also many Ebooks of related with R D Laing. Where to download R D Laing online for free? Are you looking for R D Laing PDF? This is definitely going to save you time and cash in something you should think about.
